The City of Beautiful Homes and Gardens

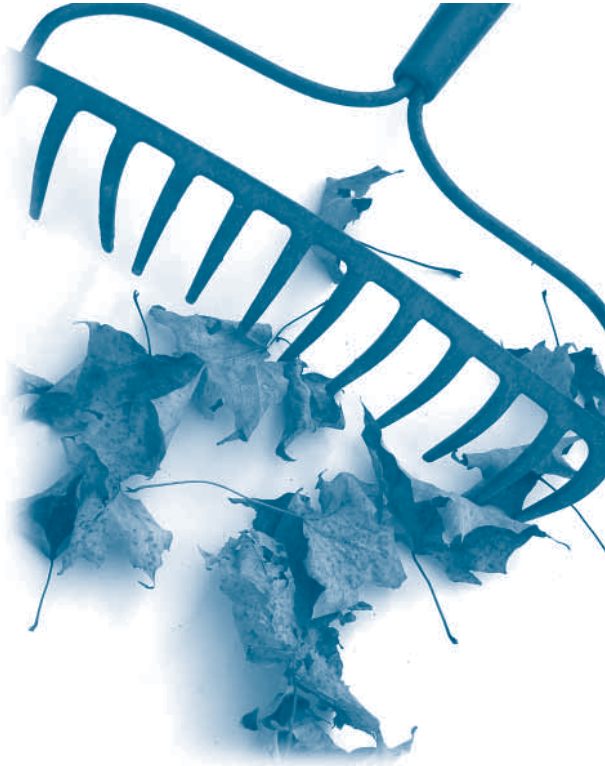

Bountiful City's Spring Clean-Up

Spring cleanup is April 16 through April 20. During that week city crews on your regular garbage pickup day will also remove trash and refuse which has been properly bundled, bagged or boxed. Limbs and trees must be cut, bundled and tied in 5-foot lengths. Any bundles, bags or boxes must not exceed 50 lbs. Items such as old furniture or appliances should be placed on the drive approach or park strip, not on the street or sidewalk.

Also, to assist you in your spring cleanup, the landfill will not charge a fee to the residents of Bountiful during spring cleanup week or the following week so trash that does not comply with the above restriction can be disposed of at no charge. However, we can no longer accept propane tanks or tires of any kind at the landfill.

COMPLIANCE TO THE SPECIAL CLEANUP REGULATIONS IS MANDATORY. TRASH THAT DOES NOT MEET THE ABOVE REGULATIONS WILL NEED TO BE TAKEN TO THE LANDFILL BY THE PROPERTY OWNER.

JUST A REMINDER: GARBAGE CONTAINERS SHOULD BE PLACED AT THE CURB NO LATER THAN 7 A.M. ON YOUR REGULAR PICKUP DAY. LIDS MUST BE CLOSED WHEN PUT OUT FOR COLLECTION.

<p>LANDFILL SUMMER HOURS (April through October)</p> <p>Monday through Saturday 8:00 a.m. - 6:00 p.m. Closed Sunday</p>	<p>COMPOST AVAILABLE FOR SPRING GARDENING COMPOST INCREASES WATER RETENTION IN YOUR SOIL</p> <p>COST: \$30.00 PER TON OR \$2.00 PER BAG</p> <p>Now offering compost delivery! \$35.00 per truck load plus compost cost</p>

City Council & Committee Chairmanship

The City Council and Mayor Welcome Your Input and Suggestions.

<p>Mayor JOE JOHNSON Finance, Public Safety & Public Relations</p>	<p>Councilman JOHN PITT Parks & Recreation and Youth Council</p>	<p>Councilman FRED MOSS Power</p>
<p>Councilwoman BARBARA HOLT Planning & Zoning</p>	<p>Councilman RICHARD HIGGINSON Water & Sewer</p>	<p>Councilman TOM TOLMAN Streets & Sanitation and Traffic Safety</p>

Bountiful City Maps Now Available on Website

For your convenience and information, the following maps can be found on the Bountiful City Website (www.Bountifulutah.gov), at the "Bountiful City Maps and Drawings" link:

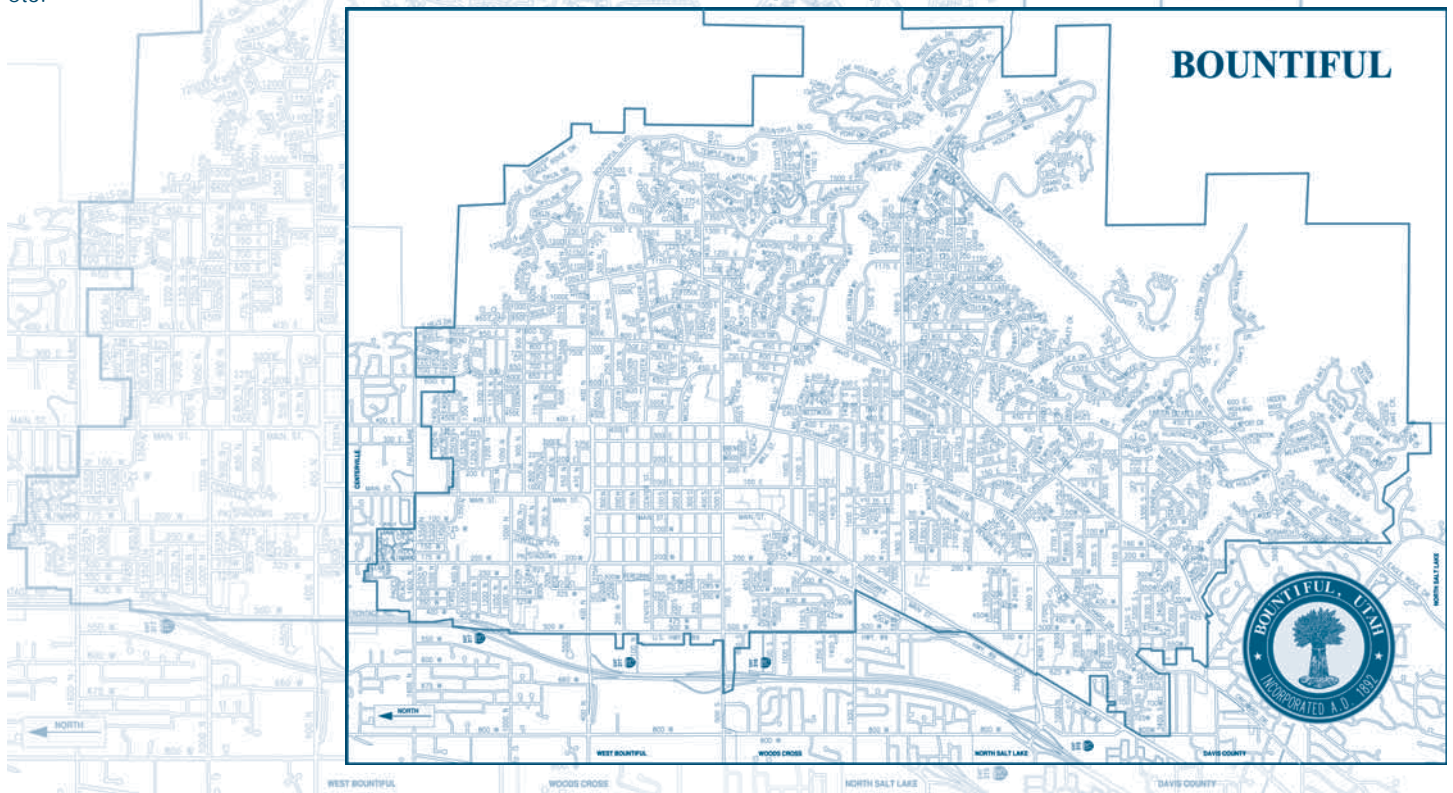

- City Street Map (find an address or street)
- Sanitation Routes (find out what day your garbage will be picked up)
- Zoning Map (find out if what your neighborhood is zoned for)
- Current Traffic Volume Counts
- Emergency Preparedness
- City Landmarks (find out where city parks, schools and other public places are)

If you would like to print the map, please follow the instructions included in the link mentioned above under AMap Printing Instructions.pdf@.

These maps can also be used for paper routes, locating addresses, giving directions to others, education purposes, etc.

Tree Related Power Outages

During 2006, there were over 60 outages that were identified as having been caused by tree branches getting into our power lines.

There were an additional 26 weather-related outages that were also likely caused by trees. That means there could have been as many as 86 outages attributed to trees. That number is fewer than previous years due to our increased focus on tree trimming efforts. However, tree problems continue to be the cause of the largest number of outages on our system.

Every day our crews are busy trimming trees, but keeping up with the tree growth is difficult. Last year we had increased moisture and warm days that promoted rapid growth. In addition to our three-man Bountiful tree crew, we have contracted two three-man crews from Asplundh to help us manage the tree growth.

We normally trim the branches far enough away from the power lines so they should not grow back for three years. However, with the increased growth rates we have found that many branches have grown back after just one year. Trimming the trees is expensive. In 2006, we spent approximately \$441,000 for those projects. This year we expect to again spend over \$400,000.

To make the most of our time and efforts, our crews need to trim the branches back enough so they will not have to return for three years. This will decrease the number of outages due to tree branches. With the hurricane force winds we experience in Bountiful, this is even more important. Your safety is most important to us, and your cooperation is very much appreciated. It will help Bountiful City Light & Power to provide the safest, most reliable power that we can. Thank you for your understanding and help in these effort.

Golden Years Senior Center

FEBRUARY EVENTS

February 14th

8:00 a.m. "Valentine Breakfast". A \$1 charge includes pancakes, scrambled eggs, fruit, milk or juice. Reservations are required - please call or sign up at the front desk. There will also be a Valentine's treat with lunch at 11:30.

Bountiful Davis Arts Center February Activities

February 16

Opening Reception for the State-wide Competition, featuring professional artists who live in Utah. For over 30 years, BDAC has been hosting this juried exhibit. This year the juror is Rob Adamson, Associate Professor of Art at Salt Lake Community College. For more information or to receive an application, call BDAC, 292-0367

February 19

BDAC is the place to be on the 3rd Monday of each month for Family Encounters of the Art Kind. Bring the whole family to this "free" event, starting at 7pm at BDAC. Learn about the current exhibit in the galleries, do a fun "I Spy" activity and then the whole family can do a "hands-on" art activity in the classroom to take home.

February 27

Farewell Reception for Arley G. Curtz, retiring Director of BDAC, beginning at 7pm. The public is invited to say goodbye to Mr. Curtz who has been the Director of BDAC since 1993.

Other News From the Bountiful Davis Arts Center

Emma J. Dugal has been appointed the new Executive Director of BDAC. She will take the reigns on March 1. Emma has worked at BDAC since 1998 as Programs Coordinator and Bountiful Summerfest International Coordinator. She is excited to continue her work of promoting the arts in the community.

Aida Mattingley has been confirmed as the new chair of the Board of Trustees of Bountiful/Davis Art Center, replacing Marsha Pilgeram who recently stepped down as chair and moved to

Hawaii. Aida brings her expertise in working with arts and cultural groups for many years. Born and raised in the Philippines, Aida has a special understanding of cultural diversity and also understands the importance of the arts in the community.

For more information about these events and changes at BDAC call, 292-0367 or visit www.bdac.org.

South Davis Recreation Center

Look for the South Davis Recreation Center to be opening soon. In mid-January the competition pool opened to limited use for High School teams only. Two swim meets were held with great success. Check out our website, southdavisrecreation.com, for up-to-date information on the official opening date and related activities. You may also contact us at 298-6220 with any questions.
