

Notice to Architects

Bountiful City Corporation is requesting proposals for Architectural Services for the following project:

**Bountiful City Center Plaza and City Hall
76 East 100 South St., Bountiful, Utah 84010**

This project will include providing design and programming services for a new city center plaza and City Hall. The Architect will work closely with City Staff and the City's anticipated General Contractor/Construction Manager to design and construct a project which will serve the needs of Bountiful City. The new building and plaza should reflect a creative design which is connected to the community. The Architects ability to include efficient systems and construction methods in the design while working in a cost conscious environment are essential.

The Request for Proposals (RFP) documents, including the selection requirements and schedule will be available for download from the BIDSINC website on **Thursday, May 19, 2016**. The BIDSINC bid number is 1605-001.
