October 2022

Our Fall cleanup is October 3rd through October 7th, 2022. The same restrictions will apply this fall as they did last spring. All debris must be bagged, boxed or bundled. LIMBS AND TREES MUST BE CUT IN 5-FOOT LENGTHS, **BUNDLED AND TIED WITH TWINE**. Bundles, bags or boxes must not exceed 50 lbs. Please separate metal items from your other debris as metal recycling crews will be picking up those items. Concrete and construction materials will not be picked up curbside. All items including old furniture or appliances must be placed on the drive approach or park strip, not the street or sidewalk. Fall cleanup items will be picked up by **several special cleanup crews** and they may come at different times or days than your regular garbage collection. Different crews will be picking up different types of items. **All of your cleanup items may not be picked up at the same time. Please have your cleanup items out for our crews to pick up before 7:00 a.m. on your regular garbage day.**

Also, to assist you in your Fall cleanup, the landfill will not charge a fee to Bountiful residents during Fall cleanup week and the following week (proof of residency is required). Trash that does not comply with the above restrictions can be taken to the Landfill and disposed of at no charge during cleanup weeks. Landfill fees will still be in place for concrete and construction materials during the free cleanup weeks. We do not accept hazardous materials, propane tanks or tires of any kind during the cleanup week or at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS NEEDS TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Thank you for your cooperation in this matter.

Sincerely,

Charles Benson
Street & Sanitation Director
