

Temporary Sign Regulations

Bountiful City knows signs are important to your business. They help advertise sales, relay contact numbers, and even let the public know who you are and where you are located. It is our hope that this list can serve to remind you of common sign violations. By meeting the Code we not only ensure everyone is playing by the same rules, but also prevent City Code Enforcement from removing any illegally placed signs, which is good for everyone.

All permanent signs **require** a sign permit; more information can be found in *chapter 19 of the City Land Use Ordinance* available on the City Website.

A lot of businesses decide to use temporary signs to raise their profile, while temporary signs are allowed you will want to make sure you are complying with the list below you can ensure you don't see your signs taken down by the city.

- Temporary signs shall be a Banner, Wall Sign, A-Frame, or pedestal type sign only no other type of sign is permitted.
- In Bountiful City signs cannot be placed in a park strip. A park strip is a strip of grass that runs between a road and sidewalk. (A-Frame signs may be placed in the park strip directly in front of their business if they are removed each evening)
- A-Frame signs are permitted but they must be taken down each day, and should not obstruct a public right of way or side walk.
- Temporary signs may not be taller than 6' and fin/blade signs are not permitted in the City of Bountiful
- Temporary signs shall not be illuminated, flash, blink, spin, rotate, block traffic visibility or create a public nuisance
