

# 400 North

## IMPROVED

Bountiful

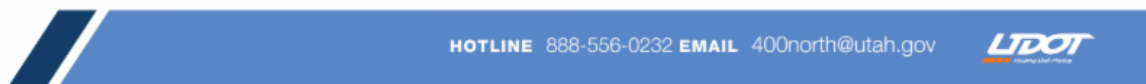

### **S.R. 106 (400 North) in Bountiful; 800 West to Main Street October 17, 2016**

#### **TRAFFIC SHIFT UPDATE**

The roadway concrete reached strength earlier than anticipated and crews now plan to shift traffic onto the new concrete between 200 West to I-15 **tomorrow night, Tuesday, October 18.**

- Expect flaggers and one-way traffic beginning as early as 9:00 p.m.
- Area residents can expect an increase in nighttime noise and construction activity.

Following the shift, construction activities will begin on the south side of 400 North, including asphalt removal, roadway excavation, materials hauling and placement through November.

UDOT Region One, 166 Southwell Street, Ogden, UT 84404
