DECORATION POLICY

During Mowing Season

— April 1 thru November —

Cemetery regulations do not allow artificial decorations or potted plants during mowing season. Fresh, cut flowers are recommended. Glass containers, rocks and wires are not permitted.

- **On the first Monday* of each month:** EVERYTHING GROUND LEVEL; any decorations that do not comply with cemetery regulations will be removed.
- **Every Monday*:** dead, wilted, windblown, and unsightly decorations will be removed.
- **May:** Additional clean-up date in mid-May to prepare grounds for Memorial Day holiday. Date varies each year. Check with office or signs posted.

During Winter

— December 1 thru March —

- **Snow Permitting:** dead, wilted, windblown, and unsightly decorations will be removed.
- **February:** General Cleanup (date unscheduled—snow permitting).

*Please understand that we don't like to remove decorations,
but feel that it is necessary to enforce regulations in order to maintain the cemetery grounds efficiently.*
