OVERVIEW

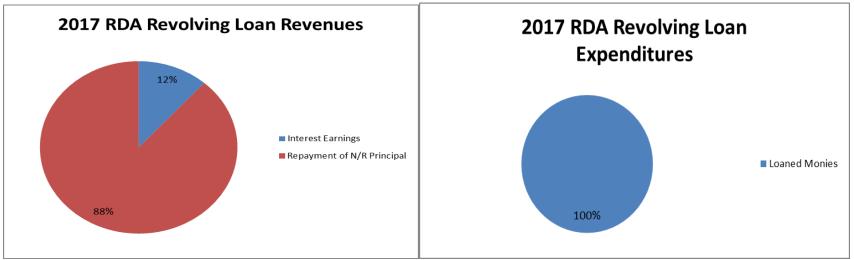

The Redevelopment Agency of Bountiful City is a separate agency authorized under State Law Title 17C known as the Limited Purpose Local Government Entities-Community Development and Renewal Agencies. The purpose of this agency is to facilitate redevelopment efforts in designated areas and to administer projects/programs to assist in economic development, community development and renewing urban areas. The Redevelopment Agency of Bountiful City assists in redevelopment efforts by encouraging private and public investment in previously developed areas that are underutilized or blighted. The Agency also promotes economic development by working with businesses to increase the jobs available in the community and the state as a whole.

GOALS & PROJECTS

Agency special projects that are budgeted for next year center on planning for, and development of, a downtown plaza for revitalization of the downtown area. Conceptual plans include relocation and construction of a new City Hall in the plaza area with surrounding public spaces, including capacity for community events. Additional planning and development will also be focused in the complex surrounding the existing City Hall at 790 South 100 East. The Redevelopment Agency will also continue to administer the Revolving Loan Program, and participate in other projects within the Redevelopment Project Area.
