# City Manager Letter

The Honorable Randy Lewis, Mayor  
Members of City Council

Dear Mayor and City Council,

We present you with Bountiful City's consolidated budget for Fiscal Year 2021-2022 which begins on July 1, 2021 and ends on June 30, 2022. This budget is presented for adoption as the City's Tentative Budget prior to public hearings scheduled for June 22, 2021. This consolidated budget is balanced with respect to revenues and expenditures/expenses as a result of the process used to develop the budget. This process is guided, as in previous years, by a collaborative effort of our elected officials and City staff with a continuing shared goal of keeping Bountiful City financially stable, fiscally balanced, and diverse both now and in the future. Also included in the budget are the Council's updated policy priorities upon which the budget is structured.

In the pages that follow, you will find sections for each department of the City, including narrative descriptions and budget data for each department's operational and capital plans along with sections for fees and charges and long-term capital plans for City Departments. The consolidated document also includes budgets for the Revolving Loan Fund and Operating Fund of the Bountiful Redevelopment Agency (RDA). The RDA is organized and operates as a separate legal entity under State law being governed by a board of directors with the City Council sitting as the board of directors as specified in State law. For reporting purposes, the RDA is reported in the consolidated budget document and the City's Comprehensive Annual Financial Report (CAFR) as a Special Revenue Fund. The RDA's budget (while being included for reference in the consolidated budget document) is presented under a separate approval and adoption process from the City's budget. The Municipal Building Authority of Bountiful (MBA) which appeared in previous year budget documents was closed out at the end of Fiscal Year 2020-2021.

The financial well-being and budget of the City are subject to the external forces of mandates imposed by Federal and State laws and regulations, along with changing economic conditions. These competing forces must then be balanced against the need for maintaining services and acceptable conditions of City assets such as equipment, public buildings, roads, water lines, power facilities and valued community amenities. Striking a balance between competing external forces and City needs will, from time-to-time, result in a need for adjustment to fees, charges and other funding mechanisms. Management seeks always to maintain a solid financial base, a fundamental pay-as-you go philosophy for most financing needs and to keep taxes and fees low but consistent with maintaining services and the condition of public assets.

The budget contains no general property tax increase but there are increases in certain City fees and charges which are designed primarily to maintain service levels and the condition of infrastructure.

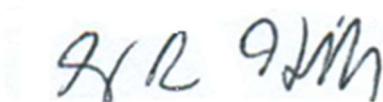

Budgets are developed from the base established in the previous year. Personnel Services increases stem from adjustments in the rates for health insurance (with no increase over the prior year) a 2% cost of living allowance, and compensation adjustments for merit based pay or market adjustments (for those eligible). Operations and Maintenance expenditures are subject to adjustments for such items as utility costs, maintenance agreements and the like. Capital expenditures are based on the need for replacement of infrastructure in accordance with the long-term capital plan of the City.

As noted previously, this document is presented for adoption as the Final Budget of the City, and when adopted in Final form, can be used as a comprehensive guide for the budgeted services scheduled to be provided for the residents and patrons of Bountiful City for review and reference by City departments, elected officials and the public. The Government Finance Officers Association of the United States and Canada (GFOA) presented a **"Distinguished Budget Presentation Award"** to the **City of Bountiful, Utah** for its annual budget for the fiscal year beginning **July 1, 2020**. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. The City has now received the Distinguished Budget Presentation Award for four consecutive years and expects to receive the award for a fifth year.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award. The GFOA budget award program is similar in nature to the **"Certificate of Achievement for Excellence in Financial Reporting Program"** which has been awarded to Bountiful City for the City's Comprehensive Annual Finance Report (CAFR) since 1981.

City Management, Department Heads and Staff all convey their collective appreciation for the efforts and support of the Mayor and Council in the budgeting process. We look forward to an upcoming successful year for Bountiful City.

Respectfully,

Gary R. Hill  
City Manager

Galen D. Rasmussen, CPA  
Assistant City Manager

# Budget Summary

## Overview:

Bountiful City's budget is comprised of 30 departments within 17 funds. General tax supported activities include administration, police, fire, parks, and streets. Fee supported activities include recycling, storm water, water, electric power, golf, landfill, sanitation, and cemetery. There are also specialized funds to account for activities such as general liability, workers compensation insurance, centralized computer operations and Recreation Arts and Parks (RAP) Tax. The summary below and those that follow do not include the Redevelopment Agency (RDA) which is a separate legal entity. However, the RDA's budgets are included for reference.

# Legal Department

## Department Description

The Legal Department is composed of the City Attorney, City Prosecutor, Victim Advocate, and two Administrative Assistants. The Department is responsible for ensuring the City is operating in a lawful manner and is responsible for all legal business of the City. The City Attorney serves as legal advisor to the Mayor, City Council, City Manager, Department Heads, and Boards of the City and attends all City Council and Planning Commission meetings. The Department is responsible for maintaining and updating the City Code and the Personnel Policies & Procedures Manual and prepares or reviews all ordinances, resolutions and contracts involving the City. All claims against the City are handled by the City Attorney. The City Prosecutor prosecutes all traffic and misdemeanor offenses occurring in Bountiful City in the Second District Court.

## Major Roles & Critical Functions

- Provide policy and legal advice to help staff and City officials make sound legislative and administrative decisions.
- Participate in problem-solving to help resolve matters that impact the City.
- Attend all City Council and Planning Commission meetings and advise the Mayor, City Council, City Manager, and staff on legal matters affecting their responsibilities and the City.
- Appear in courts of law and represent the City in civil litigation matters including discovery, trials, oral arguments, interrogation of witnesses, and preparation of exhibits and briefs.
- Administer the Liability and the Workers Compensation programs of the City.
- Prosecute all misdemeanor crimes occurring in Bountiful City in the Second District Court.

## Fiscal Year Priorities

- Defend City in existing civil litigation and open claims.
- Work closely with Planning Department to support Planning Department operations and projects and provide general counsel for legal and policy matters.
- Minimize risk to the City through education and training including manager and supervisor training and physical inspections of City facilities.
- Work with other Departments to issue general obligation bonds for a new park as authorized by Bountiful Citizens.
- Participate in various legislative policy groups involved with legislation affecting municipalities.

# Information Technology Department

## Department Description

The Information Technology Department is responsible for the installation, maintenance and protection of all computer and network equipment servicing Bountiful City operations. This includes the management of servers, data storage, network switches, firewall equipment, telephones, wireless communications, cameras, building security and cabling (copper and fiber). A redundant fiber-optic loop connects seven buildings in the downtown area. Outlying area are connected via wireless point-to-point antennas. We collaborate with every department on the analysis and purchase of all new equipment or programs. Our goal is to provide all city employees with the latest technology which will enable them to make informed decisions. By using reliable state-of-the-art technology, departments will increase productivity and improve the quality of services provided to the citizens of Bountiful.

## Major Roles & Critical Functions

- Ensure the security and integrity of all data and computer systems
- Deliver the highest-availability network and telecommunications equipment
- Provide support and training to city employees
- Research emerging technologies and evaluate the possible application within the City
- Maintain all servers, data storage, network equipment, computers, phones, cameras, etc.

## Fiscal Year Priorities

- Improve network security by implementing a recent Comprehensive Network Security and Vulnerability Assessment
- Build on our comprehensive Disaster Recovery and Business Continuity Plan
  - Expansion of our system security and data backup / restoration processes
  - Increase of security
- Collaborate with administration and elected officials on the development of a fiber-to-the-home project
- Complete migration of our entire network to a new domain: This will culminate with the upgrade of the Munis Financial software

# Finance Department

## Department Description

The Finance Department primarily serves other departments and elected officials of the City in a support function that helps those departments and leaders make informed decisions and more effectively accomplish their responsibilities. We perform financial and reporting functions for all operations of the City of Bountiful and the South Davis Recreation District (SDRD) including: accounts payable, accounting, safeguarding of assets through accountability, internal and external reporting for departmental and overall City management, annual audits and financial reports, financial analysis, bonding and financial work for adequate oversight as deemed necessary by the governing body and management. Staffing includes four full-time employees and one part-time employee.

## Major Roles & Critical Functions

- Educate, train, and create policies and procedures focused on maintaining financial stability
- Ensure the City is compliant with all financial requirements of the State and other regulatory bodies
- Accurately account for City operations and provide required financial reports
- Provide financial analysis and data needed to facilitate informed decision making of City departments and the City Council

## Fiscal Year Priorities

- Implement the Government Accounting Standards Board's (GASB) statement number 87 on leases
- Work alongside the Executive and Legal departments to issue a general obligation bonds, as authorized by the voters in the 2020 election
- Work alongside Information Technology and Treasury staff to upgrade the City's operating software (Munis) to a newer version as the current version is set to expire in the next year
- Attend additional City software trainings to ensure we are able to take advantage of all software capabilities, efficiencies, and enhancements

## Finance Organizational Chart

# Treasury Department

## Department Description

The Treasury Department serves as the primary interface for Bountiful City and our customers in utility billing services by telephone and the customer service desk. We perform utility service setups, billing, disconnects, payment processing, and overall customer service. In our Treasury function, we deposit, safeguard, and invest the funds collected from all city operations utilizing the principles of safety, liquidity, and yield on investments. We also perform various accounting and reporting functions for the South Davis Recreation District. Our staff consists of 5 full time and 2 part time employees.

## Major Roles & Critical Functions

- Provide world class friendly customer service: account set-ups, disconnects, accurate billing and payment processing, telephone and walk in inquiries.
- Maintain adequate liquidity to meet current cash flow needs of the city.
- Safely maximize return on the city's investment portfolio by taking advantage of investment opportunities.
- Provide accurate and timely information regarding Bountiful City's deposits and investments to the Mayor Lewis, the City Council, and State regulatory bodies.

## Fiscal Year Priorities

- Successfully implement utility billing software updates and train staff on the updates.
- Take advantage of software and other training opportunities to improve efficiencies of operations.
- Take advantage of investment opportunities by monitoring economic activity and investment offerings to maximize return and limit negative impacts of the changing economy.

# Police Department

## Department Description

The police department has the responsibility to enforce federal, state, and local laws and to provide assistance related to matters of public safety. We accomplish this by providing the following services: patrol officers, detectives, “POP” officers, metro narcotics officer, school resource officers, multiagency dispatching, records services, evidence custodian and school crossing guards. We collect revenue to cover a portion of these services including; dispatch, school resource officers, metro narcotics officer, DUI enforcement, Second District Court building lease and miscellaneous state and federal grants and reimbursements.

## Major Roles & Critical Functions

- Enforce federal, state and local laws.
- Provide public safety for the residents of Bountiful and all who visit our city.
- Provide dispatch services for five police agencies and the fire district.
- Provide management services for emergencies that arise in the city.
- Records management services by providing reports/records for various government agencies and the public.

## Fiscal Year Priorities

- Begin transition to a new CAD/RMS/Mobile software.
- Replace, train and develop new supervisory staff due to Chief Ross’ retirement.
- Continue countywide discussions regarding dispatch services.
- Complete the Utah Chief’s of Police Association Accreditation Program.
- Promote healthy practices to maintain a healthy workplace amid the Covid-19 pandemic.

# Police Organizational Chart

# South Davis Metro Fire Service District

## Department Description

Bountiful City is a member of the South Davis Metro Fire (SDMF) Service District. SDMF provides fire and paramedic services for the communities of Bountiful, North Salt Lake, Woods Cross, West Bountiful, Centerville and a small portion of unincorporated Davis County. The District is a separate Special Service District with taxing authority. Funding for SDMF comes from a variety of source including an annual assessment from each member city.

## Major Roles & Critical Functions

- Fire protection services.
- Paramedic and emergency response.
- Wildland fire prevention and protection.

## Fiscal Year Priorities

- Hold a Truth in Taxation hearing for paramedic services. This increase will be offset to residents by elimination of the County's paramedic tax rate.
- Consider an additional tax increase for three additional positions: two for training and one to manage the department's logistics, buildings, equipment, vehicles, and apparatus.
- Replace the station alert system which is outdated and no longer supported.

# Streets Department

## Department Description

The Street Department's responsibility working with the City Council and Administration is to establish a Pavement Preservation Plan for our 160 miles of roads. Organizing and accomplishing the planned projects using economical and environmentally responsible methods. Bountiful City is one of the few cities that installs asphalt roads at a great cost saving for our residents. We provide Snow removal for the safety of all Bountiful residents. Evaluate and upgrade all city street signs and road markings to meet Manual Uniform Traffic Control Device (MUTCD) standards. Provide and staff our maintenance facility and fuel to all city departments, South Davis Recreation Center, Golden Years Center, and South Davis Metro Fire. To provide this level of service, we work closely with Storm Water, City Shops Mechanics, and Sanitation, as well as all other City Department.

## Major Roles & Critical Functions

- Maintain and improve the city road network of 160 miles in the most cost-effective way possible.
- Professionally repair damages to the public right of way network caused by utilities.
- Maintain all road marking and signs to meet State and Federal standards.
- Clear the roads of snow and ice for the safety of all residents of Bountiful.
- Shop Mechanics maintain all city department fleets, South Davis Metro Fire and supply fuel to all departments.

## Fiscal Year Priorities

- Road reconstruction. 1000 North - 200 West to 500 West -- Contractor.
- Road overlays – 5.2 miles -- City crew. 1.9 miles –Contractor.
- Pavement preservation – 11.6 miles –Slurry seal. 2.4 miles – HDMB.
- Road repairs due to water lines and other utilities replacements.
- Purchase 2 replacement plow trucks and complete grant requirements for partial reimbursement.

# Engineering Department

## Department Description

The Engineering Department provides planning, design, and administrative services for the construction and maintenance of City owned utilities and facilities. Staff members assist other City departments and elected officials of the City in a support function that helps those departments and leaders make informed decisions and more effectively accomplish their responsibilities. The department also provides oversight and review of new residential and commercial developments in the City. The Department also provides professional services for surveys of publicly owned properties, implementation, and management of environmental programs, and issuing building permit and providing inspection services. Staffing includes seven full-time employees and two part-time employees.

## Major Roles & Critical Functions

- Identify critical infrastructure needs for culinary water, storm drain, street maintenance and other City facilities.
- Implement projects identified in the 10 year capital plans of the City's Public Works Departments.
- Provide development review for residential and commercial projects in the City.
- Review proposed development proposals for residential and commercial projects.
- Review building permit applications, determine permit fees and provide building inspections for commercial and residential projects.

## Fiscal Year Priorities

- Bid and Construct the 1000 North Street Reconstruction Project
- Bid and Construct the extension of Eagle Ridge Drive from Bountiful Boulevard to the end of the asphalt pavement near the "B".
- Develop plans for construction of a new trailhead in North Canyon and assist in the implementation of the trails master plan.
- Develop and implement the design process for the proposed park at the former Washington Elementary site.
- Monitor the Bountiful Town Square and City Hall projects during the first full year of operations.

# Parks Department

## Department Description

Bountiful City Parks Department has six full time staff and hires up to 24 seasonal staff during the summer months. The Department is responsible for maintaining the City's parks, streetscapes, facility landscapes, trailheads, open spaces, and other City owned properties. We assist in the scheduling, planning and operation of annual City sponsored events and over 400 private events which are hosted in the parks and pavilions. Staff members facilitate the use of the park's sport facilities for youth and adult sport leagues and other outdoor recreation activities. In the winter months the Department is tasked with snow removal on City sidewalks and facility parking lots.

## Major Roles & Critical Functions

- Maintain City Parks, Streetscapes, Open Spaces, and Trails using best industry practices to a clean, green, and safe standard
- Plant and maintain flower beds throughout Bountiful for community wide beautification
- Provide well maintained City sports fields, courts, and facilities for regional cooperation with Recreation Districts, School Districts, private organizations, community based service groups and families
- Collaborate and assist with Special Event scheduling, organization, and management with regional Recreation Districts, School Districts, Non-profit organizations, community based service organizations, local businesses, and families
- Support and assist with the implementation of the Bountiful Trails Masterplan through the planning, design, construction, and maintenance of trails and trail networks

## Fiscal Year Priorities

- Improve the overall maintenance of City Parks, Open Spaces, Flowerbeds, and Trails. Keep them Clean, Green, and Safe
- Assist in the expansion, development and design of Washington Park
- Assist with the planning, design, and construction of the North Canyon Trailhead and single track trail
- Install irrigation system at 500 South and I-15 off ramp
- Resolve irrigation and turf issues at Foss Lewis Park

# Planning Department

## Department Description

The Bountiful City Planning and Economic Development Department works with residents, property owners, business owners, and others to create a desirable place to live, work, plan, and do business. The Department oversees planning, economic development, and code enforcement. Department activities include reviewing development applications for compliance with applicable Land Use Codes; responding to resident questions; all aspects of long-range, current, and transportation planning; and coordinating and presenting

items to residents, groups, consultants, property owners, and developers. The Department is responsible for comprehensive plan development and oversight. Regarding economic development the Department develops, promotes, and implements a variety of short- and long-term economic development plans; and evaluates a variety of incentives for growth and expansion of businesses and industry in Bountiful.

## Major Roles & Critical Functions

- Administer the Land Use Code, and promote the General Plan and best planning practices by informing and educating the general public, the development community, and other City Departments.
- Prepare staff recommendations for City Council, Planning Commission, Administrative Committee, and Trails Advisory Committee review and consideration.
- Develop, coordinate, and manage redevelopment activities and programs.
- Respond to all zoning enforcement complaints and work with residents and property owners to obtain compliance with the Land Use Code.
- Process business license applications in a courteous, helpful, and efficient manner.

## Fiscal Year Priorities

- Re-arrange funds to create a full-time regular position to maintain enhanced work programs and current workload.
- Comprehensive General Plan update.
- Redevelopment and evolution of Main Street.
- Currently managing the Bountiful Farmer's Market and formulating a long-term plan.
- Begin to implement the adopted Bountiful Trails Master Plan.
- Provide continued support and coordination of the Bus Rapid Transit corridor.

# Debt Service Fund

## Department Description

The Debt Service Fund accounts for resources that will be used to service general long-term debt of the City. This is debt of a general nature rather than debt specifically applicable to Enterprise Funds, which is accounted for within those respective funds of the City.

## Major Roles & Critical Functions

- Account for resources from debt issuance and outstanding debt of a general nature of the City.

## Fiscal Year Priorities

- To prepare for the eventual issuance of General Obligation debt for the acquisition and development of a ten acre recreation property and trail system within the City.

## Operational Budget Highlights

### Operations and Maintenance

The City has had no general outstanding debt since fiscal year 2016-2017. As such, this fund currently has very little activity.

### SPECIAL REVENUE FUNDS:

- Recreation, Arts & Parks (RAP) Tax Fund
- Redevelopment Agency (RDA) Funds
- Cemetery Perpetual Care Fund
- Landfill Closure Fund

# RAP Tax Fund

## Department Description

The Recreation, Arts, and Parks (RAP) Tax is a voter-approved sales tax of one tenth of one percent (0.01%). Originally approved by voters in 2007 and reauthorized in 2014, the Tax is used to fund park, recreation, art, and cultural projects and ventures. The current authorization, which ends March 31, 2026 is allocated as follows: 75% for the construction of Creekside Park (completed); 14% for city recreation projects, and 11% for grants to art and cultural organizations.

If residents reauthorize the RAP Tax in 2016, additional funding will be available for the following 10 years. That revenue would be well spent by reinvesting in existing parks and recreation infrastructure. Future (potential) projects with that philosophy in mind are identified in the 10-Year Capital Plan.

## Major Roles & Critical Functions

- Help the City Council develop criteria for prioritizing expenditures.
- Monitor revenues and expenses each year.
- Fund improvements as funds allow consistent with the Council's priorities.
- Consider projects to be recommended to the public for future RAP Tax authorizations.

## Fiscal Year Priorities

- Conduct a grant process for the 11% of revenues dedicated to art and cultural organizations.
- Complete the design and construction of North Canyon Trailhead.
- Improve the lower Ward Canyon trail.

# Redevelopment Agency (RDA) Funds

## Department Description

The Redevelopment Agency (RDA) of Bountiful City is a separate agency authorized under State Law Title 17C known as the Limited Purpose Local Government Entities-Community Development and Renewal Agencies. The purpose of this agency is to facilitate redevelopment efforts in designated areas and to administer projects/programs to assist in economic development, community development and renewing urban areas. The RDA of Bountiful City assists in redevelopment efforts by encouraging private and public investment in previously developed areas that are underutilized and/or blighted. The Planning and Economic Development Director also functions as the RDA Director.

## Major Roles & Critical Functions

- Administer the Economic and Business Enhancement Revolving Loan Program.
- Work with City Manager to allocate and plan future RDA funds towards various infrastructure projects.
- Prepare staff recommendations for the RDA Board of Directors' review and consideration.
- Develop, coordinate, and manage redevelopment activities and programs.

## Fiscal Year Priorities

- Revitalization of Main Street Plat A.
- Develop, promote, and implement a variety of short- and long-term economic development plans/programs.
- Continue to provide assistance and support towards the redevelopment efforts of Renaissance Towne Centre.
- Expansion and renewal of historic Main Street pedestrian and lighting improvements.

# Cemetery Perpetual Care Fund

## Department Description

The Cemetery Perpetual Care Fund accounts for specific resources that are committed in use for the general care and maintenance of the City's cemetery by City policy. This fund receives its revenue through a fixed dollar amount of the sale of each cemetery lot. It is anticipated that this fund will accumulate these proceeds until all cemetery lots have been sold and will then use them for the perpetual care and maintenance of the cemetery.

## Major Roles & Critical Functions

- Accumulate and secure sufficient resources to properly care for the Bountiful City cemetery after all lots have been sold
- Manage cemetery care operations once all lots have been sold

## Fiscal Year Priorities

- Properly account for all perpetual care fees
- Monitor interest earnings and perform the proper accounting

## Operational Budget Highlights

# Landfill Closure Fund

## Department Description

The Landfill Closure Fund accounts for specific resources that are restricted in use to aid with the estimated environmental remediation costs to close the City's landfill when it reaches its full capacity. This fund specifically accounts for the corpus, plus accumulating interest earnings, from third-party settlement payments. It is not anticipated that this fund will receive any additional revenues except through investment income. These restricted funds are only to be used to plan and provide for final cover placement, grading, gas control systems, final compaction, vegetation establishment, and long-term care after closure. Post-closure care may include maintaining final cover, managing storm water, collecting and managing leachate, groundwater monitoring, gas monitoring and management and record keeping. The closure of the landfill due to capacity utilization is currently estimated to occur in 30 years.

The City also continues to build cash reserves for its estimated landfill closure costs in the Landfill and Sanitation Fund. These reserves are built from the City's Landfill and Sanitation operations.

## Major Roles & Critical Functions

- Safely secure the restricted resources until its use will be needed for the landfill closure and post-closure maintenance
- Help fund landfill closure and post-closure operations

## Fiscal Year Priorities

- Monitor interest earnings and perform the proper accounting

# Recycling Fund

## Department Description

The Recycling Department is tasked with diverting recyclable materials from the landfill. This is accomplished by contracting out curbside biweekly pick up and delivering to a local Materials Recovery Facility (MRF). The MRF sorts and bales the recyclables by material type for reuse. The MRF will sell the bales to both national and international recyclers who turn the recyclables into new products.

## Major Roles & Critical Functions

- Educate the residents on what can and cannot be recycled.
- Continue to divert recyclables from the landfill.
- Do our part to preserve the environment.

## Fiscal Year Priorities

- Adjust collection rates from \$2.75 to \$3.75 per can.
- Transfer funds (\$95,000) from landfill to cover Materials Recovery Facility processing costs.
- Continue to work with MRF on recyclable contamination reduction.

# Storm Water Fund

## Department Description

The Storm water department is tasked with maintaining and improving the 71 miles of drain lines, 23 detention basins and hundreds of inlets. Complying with State and Federal EPA guidelines for storm water quality. Educate the community to keep contaminants out of the system and improve storm water discharge quality to the wetlands.

## Major Roles & Critical Functions

- Clean 320+ miles of gutters leading to inlets four times a year.
- Inspect and clean 10% Storm Drain lines yearly.
- Repair defects found in the system.
- Look for ways to improve the storm water collection system.
- Educate the community regarding storm water pollution prevention.

## Fiscal Year Priorities

- Storm Drain upgrade 200 East – 300 South to 100 South
- Storm Drain extension 400 South – 100 East to 200 East.
- Storm Drain replacement Main Street 1350 North to Pages Lane.
- Purchase replacement road sweeper and work truck.
- Hire additional equipment operator for department.

## Department Description

The Bountiful Water Department provides high-quality drinking water to the residents at the most economical price possible. Staff members are state certified and trained to meet and comply with the water quality standards set by State, EPA and local Health Department, and performs all the necessary sampling and reporting required. Department staff are responsible for maintaining 15 reservoirs, 14 booster stations, 9 wells and 1 Ultra Filtration water treatment plant that supply water to 178 miles of main line, 11,059 service connections and 1,639 fire hydrants. Our system also includes 260 pressure regulating valves (PRV), 4,636 valves and automated meter reading system. Staff responds during and after hours to repair main line, service line and meter leaks. We strive to replace 3.5 miles of main line a year.

## Major Roles & Critical Functions

- Deliver quality water that meets the State, county and industry standards.
- Prompt response to emergency calls during and after hours.
- Water system infrastructure maintenance and repair.
- Keep treatment and pumping facilities operational and in good repair.
- Maintain communication with Bountiful City residents.

## Fiscal Year Priorities

- SCADA system upgrade. Scheduled to be done June 2023.
- Calder Well rehabilitation.
- Training to keep staff certifications current and get new employees their certifications.

## Department Description

Bountiful City Light & Power (BCLP) provides electrical power to approximately 17,150 total customers in Bountiful City: 15,500 residential, 1,650 commercial, and one industrial customer. BCLP's electrical system includes: six substations in the City and two at its hydroelectric projects; 42 miles of 46,000 volt transmission lines; 87 miles of 7,200 volt overhead distribution system lines; 120 miles of 7,200 volt underground distribution system lines, and 75 miles of street lights.

Throughout the year, BCLP supplies electrical power ranging from approximately 20 megawatts (MW, one million watts) to over 80 MW to its customers.

BCLP has long-term contracts to buy power from: the Colorado River Storage Project (Glenn Canyon Dam at Lake Powell); the Intermountain Power Project (Delta, Utah); and the San Juan power plant (New Mexico). It has shorter term contracts from numerous industry suppliers. And BCLP has a natural gas fired power plant (32.3 MW) in the City, and hydroelectric projects at Echo (4.5 MW) and PineView (1.8 MW) reservoirs.

## Major Roles & Critical Functions

- Ensure the safety of everyone that interacts with BCLP's electrical systems, including its employees, its customers, and anyone else;
- Buy and generate electricity at economical prices while protecting itself and its customers from excessive exposure to market price increases.
- Transmit and distribute that electricity to residential, commercial, and industrial customers; and
- Provide reliable electric service by designing, building, and maintaining its electrical transmission, distribution, and street lighting systems, and by providing 24/7 dispatching and outage management.

## Fiscal Year Priorities

- Add a 3-person line crew, a new service truck, a second EZ Hauler (a track-driven mini-digger derrick for back yard work), and other equipment, tools, and safety gear to increase BCLP's ability to maintain its systems.
- Upgrade feeders #575, #576, #272, and #373.
- Begin the replacement and upgrade of the 35-year-old control system at the Echo Hydro project.
- Continue to acquire sufficient additional sources of electrical power to stabilize BCLP's cost of power and improve its portfolio of 'green' and carbon-free resources of power. New projects now under contract include the Red Mesa Tapaha Solar Project (San Juan County, UT) and Steel Solar Project (Box Elder County, UT).

## Operational Budget Highlights

BCLP's proposed budget for Fiscal Year 2021-2022 (FY 2022) totals \$31,130,455 and includes the following significant changes from the current year:

The Bountiful Ridge Golf Course is a championship 18-hole golf course located on the east bench of Bountiful Utah. Amenities include a full-service pro shop, on-site food and beverage concessionaire and catering services, along with multiple practice facilities. The staff at Bountiful Ridge provides a high level of golf programs, tournaments, and golf facilities at a reasonable rate to Bountiful citizens and others. Bountiful Ridge Golf Course has consistently been known for strong customer service and programs, along with excellent course conditions and facilities. This, along with a loyal following of core golfers, has allowed Bountiful Ridge to maintain the status of being one of the top public courses in Utah and a “Best Value Facility” nationally.

## Major Roles & Critical Functions

- Manage day to day operations of the golf course including daily play, programs, tournaments, golf cart maintenance and accounting.
- Provide excellent golf course conditions through consistent sustainable turf and plant maintenance practices
- Provide a wide variety of golf activities and programs including club, charity, and state level tournaments and events. Other programs and associations include men’s, women’s, juniors, seniors, couples, along with a broad-based lesson/player development program.
- Hire, train, and manage staff to provide a high level of customer service, product knowledge, along with a safe and healthy work environment. Work directly with Parks Director to align with goals and vision of Bountiful City.
- Coordinate with and Assist Pro-Shop with tournaments, programs, and men’s and women’s leagues

## Fiscal Year Priorities

- Renovation of the restaurant area of the clubhouse.
- Refresh/Improve Golf Course Website.
- Emphasize staff development through regular training.
- Rebuild and Renovate #2 and #14 Tees.
- Improve and renovate practice area.

## Department Description

The Bountiful City Landfill provides an environmentally responsible solid waste disposal area for the residents of Bountiful. This is accomplished by planning and constructing all weather roads leading to dumping cells. Controlling blowing litter with fences and daily cover to keep litter on site for clean-up. Diverting metals to a recycling area for processing. Diverting green waste from all South Davis Cities into the composting program to prolong the life of the Bountiful City Landfill.

## Major Roles & Critical Functions

- Comply with all environmental regulations required by State and Federal agencies.
- Keep the landfill organized and safe for all that visit the site.
- Prolong the useful life of the facility.
- Plan to reduce commercial MSW as Landfill life declines.

## Fiscal Year Priorities

- Adjust rates for inbound refuse to cover processing costs.
- Replace equipment: Large Loader and Haul Truck.
- Adjust outer slopes to 30% for maximum air space utilization.
- Upgrade landfill computer connection to City network (fiber).
- Hire additional Landfill employee.

## Department Description

Bountiful Sanitation provides weekly household trash collection for the residents of Bountiful. It is taken to the Bountiful City Landfill for processing and disposal. We also hold a spring and fall curb side city clean up to assist the residents with bulky items that do not fit in the curb side containers. Once a year we hold a Household Hazardous Waste event at the city shop. Residents can bring in chemicals and other items that need special handling for disposal. With the help of an environmentally responsible disposal company and Street Department personnel it is kept out of the landfill and disposed of properly.

## Major Roles & Critical Functions

- Professional collection of refuse from residents weekly as scheduled.
- Deliver refuse to landfill for proper disposal.
- Maintain or replace refuse collection fleet as needed to ensure reliability.
- Maintain or replace curb side containers as needed.

## Fiscal Year Priorities

- Adjust rate for second and additional cans to \$6.00 same as first can rate.
- Purchase replacement collection truck and complete grant requirements for partial reimbursement.
- Plan for increased resident participation in HHW event.

## Department Description

The Information Technology Department is responsible for managing the Computer Replacement Fund. This is operated day-to-day as an Internal Service Fund. For CAFR reporting purposes, the fund is combined with the General Fund based on its relative materiality. Each department of the City is assessed an annual fee based on the costs for acquiring, maintaining, and replacing the hardware and software used by City employees.

We are working on a project to distribute all Information Technology capital expenses to individual departments. Departments will contribute to the Computer Replacement Fund, which will then be responsible for all large I.T.-related purchases. In the past, the I.T. Department has budget for, and purchased replacement servers and all other network equipment as needed. To charge each department for the actual cost of I.T.-related expenses, we will maintain a detailed schedule of the following:

- Servers (Physical and virtual)
- Network Storage
- Operating System and Software Licensing
- Firewall and Network Switch costs
- Backup and Recover software

## Major Roles & Critical Functions

- Maintain and support all servers, data storage, network equipment, computers, etc.
- Provide high-availability network and telecommunications services
- Research emerging technologies and evaluate the possible application within the City

## Fiscal Year Priorities

- Complete the server and network cost distribution evaluation
- Replace computer equipment as scheduled

# Liability Insurance Fund

## Department Description

The City Attorney is responsible for administering the Liability Fund and personally handles all claims and lawsuits against the City, consulting with outside counsel as necessary. It is never known what or when incidents, accidents or events will occur so claims and payouts vary widely from year to year. The City is self-insured up to \$350,000 and has commercial liability insurance from \$350,000 to \$10,000,000.

## Major Roles & Critical Functions

- Provide education and training to help keep employees safe and minimize risk exposure of the City.

## Fiscal Year Priorities

- Provide education and training, including personnel training for managers and supervisors and physical site inspections of City facilities.

## Operational Budget Highlights

There are no significant budget changes requested for the fiscal year 2022.

# Workers' Compensation Fund

## Department Description

The City Attorney oversees the Workers Compensation Fund. As required by State law, claims are handled by a third-party administrator, which is now Tristar Risk Management. It is never known what or when incidents, accidents or events will occur so on the job injury claims and resulting treatments vary widely from year to year. The City is self-insured carrying an excess liability policy with statutory coverage and a \$450,000 retention limit.

## Major Roles & Critical Functions

- Provide education and training, including various safety trainings and physical site inspections of City facilities to help keep employees safe and minimize risk exposure of the City.
- Work with the third-party administrator to manage all claims and risk exposure for the City.

## Fiscal Year Priorities

- Provide education and training, including personnel training for managers and supervisors and physical site inspections of City facilities.

## Operational Budget Highlights

There are no significant budget changes requested for the fiscal year 2022.

## Project Descriptions

Project Name	Project Description	Increase to Operating Budget \$
FY2023 - Ricoh Copier Replacement	This piece of equipment is expected to last approximately six to seven years of continuous use. As the Ricoh copier was purchased in fiscal year 2016, it is anticipated that replacement will be needed in fiscal 2023. There would be no increase to the ongoing operating budget as the current operating budget includes maintenance on the existing machine.	\$0
FY2027 - Folder/Inserter Replacement	It is estimated that in fiscal year 2027 the current folder/inserter machine used by Finance, Treasury, HR, and Planning for their mailings will need to be replaced. This would be a seven-year replacement cycle for this machine. There would be no increase to the ongoing operating budget as the current operating budget includes maintenance on the existing machine.	\$0

## Project Descriptions

Project Name	Project Description	Increase to Operating Budget \$
Police Vehicles	The department currently replaces six vehicles per year based on criteria of at least 5 years of service and approximately 100,000 miles.	\$0
Motorcycles	The fleet currently has two BMW motorcycles. Based on past mileage and repairs, replacement of these motorcycles will be needed in 2027.	\$0
SWAT Vehicle	Funds will be needed to update and maintain electronic equipment, computers, generator, etc.	\$0
Dispatch Consoles	Current consoles were recently replaced in the Public Safety Building. We anticipate they will need to be replaced in FY2032.	\$0
Radios Portable and Mobile	Portable radios were purchased during the 2002 Olympics and we anticipate them needing to be replaced in 2024. Mobile radios were purchased in 2019 and will need to be replaced in future years.	\$0
Eventide Recorder	The Eventide system records all radio and phone traffic that originates through dispatch. This is a valuable piece of equipment that allows playback of radio traffic for quality assurance, lawsuits/complaints, and dispatch playback. This was purchased in 2018 and we anticipate it being replaced in 2030.	\$0
Telephone Equipment	The dispatch phone system was purchased in 2013. The system will need to be replaced/upgraded in 2030.	\$0

Cooling Tower	In approximately 2014 a portion of the buildings air conditioning coolant system was replaced. This cooling tower was installed in 2007 and is scheduled to be replaced in 2023.	\$0
HVAC	In approximately 2014 a portion of the buildings air conditioning coolant system was replaced. That replacement was a short term fix to extend the life of the system. A system replacement is needed in 2022.	\$0
Boiler	The current boiler system was installed with the original building in 1997. A new cone was installed in 2015 to extend the life of the boiler. A new boiler system is anticipated in 2024.	\$0
Water Heater	The current water heater was replaced in 2014. We anticipate the water heater will need to be replaced in 2026.	\$0
Vehicle Camera	The current vehicle camera system was purchased in 2011. The warranties have run out and car camera replacements will be needed estimated in 2024.	\$0
Camera Storage Memory	In about 2017 a large amount of storage was purchased to contain the body camera and car camera video. Due to retention needs and video quality more storage will be needed in 2023.	\$0
Heat Exchange and HVAC	The current heat exchange for the HVAC is in need of replacement. It will be replaced with the current HVAC replacement in 2022.	\$0
Tasers	Police tasers were replaced in 2021. Due to past experience it is anticipated that they will need to be replaced in 2029.	\$0
Public Safety Building and Security	The security camera system and door locking devices for building security were recently replaced. Due to technology and use it is anticipated it will need to be replaced in future years.	\$0

Building Paint	The building was recently painted. In order to keep the building presentable we would anticipate new paint in future years.	\$0
Carpet	The building was recently re-carpeted. In order to keep the building presentable we would anticipate new carpet in future years.	\$0
Building Stucco	The building was recently re-stuccoed. In order to keep the building presentable we would anticipate new stucco in future years.	\$0
UPS System	The UPS system provides backup power for the dispatch communication equipment in a power outage. The UPS system was recently replaced and it is anticipated it will need replacement in future years.	\$0
Bountiful Gun Range	Maintaining the gun range has been covered with donations, partnerships, grants and police department funds. We are committed to continuing to find partnerships and grants when possible. There are future capital funds allocated in 2023 for some repairs.	\$0
A/C Unit Dispatch Servers	The Public Safety Building has two rooms that house equipment that needs to be cooled. The A/C unit in the dispatch center was recently replaced and it is anticipated it will need to be replaced in future years.	\$0
Building Roof	In 2015 the roof to the Public Safety Building was replaced. We anticipate the roof being replaced in 2031.	\$0
CAD/RMS	The software used by dispatch and by officers is in need of replacement. The software will be more consistent with what other agencies in the county currently use and/or are going to as well. There is a significant price reduction in the software by having all of the agencies in Davis County use the same CAD/RMS. That replacement is occurring in 2022.	\$0

Multi Function Copier	This machine is shared by the Engineering and Planning Departments. The current machine was purchased in April 2015 for approx. \$9,000.00	None
Large Format Copier/Plotter	This machine is used to scan and print construction drawings. The current Canon OCe 500 machine was purchase in March 2021 for \$18,500.	None
GPS Survey Equipment	This equipment is used by the Engineering Dept. for construction surveys and property surveys. The TopCon R8 equipment was purchased in 2009.	None
Vehicle Replacement	Vehicles are used to the maximum possible lifespan and only replaced as necessary. The 1996 Jeep Cherokee is approaching the end of serviceability and is the next vehicle scheduled for replacement. The condition of the 2006 Chevy and the 2018 Ford will continue to be evaluated yearly, and the scheduled replacement schedule adjusted, as necessary.

## Project Descriptions

Project Name	Project Description	Increase to Operating Budget \$
Crew Work Truck	FY2022-These are pick-up trucks used on a daily basis to perform maintenance operations the parks department is tasked to complete. We currently run five crews of five employees each, (1 full time park supervisor and 4 seasonal employees). It is necessary to have trucks that are safe, able to handle the crew size, tools and equipment, and extensive use. We replace our work trucks based on at least 5 years of service, high mileage or age of truck, and/or a history of maintenance issues.	\$80,000
New Gate at Shop	FY2022-This is a block wall modification with new controlled access gate to allow us to utilize the space, as an equipment/supply storage area, on the south end of the Greenhouses which will help alleviate congestion in the Streets/Parks/Water shop yard.	\$20,000
Air Compressor	FY2023-This is to replace our current air compressor. We use this equipment to winterize, our irrigation systems and bathrooms. In addition, we use it to excavate around tree and plant roots and utility lines that are sensitive to mechanical or hand digging.	\$65,000

Small Mower	FY2024-We currently have 6 small riding mowers in our fleet and are in the process of replacing our oldest mowers. Our mowers are in operation all day, every day of the summer and are the main pieces of equipment used in our daily maintenance operations.	\$25,000
Sweeper	FY2025-This is to replace our current sweeper. We use this piece of equipment to pick up leaves, tree debris, turf cores from aerating, and other general park maintenance tasks. With our current equipment maintenance program and having rebuilt the motor in 2018, we estimate having to replace this piece of equipment in 2024.	\$35,000
One ton Truck with Salter	Fy2026-This is to replace our oldest one ton in a fleet of three. These trucks are heavily used throughout the year and are our primary vehicle used for hauling soils, rock, plant materials, sod, playground mulch, trash, and our heavier equipment. They are also used heavily in the winter for our snow removal assignments.	\$45,000
Greenhouse Panels	FY2027+-It is recommended by industry standards and best management practices to replace greenhouse panels every 15-20 years. Currently the panels on our greenhouses are about 30 years old.	\$50,000

## Project Descriptions

Project Name	Project Description	Increase to Operating Budget \$
Demo rock house and expand shop/yard	FY2022-In planning and preparation for burial services to move across 200 West into the new Cemetery property, it will be necessary to demolish the existing old rock house that sits in front of the shops so that we can expand the shop and service yard. More inside and outside storage will be required to support a change in the way we do burials. The east side property is programed to be all double depth burials. This will require double deep vaults to be stored on site in the shop yard along with a greater quantity of soils, replacement sod, and equipment.	\$200,000
Small Mower	FY2023-These are the main pieces of equipment the Cemetery uses for its maintenance operations. The Cemetery currently has 3 mowers in its equipment inventory, 2 that are used	\$18,000

	regularly and 1 that is held in reserve or used for parts as needed. Our equipment maintenance program is that the oldest mower is replaced with a new mower every 2-3 years.	
160 Unit Urn Niche	FY2023-This is a 160 unit urn niche wall that is part of the long range design and goal for the Urn Burial and Healing Garden and expands the Cemetery's burial options.	\$75,000
Healing Garden Expansion	FY2023-This is the next phase of expansion in the Healing Garden that was started in 2021. Within the Healing Garden are several Urn burial options to meet the expanding need of our Citizens, including Columbarium, natural boulder, and granite niche options. This will be an on-going project over the next several years.	\$50,000
Utility Cart	FT2024-The utility carts are used daily for hauling soils, sod, and debris. In addition, they are used for general maintenance and small equipment transport. The last utility purchased was 10 years ago and are quickly becoming unreliable. Our plan is replace the oldest cart next this budget year and another in four years.	\$28,000
Vinyl Fence	FY2024-Our long range and on-going plan is to replace the old sections of differing types of fence a little at a time. There are 4,172 l.f. of fence surrounding the Cemetery which needs to be replaced. This will help bring uniformity and much needed privacy to certain areas of the Cemetery.	\$20,000
48 unit Columbarium	FY2025-This is a continuation of the expansion of the Healing Garden which offers several Urn burial options. This will be an ongoing project over the next several years	\$40,000
1-Ton Dump Truck	FY2027-Replace 1-ton dump truck used for daily grave digging and soil transport	\$55,000
Work truck w/plow	FY2027-This is to replace the current work truck used by the Cemetery Superintendent	\$40,000
Loader/Backhoe	FY2027-The lease terms for our front end loader/back hoe ends in December 2018. In speaking with the John Deere salesman, we determined that it is in the best interest of the City to purchase the equipment rather than to lease a new piece of equipment; the reasons being the shorter lease terms (only 3 years) and the high interest rates. It is anticipated that this equipment will need to be replaced in the next 10 years.	\$105,000
East Cemetery Property expansion	FY2027- Is projected, given our current plot inventory, that we will need to start to build roads and landscape the first plat in the east Cemetery property in 6-8 years.

## 10-Year Capital Budget

### **Information Technology Cost Distribution**

Beginning FY 2022, costs related to servers, network infrastructure, licensing, etc. will be distributed to departments based on their actual usage. In the past, the I.T. Department purchased all I.T.-related equipment. We realized that this practice does not give departments a full picture of their cost of doing business. We have been working with Finance and Administration to implement this Information Technology Cost Distribution to be accurate and fair. In a perfect world, this would result in a net \$0 change to the entire budget. However, further analysis will be needed to better assess all relevant needs under this revised methodology which will include a re-inventorying of hardware, software, licensing agreements and related matters before arriving at long-term capital needs in dollar terms by fiscal year.

## Project Descriptions

Project Name	Project Description	Increase to Operating Budget \$
Information Technology Cost Distribution	Analyze and distribute all I.T.-related costs to all departments. This will remove all future Capital Expenses from the I.T. Department and add them to the Computer Replacement Fund.  10-year impact: \$495,000 removed from I.T. Capital Budget	We are working to fine-tune these figures
Computer Replacement	We have been replacing about 40 desktop computers per year. Based on 225 computers, this puts the computer on about a 5 ½ year replacement cycle	No Increase, just the same as last year
Server Replacement	We manage 5 physical VM Host Servers. Two of these hosts run all of the Police Department systems. The other three run all other servers, including Munis (Finance Software), etc.. These servers will generally be replaced every 6 years.	We are working on these projections
Network Storage Replacement	We have several layers of “Network Area Storage” (NAS). These storages devices	We are working on these projections
