

400 North

IMPROVED

Bountiful

Construction Update

January 10, 2017

Please Note: All paving activities are subject to change due to weather, material, equipment, or utility delays. Crews will work every day the weather is above freezing and not actively raining or snowing.

Overall Project Update:

Concrete paving remains near the intersections of Main Street, 100 West, 200 West, 500 West and the area in front of FiiZ Drinks. Crews are working to pave these remaining sections and switch traffic this month as weather permits.

The project team is using ground heaters, plastic sheeting, and other techniques to manage quality in cold temperatures. All paving is being tested to ensure standards are maintained.

Paving Update:

- 500 West- Crews are scheduled to pave the area west of 500 West a tomorrow and Friday, January 13.
- 200 West- This week crews anticipate re-striping this area to begin work on the southeast quadrant.
- Main Street- Crews will continue to work in this area and pave when possible through January.

Snow Plowing on 400 North:

The project team is working with Bountiful City, West Bountiful City and UDOT to maintain plowing services along 400 North after every snow storm. For those residents that experience issues getting in/out of their properties, please contact the project hotline at 888-556-0232.

BUSINESSES ARE OPEN DURING CONSTRUCTION!!!
Don't forget to support local businesses on 400 North.

Project Contact Information:
