

# 400 North

## IMPROVED

Bountiful

### **Construction Update**

#### **February 13, 2017**

#### **Overall Project Update:**

Crews have completed paving the intersection at 200 West. Safety crossings on the south side of 400 North at this intersection are closed until the concrete has reached its strength. Crews plan to switch traffic as early the week of February 23, between 200 West and 500 West onto the new pavement with one lane in each direction and a center median. Mainline paving work remains at the intersection of Main Street and the I-15 Off-Ramp.

#### **Paving Update:**

- Main Street: Crews continue prepping this area in preparation for paving as early as Tuesday, February 14.
- I-15 Off-Ramp: Crews continue grading in preparation for paving as early as Monday, February 20.
- 200 West: Last week crews paved this intersection and the concrete is still curing. Once this area has reached its cure time, crews anticipate switching traffic on to the new pavement as early as the week of February 23.
  - East/West bound safety crossings at this intersection are closed until concrete has reach strength. Approximately 7-10 days remaining. Pedestrians are asked to use the north side of 400 North when possible.

The project team is using ground heaters, plastic sheeting, and other techniques to manage quality in cold temperatures. All paving is being tested to ensure standards are maintained.

Please Note: All paving activities are subject to change due to weather, material, equipment, or utility delays. Crews will work everyday the weather is above freezing and not actively raining or snowing.

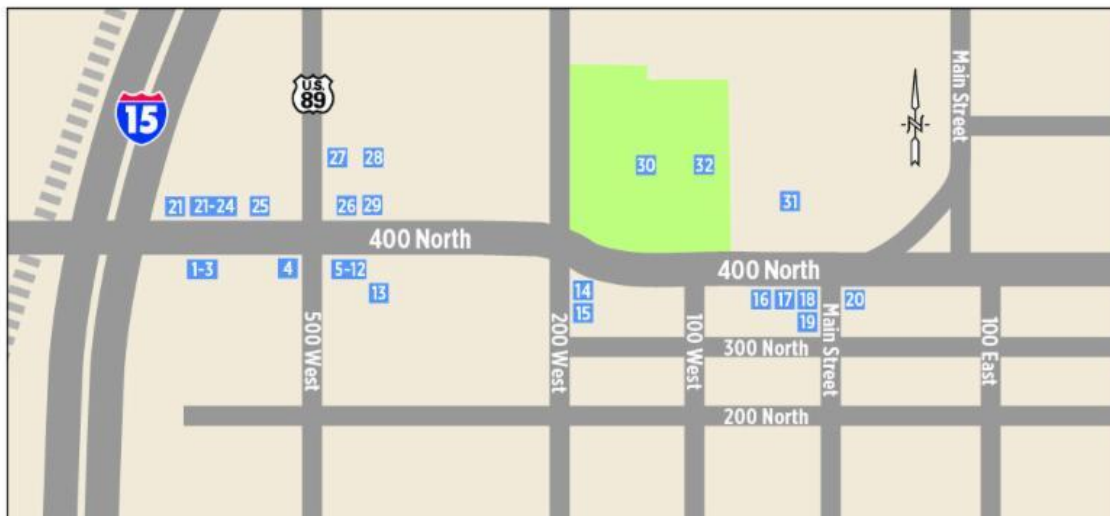

## Trash Pick-Up Reminder:

Beginning February 1, 2017 through the end of the project, residents will need to move trash bins as normal. Crews will no longer be moving bins as waste management trucks are able to access all bins on the corridor.

---

## Support Your Local Businesses on 400 North!

Construction can be hard on area businesses. Please continue to show your support for the businesses on 400 North. From gas stations, local eateries and spas, to nail services and chiropractic visits, 400 North has it all. Check out a full list below of all of the businesses on 400 North between I-15 and Main Street.
