

How to Submit Your Candidate Profile

Davis County will automatically post candidate names and contact information on Davis County's Elections Webpage. Candidates may also submit a photograph and a statement of qualifications to be posted on the Davis County Elections webpage.

General candidate information including name, address, and contact information will be acquired from the declaration of candidacy. Candidates will receive an email from Brian McKenzie, following the declaration of candidacy period, which will include a unique authentication code. This code will be needed to validate candidate profile submission.

Guidelines for Photograph: Photographs should be formatted in a JPEG, PNG or GIF format. Photographs should be of the candidate only; additional persons will be cropped out of the post image. Photographs deemed to be inappropriate or derogatory in any way will not be posted, but the candidate will be provided an opportunity to submit a new photograph to be posted.

Guidelines for Statement of Qualifications: The statement of qualifications shall be no longer than 200 words. Submissions that meet these requirements will be posted exactly as they are submitted to the County and Davis County accepts no responsibility for typos or other errors submitted by the candidate. Davis County does not validate nor guarantee the accuracy of any statement provided by the candidate in their submission; the candidate assumes all liability for submitting false statements. The county reserves the right to refuse posting of any statement deemed inappropriate or derogatory in any way, the candidate will be provided an opportunity to submit a new statement if this is the case.
