Mayor's Corner: Gratitude!

As my second year as Mayor of Bountiful City comes to a close, I cannot help but be amazed and grateful for all the experiences I've had over the last 24 months. They have reinforced to me how great our community is and how wonderful it is to live here.

We have all recently enjoyed a summer filled with community events! Not only were our regular summer events—Chalk Art Festival, the Car Show, Handcart Days, the Farmer's Market, Summerfest, Concerts in the Park and others—wonderfully successful, we also had a couple of firsts for Bountiful. Food Truck Fridays were a great place to be each week to meet and greet neighbors and friends. Bountiful City also hosted the Tour of Utah bike race for the first

time. I have heard over and over again since then that Bountiful “hit it out of the park” hosting the Stage 3 finish.

Being Mayor has allowed me to see these events from a different perspective—and how many hands and hours it takes to pull them off!

First, Bountiful City staff is incredible in their willingness to help with hosting each and every event that happens within the City. The staff is involved from the first planning meeting to when the last piece of trash is picked up! They are an integral part of the success of these events.

Secondly, our City Council has also been tremendously supportive of everything that happens in our City. Often behind the scenes, they are always there to promote Bountiful City and all that the City

has to offer. I deem it a privilege to work with these five talented, intelligent people.

And last, but certainly not least, our Bountiful City citizens, including our local business owners, are second to none! Your support of our City and these great events is beyond compare. If it weren't for you and your enormous spirit of volunteerism and generosity, these events would not happen!

I am looking forward to the next two years of my term and continuing to work with and for you to keep Bountiful great!

Help name our new park!

Our new park on Mill Street needs a name! This park, on a beautiful eight-acre parcel of land, has been designed with input from Bountiful citizens and now you can suggest a name as well! Please email suggestions to info@bountifulutah.gov by December 31, 2015.

Storm Drain and Flood Hazard Information

Bountiful has two drainage systems – the sanitary sewers and the storm drains. The sanitary sewers carry wastewater to a sewage plant for treatment before discharging it into the environment. The storm drains, however, collect water from the streets and other areas and discharge directly into the streams. Because there are no filters on the storm drain system, the water also carries dirt, yard waste, oil, pet waste, pesticides and other pollutants that are put into the storm drains, contaminating our streams. Causing any such pollution to enter the storm drain is a violation of the law and could lead to serious penalties. Please help us keep our storm drains and streams clean! Any washing of prohibited materials down the gutter and into the storm drain should be reported by calling Davis County Environmental Health at 801.525.5100.

FLOOD HAZARD INFORMATION

Congress has mandated that all federally insured lenders require flood insurance on properties that are located in "Special Flood Hazard Areas." These areas are determined to have a 1% or greater chance of flooding in any given year. The Federal Emergency Management Agency (FEMA) issues maps known as Flood Insurance Rate Maps (FIRM), to help determine the flood risks for real property. FIRMs can be viewed on the internet using FEMA's online Map Service Center at www.fema.gov/national-flood-insurance-program/map-service-center.

The Bountiful City Engineering Department can also provide some flood and flood insurance information as follows: the flood zone, whether property is in a "floodway", flood depth (where information is available), flood-related hazards,

natural floodplain functions, and flood protection measures. Copies of FEMA Elevation Certificates are available for some properties, and a brochure about Utah floods is available to anyone interested.

If you have any questions about storm water cleanliness or flood hazards, please contact the Engineering Department at City Hall by calling 801.298.6125.

Find it on Main!

Are you observant when you shop on Bountiful's Main Street? Do you recognize the location pictured here? If you do, you could win a \$50 gift certificate to one of our Main Street Merchants! Enter to win and get details at BountifulMainStreet.com or you can link to it from the Bountiful City website (Community—Related Links).

Misty Mayfield was the winner of the last "Find It On Main." She won a \$50 gift certificate to the Main Street business of her choice!

Business Licenses

Did you know you need a business license if you are running a business out of your home or opening a new store or restaurant at a commercial location? Come and apply for a business license in the Planning and Zoning Department at City Hall, 790 South 100 East. Both Home and Commercial business licenses are valid January 1 thru December 31. Watch for your business license renewal notice – they will be in the mail mid December. Any questions? Call us at 801.298.6190.

Our Police Department is in immediate need of substitute crossing guards. These are paid positions and the hours and days of the week vary. If you are interested in applying or have questions, please call Julie at 801.298.6023.

Opportunities for Service

As the holidays approach, things at the Bountiful Community Food Pantry go into high gear. Here are some ways you can help those in our community who are in need:

- * Donate holiday food items.
- * Neighborhood or church groups can donate money to the pantry in lieu of giving gifts to one another.
- * In lieu of giving gifts to loved ones who may be hard to buy for, consider making a donation to the pantry in their name.
- * Families can gather and make Pantry

Packs or Holiday Christmas Breakfast Bags as a holiday service project.

- * Individuals can make scarfs/hats/mittens for clients.

- * Sign up to help receive donations in the afternoon or evening in the warehouse during the two weeks before Thanksgiving and Christmas.
- * Sign-up individually or as a family to be a Santa for our Sub-for-Santa program and help a family in need have a better Christmas.

Contact the pantry to find out more information about these opportunities at 480 East 150 North in Bountiful, call 801.299.8464, or email service@bountifulfoodpantry.org.

Winter Reminders!

It's that time of year again when the city's winter parking ordinance goes into effect. In an effort to help our street department continue doing such an excellent job clearing the snow from the roadways, we are asking for your cooperation in not parking your vehicles on the street when prohibited as outlined below.

Bountiful City Code §13-1-103 states: "It is unlawful for any person who owns or has possession, custody, or control of any vehicle to park or allow to be parked any vehicle or trailer on any street

between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February, and March."

This ordinance also prohibits parking vehicles on the street when it is actually snowing, or within twelve hours thereafter. This prohibition does not include Main Street between 500 South and 400 North.

This ordinance assists the street department in keeping the streets plowed during the winter months. The police department will enforce this ordinance by putting warnings on vehicles left parked on the street for the first two weeks of November. After that, officers will begin issuing parking citations on all vehicles that are left on the street in violation of this ordinance. After the same vehicle has been issued two parking citations, that vehicle will be impounded at the owner's expense. This includes all cars, trailers, boats, etc.

SIDEWALK SNOW REMOVAL

Bountiful City Code §6-2-115 states that property owners are responsible for removing snow on all sidewalks abutting their property; this includes corner lots, and properties that back onto public streets. Shoveling snow and ice from your sidewalks with 24 hours of a storm is important for the safety of residents. It is also illegal to shovel or blow snow into the street—it defeats the efforts of our snow plow drivers.

HOLIDAY GARBAGE PICKUP

If your garbage day falls on or is after Thanksgiving Day, Christmas Day or New Years Day, your garbage day and the remaining week's pick up will be delayed by one day, with Friday's garbage being picked up on Saturday. For all other holidays, garbage is picked up on your normal garbage day!

New Bountiful Museum & Learning Center

Recently Bountiful City acquired the 123 year old Smedley Manor at 300 North Main Street for the purpose of providing a home for the Bountiful Museum & Learning Center. Plans are now finished for remodeling the existing home, and soon construction will begin on an addition in the back that will accommodate large gatherings and displays. The museum will be operated by the Bountiful Historical Preservation Foundation (BHPF) which has been operating a temporary museum for over 10 years. BHPF is looking forward to being a part of Historical Main Street in this new location and just two blocks away from the newly remodeled Bountiful Davis Art Center.

The new museum location will offer much more space for displays and exhibits, so the Foundation is currently raising funds to help cover the costs of remodeling, displays and acquiring appropriate items to fill the space. The BHPF is a 501(c)(3) non-profit organization, so contributions made to the Foundation are tax deductible. Anyone – families, businesses or individuals – can donate, and donations can be sent to the current museum at 845 South Main Street, Suite B5, Bountiful, Utah 84010. Please make checks payable to BHPF. Visit the website at www.bountifulutah.gov/historicalcommission until you can visit the new museum in person!
