

GET RID OF YOUR BAD STUFF FOR FREE!!

Bountiful will be conducting a **HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM** on **SATURDAY, OCTOBER 13, 2018** from **9:00 a.m. to 3:00 p.m.** at the City's Maintenance Facility, located at 950 South and 200 West in Bountiful.

*This is a great chance to clean out your house and get rid of harmful chemicals, and at the same time help the environment. So bring in any of the following, **with exception of any DEA controlled medications**:*

Antifreeze	Flea powder	Laundry products	Photographic chemicals	Toilet bowl cleaners
Batteries	Floor waxes/cleaners	Mothballs	Radiator flushes	Waste motor oil
Car cleansers	Furniture polish	Oven cleaners	Rodent poison	Weed killers
De-greasers	Insecticides	Paints	Silver cleaners	Window cleaners
Drain cleaners	Lacquers	Paint thinners	Spot removers	Wood preservatives

If you bring it in, we'll take it off your hands FREE, and properly dispose of it -- you'll be doing us a favor by keeping this material out of the landfill, and you'll be rid of old materials that need to be specially disposed.

FOR BOUNTIFUL RESIDENTS ONLY
