### Mayor's Corner: Change!

Bountiful City has a new logo! Although the City seal will still be used in an official capacity, this new logo will bring a more cohesive feel to Bountiful City departments and be more recognizable throughout the City. We're excited for this change and hope you like it too!

Along with the new logo and branding effort, the quarterly newsletter design has changed and we will soon be rolling out a new website with a clean, updated look that will be more user friendly. The address will be the same ([www.bountifulutah.gov](http://www.bountifulutah.gov)) but the look will be completely different. We are excited for the features that will be available such as being able to sign up for email notifications and easier navigation.

This year, 2015, is also an election year. Three seats on our City Council are available in the election and we have four Bountiful citizens who have declared their candidacy. If you are not a registered voter, be sure to register through the Davis County Clerk's office so you can exercise that right at the polls on Tuesday, November 3rd (there will be no primary in Bountiful City). The last day to register to vote (in person) is October 19, 2015. Early voting will take place at City Hall beginning Tuesday, October 20th (check our website for the times the polls will be open each day). Please get out to vote and let your voice be heard. For more detailed election and candidate information, visit our website and click on "Government," then

"Election Information" On another note, we have had some magnificent events happen in Bountiful this summer—including the car show, Handcart Days, Summerfest and the Tour of Utah Stage 3 finish—all of which have taken hours and hours of volunteer time to execute. I would like to extend my sincere thanks to all of you who participated in any way and helped to make these events a success for all who visited our beautiful city!

# Bountiful City's Fall Clean Up

Full cleanup is October 5—9, 2015. During that week, city crews will remove trash and refuse, which has been properly bundled, bagged or boxed, on your regular garbage pickup day. Limbs and trees must be cut, bundled and **tied** in five foot lengths. Any bundles, bags or boxes must not exceed 50 pounds. Concrete and construction materials will not be picked up curb side. Items such as old furniture or appliances should be placed on the drive approach or park strip, not on the street or sidewalk. Please place your items out by 7:00 a.m. on your garbage day.

Also, to assist you in your cleanup, the landfill will not charge Bountiful Residents a fee during fall cleanup week or the following week so trash that does not

comply with the above restrictions can be disposed of at no charge. Landfill fees will still be in place for concrete and construction materials during the free cleanup weeks. We do not accept propane tanks or tires of any kind during clean up week or at the landfill.

**COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.**

In addition, Bountiful City will be conducting a **Household Hazardous Waste Collection Program** for Bountiful residents only on Saturday, October 10, 2015, from 9:00 a.m. to 3:00 p.m. at the City's Maintenance Facility, located at 950 South 200 West in Bountiful. See the flyer in your September utility bill for details.

And remember, **garbage is picked up on all holidays except for Thanksgiving, Christmas and New Year's Day.** On those three holidays your garbage pick-up will be one day delayed with Friday's route being picked up on Saturday. Again, please have your containers out by 7:00 a.m. on your garbage day.

## U of U Bountiful Classes

The University of Utah is the gateway for students starting their college experience! Why travel into Salt Lake when you can earn your general education credits in downtown Bountiful? U of U Bountiful is located in the old Stoker School building located at 75 East 200 South. Visit <https://continue.utah.edu/credit> for more information on the classes offered close to home.

We also offer non-credit classes for anyone interested in expanding their horizons. For more information, visit <https://continue.utah.edu/bountiful/noncredit>.

Other classes available are:  
**ACT Prep Classes**  
 Call 801.581.6984 for more information or to register.

**Lifelong Learning Classes**  
 Call 801.587.5433 for more information or to register.

### Photoshop for the Amateur

This class assumes you are new to Photoshop. It is a two-evening class, Monday and Wednesday, September 21 and 23, 2015, from 6:00 to 9:30 p.m. Call 801.581.6061 for more information.

### Photoshop for the Amateur Advanced

*Prerequisite: Photoshop 1 or equivalent*  
 This class is also a two-evening class, Monday and Wednesday, October 19 and 21, 2015, from 6:00 to 9:30 p.m. Call 801.581.6061 for more information.

## Preparedness Seminar

The Bountiful City Emergency Preparedness Council will present a preparedness seminar on Thursday, September 17, 2015, at South Davis Junior High School in the cafeteria, 298 West 2600 South, at 7:00 p.m.

The subject of the seminar will be "Planning for Electricity in a Disaster" and the following topics will be presented:

- What can be expected from Bountiful City's power system in various disasters.

- General generator use
- Information on portable generators, whole house generators and solar power—what they are, how they work, uses, limitations and how to use them safely.

Come join us to learn what you can do to ensure your family has power for their essential needs following an emergency.

## Music in the Park

Bountiful's Music in the Park would like to thank everyone who supported, performed, attended or sponsored our summer concerts this year. These free concerts happen because of this tremendous support from our community.

As our summer concerts continue to grow, volunteers are needed to plan and assist with future concerts.

Music in the Park is just one of the Bountiful Community Service Council's volunteer-based events, along with others such as the Emergency Preparedness Fair. The

Service Council's meetings are held monthly on the second Saturday at City Hall.

If you are interested in being a volunteer for the Concerts Committee, the Service Council, or would like more information,

please contact Richard Watson at 801.540.3146.

We are pleased to announce the Food Truck League is in Bountiful every Friday night from 6:00—10:00 p.m. in the U of U Bountiful Campus (Stoker School) parking lot (100 South and 100 East) through October 16, 2015. Great food and live entertainment every Friday!

## Top Three Resources for Food Preservation

The Davis County Obesity Workgroup wants to remind you to use safe food preservation practices as you preserve your food this season. To prevent your preserved food from becoming contaminated, it's important to use recipes and procedures that are scientifically studied and USDA approved. This means recipes on Pinterest or that recipe that's been passed down from generation to generation may not meet the criteria. According to USU Extension Services, the three best places for food preservation information and recipes are:

- USDA Complete Guide to Home Canning, 2009 revision
- So Easy to Preserve from the Universi-

ty of Georgia.

- A current Ball Blue Book (37<sup>th</sup> edition is the most recent)

The top two resources can be accessed on the National Center for Home Food Preservation website, <http://nchfp.uga.edu/>. You'll also find the

latest information on food preservation as well as webinars, how to teach youth to preserve food, how to select pressure can-

ners and directions on how to preserve various types of foods.

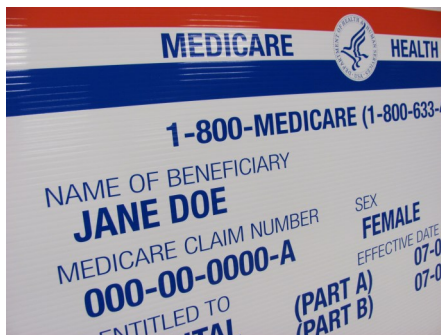

A current Ball Blue Book can be purchased at the USU Extension office, online or in some stores. USU Extension also has food preservation information on their website, <http://extension.usu.edu/canning/>. Using these

resources will ensure your food is safely preserved for your family to enjoy any time of the year.

## Medicare 101 Classes
