Bountiful Fiber

Crews are making great progress on installing conduit for fiber in Bountiful City.

The City is divided into ten "footprints" for rolling out Bountiful Fiber service! To find out when the footprint you live in will be ready, service cost, construction restoration, etc., visit mybountifulfiber.com.

Winter Parking

From November 1 to March 31, overnight parking is prohibited on Bountiful City streets between 2:00 a.m. and 6:00 a.m. to help our snow plow drivers clean efficiently.

Please also avoid shoveling or blowing snow into plowed streets – it's unlawful and unsafe! For more info, visit our website.

Spring Cleanup Details

Spring cleanup is April 7th through April 11th, 2025. During that week on your regular garbage pickup day, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied with twine. Each bundle, bag or box must not exceed 50 lbs. Please separate metal items from your other debris as metal recycling crews will be picking up those items.

Concrete and construction materials will not be picked up curb side. All items including old furniture or appliances must be placed on the drive approach or park strip, not on the street or sidewalk. Spring cleanup items will be picked up by several special cleanup crews and they may come at different times during your regular garbage collection day. Please have your cleanup items out for our crews to pick up before 7:00 a.m. on your regular garbage day.

Also, to assist you in your spring cleanup, the landfill will not charge Bountiful residents a fee during spring cleanup week or the following week (proof of residency is required). Trash that does not comply with the above restrictions can be taken to the landfill and disposed of at no charge during free cleanup weeks. Landfill fees will still be in place for concrete and construction materials during free cleanup weeks. We do not accept hazardous materials, propane tanks or tires of any kind during the free cleanup weeks or at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Garbage containers should be placed at the curb before 7 A.M. on your regular pickup day. Lids must be closed when put out for collection. Have additional questions? Call the Streets Department at (801) 298 - 6175.

Month of the Military Child

April is the Month of the Military Child, a time to honor and recognize the unique challenges and strengths of military children.

This year, we invite you to wear purple on April 15 to show your support and appreciation for the resilience and adaptability of these young heroes.

We also want to remind you about the Memorial Day Program on Monday, May 26, at 11:00 AM at the Bountiful Veterans Park. Join us in paying tribute to the brave people who have served our country. We look forward to seeing you there to honor their memory.

Reminders from the DNR

Many of Utah's wild animals, such as bobcats, cougars, coyotes, and foxes, are constantly on the lookout for an easy meal — and backyard chickens are often a target.

To keep them safe:

- Ensure secure, enclosed shelters, especially at night.
- Supervise chickens when outside.
- Clear vegetation that hides predators.
- Remove attractants like pet food, water sources, bird feeders, and fallen fruit.
- Install motion-sensing lights around your property.
