

## **BOUNTIFUL CITY'S FALL CLEANUP\***

Fall cleanup is October 5<sup>th</sup> thru October 9<sup>th</sup>, 2020. During that week on your regular garbage pickup day, city crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in 5-foot lengths, bundled and **tied with twine**. Each bundle, bag or box must not exceed 50 lbs. Please separate metal items from your other debris as metal recycling crews will be picking up those items. Concrete and construction materials will not be picked up curb side. All items including old furniture or appliances must be placed on the drive approach or park strip, not on the street or sidewalk. Fall cleanup items will be picked up by **several special cleanup crews** and they may come at different times or days than your regular garbage collection. Different crews will be picking up different types of items. **All of your cleanup items may not be picked up at the same time.** Please have your cleanup items out for our crews to pick up **before 7:00 a.m. on your regular garbage day.**

Also, to assist you in your fall cleanup, the landfill will not charge Bountiful residents a fee during fall cleanup week or the following week (proof of residency is required). Trash that does not comply with the above restrictions may be taken to the landfill and disposed of at no charge during free cleanup weeks. Landfill fees will still be in place for concrete and construction materials during the free cleanup weeks. We do not accept hazardous materials, propane tanks or tires of any kind during cleanup week or at the landfill.

**COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.**

Garbage containers should be placed at the curb **before 7 A.M. on your regular pickup day.** Lids must be closed when put out for collection.
