Water Conservation

Even though our water situation in Utah is much better than it was a few years ago, conservation of this precious commodity should still be on our minds. We can make sure we don't waste water by:

- Only watering outside between 6:00 p.m. and 10:00 a.m.
- Making sure your sprinklers are in good working condition and watering grass/vegetation - not the gutter or street.
- Only run clothes and dishwashers with full loads.
- Showering one minute less a day can save up to 1,875 gallons of water in a year.

Recycling 101

In December of 2022, the Bountiful City Streets and Sanitation Department took over the recycling program for Bountiful residents. Since then, City employees have collected nearly 3,000 tons of material from our curbside bins and delivered it to Rocky Mountain Recycling. About 10% of what is collected is contaminated with unrecyclable material including:

- green waste (that should go in your black can)
- small appliances
- processed wood (lumber, etc.)
- plastic bags - anything in the bin in plastic bags is automatically thrown out.

Recycle bags at a local store or donate to the food pantry. Make sure the lids to your bins are closed by cutting down anything that does not fit.

For more recycling info call 801.298.6175 or visit www.bountifulutah.gov/Sanitation.

Summer's in Full Swing!

The Farmer's Market at Town Square (75 East 200 South) is open every Thursday from 4:00 until 8:00 p.m. except July 4.

Free concerts in the park are every Friday (except July 5) at 7:00 p.m. through August 23 at City Park located at 400 North and 200 West.

Summerfest will be held at Town Square (75 East 200 South) on August 8-10. More information is available at bdac.org.

The Freedom's Light Festival will be September 19-21. More information at freedomslight.us.

HOLIDAY GARBAGE COLLECTION:

*Garbage and recycling are collected on **all** holidays **except** Thanksgiving Day, Christmas Day and New Years Day. Pick up is delayed after those holidays by one day the rest of the week with Friday routes being picked up on Saturday.

Defensible Space

Bountiful City experienced a wildfire on the east bench in August of 2019. As devastating as that was, it was a good reminder that we need to be prepared for extreme events at all times. Residents on the east bench can get a free assessment as to how much "defensible space" (a natural and/or landscaped area around a structure that has been maintained and designed to reduce fire danger) is around their home. Visit sdmetrofire.gov/fire-prevention for more information.
