Mayor's Corner: Bountiful's Bright Future

Happy New Year Bountiful residents! We are all so fortunate to live in this beautiful and friendly community. Wherever I go, people I meet tell me how fortunate I am to be the Mayor of such a wonderful City! It is true!

My number one goal as Mayor this second term is to help knit our community together as friends and neighbors with the spirit of kindness and service that Bountiful is known for. We have heard the universal praise for LDS President Thomas S. Monson after his recent passing. He lived 90 years giving kindness and service to others every day—a great example to all. And, along with that goal is the goal for the City and Council to reach out to you, the residents

in our community, to share ideas for Bountiful's future.

I also look forward to finishing the great projects already happening. Creekside Park is completed and will open in the spring. With the input from Bountiful residents we've received, I expect that the Plaza south of the Tabernacle downtown will at least begin construction and will be the "gathering place" for all of us. We will likely begin designs for the remodel of our current City Hall as well. All big projects!

I want to thank former Councilman John Pitt for his service on the Council these past four years and the years he served before. He was an involved, concerned representative for you. I also

look forward to working with our new Councilman Chris Simonsen. He will be a wonderful addition to our Council! Read more about Councilman Simonsen on page 3.

Finally, I pledge to continue to work hard these next four years to accomplish these important goals, and I hope we can all work together in 2018 to keep Bountiful the best!

Bountiful's Spring Clean Up

Spring cleanup is April 9-13, 2018. On your regular garbage pickup day during that week, City crews will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut in five-foot lengths, bundled and tied **with twine**. Each bundle, bag or box must not exceed 50 pounds. Concrete and construction materials will not be picked up curb side. All items, including old furniture or appliances, must be placed on the drive approach or park strip—not on the street or sidewalk. Spring cleanup items will be picked up by a special cleanup crew and may come by at a different time than the sanitation truck. Please have your cleanup items out for our crews to pick up **before 7:00 a.m. on your garbage day**.

Also, to assist you in your spring cleanup, the landfill will not charge Bountiful residents a fee (proof of residency required) during spring cleanup week and the following week (through April 21), so trash that does not comply with the above restrictions can be disposed of at no charge. Landfill fees will still be in place for concrete and construction materials during cleanup free weeks. The landfill does not accept hazardous materials, propane tanks or tires of any kind at any time.

APRIL

M	T	W	T	F
9	10	11	12	13

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY.

RY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

Garbage containers should be placed at the curb before 7:00 a.m. on your regular pickup day. Lids must be closed when put out for collection.

LANDFILL SUMMER HOURS start April 1 and go through October 31. The landfill is closed on Sundays & holidays. Hours are Monday through Saturday from 8:00 a.m. until 6:00 p.m. Vehicles must be out by closing, so please plan accordingly. Please separate and place recyclable items in proper areas at the landfill.

Compost, which increases water retention in your soil, is available at the landfill for spring gardening and is priced at \$35.00 per ton.

Cross Connection/Backflow Information

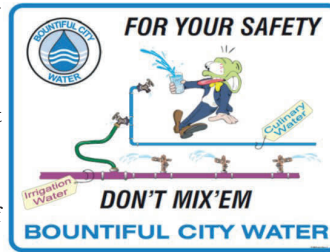

It is a violation of State Law to interconnect culinary and secondary water supplies. As you work with your sprinkler systems this spring, remember to avoid any form of cross connection. Allowing unsanitary secondary water to backflow into the culinary water system will result in the contamination of the public water supply.

A **cross connection** is any actual or potential arrangement between a public or consumer's culinary water system and any other source or system that may potentially introduce chemicals, fertilizers or untreated water into the potable water system. Here are some examples of how cross connection/backflow can happen:

Backpressure happens when the pressure of the contaminant source exceeds the positive pressure in the water distribution main. An example of backpressure contamination is when a drinking water supply main has a connection to a hot water boiler system that is not protected by an approved and functioning backflow preventer. If pressure in the boiler system increases to where it exceeds the pressure in the water distribution system, backflow from the boiler to the drinking water supply system may occur.

Backsiphonage is caused by a negative pressure (vacuum or partial vacuum) in the water distribution system. This situation is similar in effect to the sipping of water through a straw. Negative pressure in the drinking water distribution system can happen because of a water main break or when a hydrant is flushed or used for fire-fighting.

If you have questions or would like more information, please visit our website at www.bountifulutah.gov or call the Water Department at 801.298.6180.

Preparedness Seminar—March 27

Shaking things up! What is Utah's earthquake risk and what can you do now to prepare?

Bob Carey, Earthquake Program Manager for the Utah Division of Emergency Management will talk about fault maps, structural integrity of homes and other buildings, what to expect due to earthquake shaking and the hazards and magnitudes of aftershocks.

Maralin Hoff, the Earthquake Lady trainer from Be Ready Utah will discuss safe areas and how to protect yourself wherever you are, creating a kit for every member of your household including pets, making and practicing an emergency plan with your family and how to stay informed and communicate during a disaster to get vital information.

This preparedness seminar/presentation is sponsored by the Bountiful City Neighborhood Emergency Preparedness Council and will be held on Tuesday, March 27 in the South Davis Junior High School Cafeteria, 298 West 2600 South, from 7:00-8:00 p.m. Additional parking is available at the LDS church located at 2651 South 500 West. Visit the preparedness website at <http://bountifulprep.org>.

We want your input!

Bountiful City has recently teamed up with Qualtrics, a software data collection company, to offer online surveys to get feedback from Bountiful residents. Please visit our website at

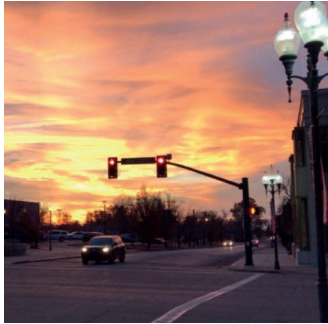

www.bountifulutah.gov to sign up to receive notification of surveys that you would like to participate in. Your information will remain confidential and you can opt out at any time!

If, for any reason, you are unable to access the survey online, or would like help with the survey process, we are happy to help! Please contact Annette Hanson in Community Development at 801.298.6195 or ahanson@bountifulutah.gov. Thank you to those who have participated already!

Find it on Main!

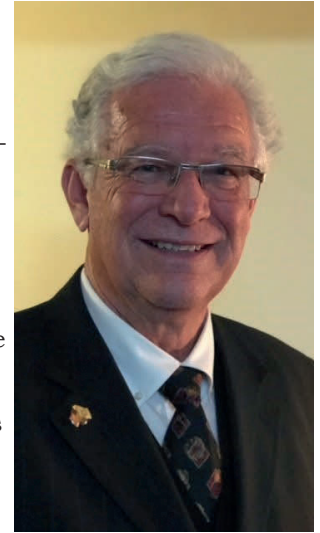

Find us on Facebook @bountifulmainstreet and look for this picture, then comment with your favorite Bountiful Main Street business to enter to win a \$50 certificate to that business!

Last month's winner was Andrea Jackson!

Meet Councilman Chris R. Simonsen

Councilman Chris R. Simonsen chose to live and run a pediatric dental practice in Bountiful 37 years ago. He and his wife, Karen, raised their six children here and now watch 11 grandchildren thrive in this same community. Councilman Simonsen is a member of the Bountiful Rotary club, was instrumental in the starting the "Coats for Kids" car show held annually here in Bountiful, and has continued to chair the event for 20 years. He applauds the Bountiful community for its generosity. He served in the Army during the Vietnam War as a Captain in the Dental Corps, and is a member of the Board of Directors of the Professional Insurance Exchange. In his spare time, he tends to his backyard chickens, vegetable and flower gardens and his family! He is honored to represent Bountiful citizens on the Bountiful City Council.

Scouting for Food Drive {March 17} & Gratitude

Please remember to put a bag or two of non-perishable food outside by your front door on the morning of

Saturday, March 17, for local Scouts to pick up and deliver to the Bountiful Community Food Pantry. The Scouting for Food Drive is the largest annual food drive each year and helps the Bountiful Food Pantry greatly. Financial dona-

tions are also welcome and can be sent to or dropped off at the Bountiful Community Food Pantry, 480 East 150 North, Bountiful, UT 84010. Go to www.bountifulfoodpantry.org to make a donation online or call 801.299.8464 for more information.

The Pantry is very appreciative of all the help we receive from our generous community and would like to thank everyone who donated in any way during the November and December 2017 holiday season. Through community donations and help, all the needs

for Sub-for-Santa were met and enough turkeys/hams were donated that all Pantry clients were able to receive one. The Pantry is most grateful for the kindness of our community and the support that is provided for those in need. Go to www.bountifulfoodpantry.org to get information on service opportunities, the Davis County 'No Hunger Zone' which is fighting child hunger and a list of the most needed items at the Pantry.

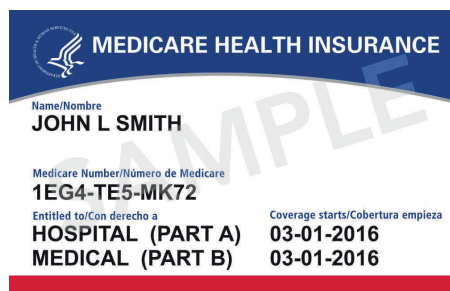

Medicare 101 Classes

If you are turning 65 or preparing to retire and have questions about Medicare, join us to get information about eligibility, enrollment and benefits. For more information, call Jackie Smith at 801.525.5082. Sponsored by the Davis County Health Department's Senior Services.

Classes are FREE and will be held at the following locations:

February 13	6:30-7:30 p.m. at the Clearfield Library
March 14	6:30-7:30 p.m. at the Centerville Library
April 9	6:30-7:30 p.m. at the Kaysville Library
May 16	6:30-7:30 p.m. at the Clearfield Library

Bountiful's Got Talent Auditions Announced!

Audition dates for Bountiful's Got Talent will be on Thursday, May 10 from 6:00 to 8:00 p.m., Saturday, May 12 from 2:00 to 5:00 p.m., and Thursday, May 17 from 6:00 to 8:00 p.m.

Auditions will be held at the Joy Foundation Studio, 55 North Main St., Bountiful, UT. The finalists audition date will be announced later, and finalists will perform in concert on June 23 at 7:00 p.m., in the Bountiful City Park, 200 West and 400 North. Auditions will also be posted on our Facebook page—search for Bountiful City's Music in the Park.

For more information and/or questions, please contact the Joy Foundation at 801.797.9386 or call Richard Watson at 801.540.3146.
