

Bountiful City Response to COVID-19

March 18, 2020

As the effect of coronavirus (COVID-19) continues to evolve, Bountiful City is closely monitoring the situation and complying with recommendations given by the State of Utah and CDC. Protecting the health and safety of our employees and residents is our highest priority while we work to provide as many City services as possible during this time. Because of this, Bountiful City has begun limiting services and implementing additional precautionary measures to prevent the spread of COVID-19. Current updates to be aware of include:

- City offices will remain staffed and open, but we encourage residents to make every effort to conduct business via phone, e-mail, or online. No public tours of City facilities will be permitted at this time. [View City Phone Directory here.](#)
- The following events have been **cancelled**:
 - Spring Clean-Up is cancelled to protect the safety of City crews. However, the Landfill remains open and will still not charge Bountiful residents a fee April 6-18. Proof of residency is required.
 - Day of Service
 - USAF The Falconaires Jazz Band
 - Bountiful City Youth Council Egg Hunt
- Members of the public wishing to attend public meetings (City Council, Planning Commission and Administrative Committee) are encouraged to view the meetings online during this time. The link to view meetings live can be found on the [Bountiful City website homepage](#). If you wish to submit a comment for any of the listed public hearings, please email your comment to info@bountifulutah.gov.
- City parks information:
 - Parks remain open, however visitors are encouraged to practice appropriate social distancing.
 - All park restrooms remain closed at this time. Please plan accordingly.
 - The Brickyard Bark Park is scheduled to reopen the week of March 23.

Thank you for your patience and cooperation as we modify our operations due to changing circumstances.
