Mayor's Corner: Happy New Year!

Happy New Year Bountiful residents! I was able to attend the inauguration of Governor Gary Herbert in January and it was a stirring experience to see our republic in action. The music was inspiring as the Mormon Tabernacle Choir sang "Battle Hymn of the Republic" in that colorful and spacious rotunda. Our governor took the oath of office and gave a personal speech filled with stories of experiences he's had and expressions of pride in our state and its people. He shared a practical and rosy prediction for our future with optimism and a smile.

I couldn't help feeling the same about Bountiful City and our residents. I have had other mayors tell me that "everyone wants a Bountiful address," and it is true. We are not a city of

big businesses that manufacture products, however, we appreciate where we live as we manufacture a wonderful quality of life. Oh yes, we are not without challenges, but we work hard to make the best decisions together.

So where are we headed in beautiful Bountiful? What will our future bring? Will our children want to live here when they grow up? How are we taking care of our aging population and how are we preparing for the next generation or two? Bountiful has and will move forward in a positive and wise way. My family has lived here for 37 years and we have seen dramatic changes in our population. Many of the older homes in the City are now occupied by young families who bring, as they always do, added enthusiasm and vitality to our

community.

The year 2017 will bring new experiences to all of us. Personally, I hope I can shed a few pounds, have a kind heart and use softer words. I want to be more tolerant of others and give more room for drivers to get in front of me. I am very optimistic about what lies ahead, and the fishing fly that is pinned to my jacket lapel reminds me that I am hooked on Bountiful and the very bright future ahead of us.

Bountiful's Spring Clean Up

Spring cleanup is April 3—7, 2017. On your regular garbage pickup day during that week, city crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied **with twine**. Each bundle, bag or box must not exceed 50 pounds. Concrete and construction materials will not be picked up curb side. All items, including old furniture or appliances, must be placed on the drive approach or park strip—not on the street or sidewalk. Spring cleanup items will be picked up by a special cleanup crew and may come by at a different time than the sanitation truck. Please have your cleanup items out for our crews to pick up **before 7:00 a.m. on your garbage day**.

Also, to assist you in your spring cleanup, the landfill will not charge Bountiful residents a fee (proof of residency required) during spring cleanup week and the following week (through April 15), so trash that does not comply with the above restrictions can be disposed of at no charge. Landfill fees will still be in place for concrete and construction materials during cleanup free weeks. The landfill does not accept hazardous materials, propane tanks or tires of any kind at any time.

APRIL

M	T	W	T	F
3	4	5	6	7

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY.

RY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Garbage containers should be placed at the curb before 7:00 a.m. on your regular pickup day. Lids must be closed when put out for collection.

LANDFILL SUMMER HOURS start April 1 and go through October 31. The landfill is closed on Sundays & holidays. Hours are Monday through Saturday from 8:00 a.m. until 6:00 p.m. Vehicles must be out by closing, so please plan accordingly. Please separate and place recyclable items in proper areas at the landfill.

Compost, which increases water retention in your soil, is now available at the landfill for spring gardening and is priced at \$35.00 per ton.

Cross Connection/Backflow Information

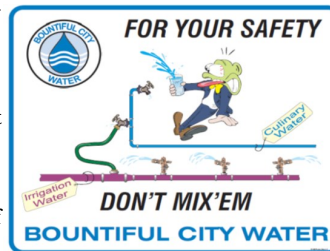

It is a violation of State Law to interconnect culinary and secondary water supplies. As you work with your sprinkler systems this spring, remember to avoid any form of cross connection. Allowing unsanitary secondary water to backflow into the culinary water system will result in the contamination of the public water supply.

A **cross connection** is any actual or potential arrangement between a public or consumer's culinary water system and any other source or system that may potentially introduce chemicals, fertilizers or untreated water into the potable water system. Here are some examples of how cross connection/backflow can happen:

Backpressure happens when the pressure of the contaminant source exceeds the positive pressure in the water distribution main. An example of backpressure contamination is when a drinking water supply main has a connection to a hot water boiler system that is not protected by an approved and functioning backflow preventer. If pressure in the boiler system increases to where it exceeds the pressure in the water distribution system, backflow from the boiler to the drinking water supply system may occur.

Backsiphonage is caused by a negative pressure (vacuum or partial vacuum) in the water distribution system. This situation is similar in effect to the sipping of water through a straw. Negative pressure in the drinking water distribution system can happen because of a water main break or when a hydrant is flushed or used for fire-fighting.

If you have questions or would like more information, please visit our website at www.bountifulutah.gov or call the Water Department at 801.298.6180.

Preparedness Seminar

Are you overwhelmed attempting to prepare for every disaster that could possibly happen? Come and learn how you can simplify your preparations by focusing on three scenarios:

- Walk Away
- Drive Away
- Stay At Home

The Bountiful City Emergency Preparedness Council will present a preparedness seminar on Tuesday, April 25, in the South Davis Junior High School Cafeteria, 298 West 2600 South, from 7:00-8:00 p. m.

Tami Girsberger, president and founder of preparemylife.com will speak on these three strategies to prepare your family for any disaster situation. Don't miss this opportunity!

It's A Great Feeling to Be Prepared!

Tour of Utah #3!

For the third year in a row, the Tour of Utah will once again travel through Bountiful City! The amazing participation of our citizens and the great show of support for the Tour in our City has helped to put Bountiful on the map. Once again, Stage 5 will finish in Bountiful on Friday, August 4. There will be opportunities to get involved as the race gets closer, and you can stay informed by visiting the TOU website at www.tourofutah.com.

Find it on Main!

Are you observant when you shop on Bountiful's Main Street? Do you recognize the location pictured here? If you do, you could win a \$50 gift certificate to one of our Main Street Merchants! Enter to win or get details at BountifulMainStreet.com - or you can link to it from the Bountiful City website (Community—Related Links).

The last "Find it on Main" winner was Jessica Sorenson. She choose a \$50 gift certificate to Touché.

Did you go to Stoker School?

The Bountiful Historical Foundation has been asked to help preserve the memory and legacy of Stoker School. We want the stories and memories of this iconic place to last forever. We need your help to do this.

The things we need include written personal memories, class pictures, pictures of events held there, any items in your possession from the school (or a picture of the item) and anything else that is connected to the school. For example, we would love to have stores that describe:

- Were you there when Santa's helicopter crashed?
- How about when future President Richard Nixon gave a speech on the lawn of the church across the street?
- Were you ever a "Junior Crossing Guard"?
- Did you have a yard stick experience with Principal Tolman?
- Were you a "Stoker Strider"?

Picture from the 1911 Bountiful High School yearbook—"The Youngster"

Please send your stories, pictures or other memorabilia or direct any questions to Stick Hill at 801.440.2610 or melbahill1@gmail.com.

Scouting for Food Drive & Gratitude

HOPE BEGINS HERE

The Bountiful Community Food Pantry would like to thank our generous community for all the holiday support that was provided through November and December. Community donations and help met all the needs for Sub-for-Santa and enough turkeys and hams were donated that all of our Pantry clients were able to receive one.

Please remember to put a bag or two of non-perishable food outside your front door on the morning of Saturday,

March 18, for local Scouts to pick up and deliver to the Pantry. The Scouting for Food Drive is the largest annual food drive and helps the Pantry greatly. Financial donations are also welcome and can be made in person or by mail at Bountiful Community Food Pantry, 480 East 150 North, Bountiful, UT 84010, or online at www.bountifulfoodpantry.org. For more information visit our website or call 801.299.8464.

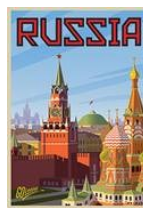

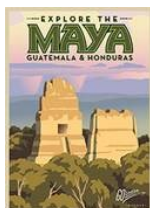

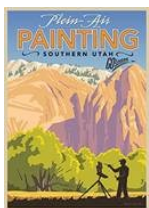

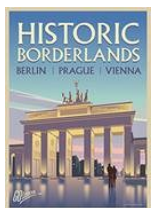

The Pantry is most grateful for the kindness of our community and the "Bountiful" support that is provided for those in need.

U of U Classes Available in Bountiful

The University of Utah is the gateway for students starting their college experience! Why travel to main campus in Salt Lake when you can earn your general education credits in downtown Bountiful at 75 East 200 South? Visit our website at <https://continue.utah.edu/bountiful/credit> for credit classes or <https://continue.utah.edu/bountiful/noncredit> for non-credit classes.

Register now for an **ACT Prep Class!** The classes will be held on Thursdays from March 2—30, from 5:30 to 8:30 p.m. Call 801.581.6984 to register or for information.

Check out the University of Utah's **Go Learn** edu-vacations. You can explore the world with hand-selected U of U faculty who are experts at bringing local and international destinations to life. As you travel with GO LEARN, you'll be immersed in an exciting new culture with like-minded travelers who share your passion for exploration. See continue.utah.edu/golearn/trips for edu-vacations offered this year.

History Museum

Bountiful will soon have a new museum. For the past six months, the Smedley Manor at 305 North Main has been remodeled and a large display gallery addition at the rear of the home is now finished. This is where the new Bountiful History Museum Learning Center will be and where patrons can come to learn about the history of

Bountiful and many other fascinating facts about our community. Exhibits and displays are being built to

tell this story—and we can use some help! If you are interested in helping put our museum together or becoming a docent, please call Tom Tolman at 801.292.1981. For any other information, please call 801.296.2060 and leave a message.

A soft opening is planned sometime this spring and a grand opening during Handcart Days in July. Come support our new Bountiful Museum.

Visit us on our website (www.bountifulutah.gov > Community > Related Links > Bountiful Historical Museum) or search Facebook for Bountiful Historical Tours 2012.
