

## **Construction Update November 28, 2016**

### **Special Paving Update:**

Due to wet weather, paving between 200 West and 500 West has been postponed. We will provide an update as soon as paving activities are rescheduled. We apologize for any inconvenience. All paving activities are subject to change due to weather, material, equipment, or utility delays. The project remains on schedule to complete all major activities by the end of the year.

For questions regarding your property or project activities, please contact the project hotline at **888-556-0232** or email us at [400north@utah.gov](mailto:400north@utah.gov).

UDOT Region One, 166 Southwell Street, Ogden, UT 84404
