- Interactive map with layers to show schools, parks, zoning, trails, sanitation collection days and more.
- Business License applications.
- Sign Permit applications.
- Events Calendar – you can subscribe to this through Google.

Our Bountiful businesses are very important to our community. They give us great customer service, provide jobs for the residents of Bountiful, and are completely invested in our community. Take time to support these businesses by shopping local to help their businesses grow. This keeps the money in our community.

Support the Local Businesses who support the area where you live, work and play.

Sign Regulations

Bountiful City understands signs are important to your business. They help advertise sales, relay contact numbers, and even let The public know who you are and where you are located. It is our hope that this list can serve to remind you of common sign violations. By meeting the Code we not only ensure that everyone is playing by the same rules, but also prevents the City Code Enforcement from removing any illegally placed signs.

PERMANENT SIGNAGE

All permanent signs **require** a sign permit; the sign permit application can be found on the Bountiful City Website under Doing Business. More information about signage requirements can be found in Chapter 19 of the *City Land Use Ordinance* available on the City Website.

TEMPORARY SIGNAGE

A lot of businesses decide to use temporary signs to raise their profile. While temporary signs are allowed, you will want to make sure you are complying with the list below to ensure you don't have your signs taken down by the City.

- * Approved temporary sign shall be a banner, wall sign, A-Frame sign, or pedestal type sign. No other type of sign is permitted.
- * No sign shall be placed in the parkstrip with the exception of an A-frame sign which must be removed at the end of the day. A park strip is a strip of landscape that runs between a road and sidewalk.
- * Temporary signs may not be taller than 6 feet and fin/blade signs are not permitted in the City of Bountiful.
- * Temporary signs shall not be illuminated, flash, blink, spin, rotate, block traffic visibility or create a public nuisance.
