# INTRODUCTION

## INTRODUCTION

The Honorable Randy Lewis, Mayor Members of City Council

Dear Mayor and City Council,

We present you with Bountiful City's consolidated budget for Fiscal Year 2017-2018 which begins on July 1, 2017 and ends on June 30, 2018. This budget is <u>presented for adoption as the City's Final Budget following public hearings held on June 13, 2017</u>. This consolidated budget is balanced with respect to revenues and expenditures/expenses as a result of the process used to develop the budget. This process is guided, as in previous years, by a collaborative effort of our elected officials and City staff with a continuing shared goal of keeping Bountiful City financially stable, fiscally balanced, and diverse both now and in the future. Also included in the budget are the Council's recently updated policy priorities upon which the budget is structured.

In the pages that follow, you will find sections for each department of the City, including narrative descriptions and budget data for each department's operational and capital plans along with sections for fees and charges and long-term capital plans for City Departments. The consolidated document also includes budgets for the Revolving Loan Fund and Operating Fund of the Bountiful Redevelopment Agency (RDA) and the budge of the Municipal Building Authority of Bountiful (MBA). Both the RDA and the MBA are organized and operate as separate legal entities under State law being governed by boards of directors. The City Council sits as the board of directors for both the RDA and the MBA as specified in State law. For reporting purposes, the RDA and MBA are both reported in the consolidated budget document and the City's Comprehensive Annual Financial Report (CAFR) as Special Revenue Funds. However, due to a long established City budget reporting practice, the MBA is integrated (for budget purposes) as a department within the City's budget and is adopted as such. Conversely, the RDA's budget (while being included for reference in the consolidated budget document) is presented under a separate approval and adoption process from the City's budget.

The financial well-being and budget of the City are subject to the external forces of mandates imposed by Federal and State laws and regulations, along with changing economic conditions. These competing forces must then be balanced against the need for maintaining services and acceptable conditions of City assets such as equipment, public buildings, roads, water lines, power facilities and valued community amenities. Striking a balance between competing external forces and City needs will, from time-to-time, result in a need for adjustment to fees, charges and other funding mechanisms. Management seeks always to maintain a solid financial base, a fundamental pay-as-you go philosophy for most financing needs and to keep taxes and fees low but consistent with maintaining services and the condition of public assets.

The budget contains no general tax increases but does include increases in certain City fees and charges which are designed primarily to maintain service levels and the condition of infrastructure.

Budgets are developed from the base established in the previous year. Personnel Services increases stem from adjustments in the rates for health insurance (approximately 5% increase over the prior year) no cost of living allowance, adjustment in compensation schedules from market analysis for the Police and Water Departments and compensation adjustments for merit based pay (for those eligible). Operations and Maintenance expenditures are subject to adjustments for such items as utility costs, maintenance agreements and the like. Capital expenditures are based on the need for replacement of infrastructure in accordance with the long-term capital plan of the City.

As noted previously, this document is presented for adoption as the Final Budget of the City to be used as a comprehensive guide for the budgeted services scheduled to be provided for the residents and patrons of Bountiful City for review and reference by City departments, elected officials and the public. The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to City of Bountiful, Utah for its annual budget for the fiscal year beginning July 1, 2016. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award. The GFOA budget award program is similar in nature to the "Certificate of Achievement for Excellence in Financial Reporting Program" which has been awarded to Bountiful City for the City's Comprehensive Annual Finance Report (CAFR) since 1981. The City's Fiscal Year 2016-2017 Budget was the first budget for which the City made application for, and received, the Distinguished Budget Presentation Award.

City Management, Department Heads and Staff all convey their collective appreciation for the efforts and support of the Mayor and Council in the budgeting process. We look forward to an upcoming successful year for Bountiful City.

Respectfully,

Gary R. Hill

## CITY COUNCIL POLICY PRIORITIES

These Policy Priorities are intended to provide the Council, Staff and the City's boards, commissions and residents with a succinct, unified vision of what is important to the City of Bountiful. Items in Tier 1 are considered to need more attention than items in lower Tiers.

#### TIER 1

#### **Improve & Maintain Infrastructure**

- Stay ahead of maintenance curve
- Appropriate & reasonable utility rates
- Long-term capital planning
- Communication of accomplishments

#### **Community-Compatible Econ. Development**

- Lower the tax burden of residents
- Broaden the tax base
- Provide jobs & services
- Creative redevelopment

#### **Financial Balance & Accountability**

- Pay-as-you-go
- Transparency
- Balanced revenue sources

#### Open, Accessible, & Interactive Government

- Active resident engagement
- Consistent two-way communication
- Customer relations
- Professional, well trained staff

#### TIER 2

#### **Sustainable Bountiful**

- Long-term vision in planning
- Balanced housing mix
- Clean, safe neighborhoods

#### **Preserve Community Identity & Vitality**

- Vibrant Main Street
- Celebration & events
- Arts & history
- Public safety

#### TIER 3

#### **Public Safety & Emergency Preparedness**

- Community-oriented Police and Fire
- Active emergency preparation
- Engage & train neighbors

#### **Regional Cooperation & Collaboration**

- Shared facilities
- Strong relationships
- Economies of scale

#### **Quality & Varied Recreational Opportunities**

- Well maintained parks
- Trails & urban pathways
- World-class golf facility

#### NOTES:

The Bountiful Municipal Building Authority is a separate legal entity but is integrated with the City budget for ease of administration. The Bountiful Redevelopment Agency is a separate legal entity with a separately presented and adopted budget.

## CITY ORGANIZATIONAL CHART

## **BUDGET CALENDAR**

#### **JANUARY - MARCH 2017**

#### Thursday, January 19:

Preliminary personnel services projections due from Human Resources Manager. City Manager meets with Assistant City Manager, Finance Director, Assistant Finance Director, and City Treasurer to discuss revenues and trends, and to forecast revenues (General, Capital and RDA).

#### Tuesday, January 24:

Review of budget packet formats and discussion of budget process with Department Heads. Preparation of departmental operating and capital budgets begins for Bountiful City (City), Municipal Building Authority (MBA) and Redevelopment Agency (RDA).

#### Thursday, February 9 and Friday, February 10:

Council Retreat to discuss overall vision, priorities, budget framework, process, guidelines, and other planning.

#### Thursday, March 9:

Department operating and ten-year capital budgets are due to the City Manager and Assistant City Manager. Department Heads to submit budgets (narrative, cost and other numeric data) via email in Microsoft Word and Excel formats.

City Manager meets again with Assistant City Manager, Finance Director, Assistant Finance Director, and City Treasurer to update previously developed revenue forecasts and trends.

#### Monday, March 20 to Tuesday, March 28:

City Manager, Assistant City Manager, and Human Resources Manager scheduled to review department budget requests with department heads for the City, MBA and RDA. Follow-up meetings scheduled, as needed, to achieve a balance between department requests, available revenues, and overall goals and objectives. Department Heads to email final versions of their City Manager approved budgets to the City Manager and Assistant City Manager.

#### Wednesday, March 29 to Thursday, March 30:

Revised department budgets will be compiled in one consolidated document and distributed to Council Committees for review prior to the first scheduled budget committee meetings.

#### **APRIL - MAY 2017**

#### Monday, April 10 to Tuesday, April 18:

City Council budget committee reviews of department budget requests. Meeting times to be set by City Manager and Committee Chairs.

#### Committee Assignments:

Committee Public Safety & Public Relations Committee Water

Committee Chair Councilman John Marc Knight Committee Chair Councilwoman Kendalyn Harris

Committee Parks, Recreation & Fine Arts Committee Streets & Sanitation (Traffic Safety Committee)

Committee Chair Councilman John Pitt Committee Chair Councilman Richard Higginson

Committee Light & Power Committee Finance, Administration & RDA

Committee Chair Councilwoman Beth Holbrook Committee Chair Mayor Randy Lewis

#### Monday, April 25 to Thursday, May 5:

City Manager and Assistant City Manager prepare the Tentative Operating and Capital budget (City, MBA and RDA) along with the consolidated Ten-Year Capital Plan following committee approvals. The Tentative Budget and Ten-Year Capital Plan documents are to be delivered to the Mayor and City Council with all items scheduled for adoption on Tuesday, May 9<sup>th</sup>.

#### Tuesday, May 9:

Tentative Budget for fiscal year 2017-2018 presented for adoption by the City Council. City Council to review the annual tentative operating and capital budget and the ten-year capital plan at Work Study Session. In regular City Council Meeting, the City Council shall consider adoption of the tentative budget and the ten-year capital plan along with setting public hearings on Tuesday, June 13<sup>th</sup> to accomplish the following:

- 1.) Reopening of the current City & MBA 2016-2017 fiscal year budget.
- 2.) Consider the Proposed City & MBA 2017-2018 fiscal year budget for final adoption.

In Redevelopment Agency board meeting, the City Council (as RDA Board) shall consider adoption of the tentative RDA budget and setting public hearings beginning on Tuesday, June 13<sup>th</sup> to accomplish the following:

- **1.)** Reopening of the current RDA 2016-2017 fiscal year budget.
- 2.) Consider the Proposed RDA 2017-2018 fiscal year budget for final adoption.

#### **MAY – JUNE 2017**

Notices of public hearings on the budget to be published in the City newsletter, City Website, Utah Public Notice Website, and City utility bills in May and early June. Additional notices of Public Hearings to be published in the Davis County Clipper (or other newspaper of general circulation) on Thursday, June 1 and June 8, 2017. Notice of the proposed transfer of funds from the Light & Power Fund to the General Fund is to be mailed to utility customers at least seven days before public hearings.

#### Wednesday, May 10 to Tuesday, June 13:

City, MBA and RDA Tentative Budgets for fiscal year 2017-2018 open for public inspection at Bountiful City Hall. City Council Meetings scheduled for May 23<sup>rd</sup> and June 13<sup>th</sup> are open for reviews of the budget. City Manager and Assistant City Manager prepare a budget message for use at the June 13<sup>th</sup> City Council Meeting.

#### Tuesday, June 13:

City Council Meeting:

- 1.) Work Study Session.
- 2.) Public Hearing on transfer of funds from the Light & Power Fund to the General Fund
- 3.) Public Hearing to reopen the City & MBA fiscal year 2016-2017 budget and adopt the City & MBA 2017-2018 fiscal year budget.

#### City Council to consider adoption of:

- 1.) Resolution setting the property tax rate for 2017.
- 2.) Ordinance amending the 2016-2017 fiscal year budget and approving the 2017-2018 fiscal year budget; rates, taxes & fees; compensation schedules, URS rates and the 2018-2027 long term capital plan.

#### RDA Meeting:

- 1.) Work Study Session.
- 2.) Public Hearing to reopen the RDA fiscal year 2016-2017 budget and to adopt the RDA 2017-2018 fiscal year budget.

#### RDA Board to consider adoption of:

1.) Resolution amending the 2016-2017 fiscal year budget and approving the 2017-2018 fiscal year budget.

#### Wednesday, June 14:

Enter proposed City property tax rate and property tax revenue budget for fiscal year 2017-2018 in the Utah Certified Tax Rates system (www.taxrates.utah.gov). Publish final budget document, as adopted. Email PDF document of adopted rates, taxes and fees to City Treasurer for update of utility billing and related systems for revenue collection (copy department heads).

#### **JUNE 2017**

#### **Starting, Thursday, June 22:**

Distribute printed and electronic copies of adopted budget:

- 1.) Upload budget information to Utah State Auditor via website at <a href="http://auditor.utah.gov/forms-for-local-government/">http://auditor.utah.gov/forms-for-local-government/</a>
- 2.) Distribute electronic and printed copies of the adopted budget to elected officials, City departments and other parties requesting copies.
- 3.) Email adopted budget to City Recorder for posting to City website.
- 4.) Publish notice of final adopted budget availability for City, MBA, and RDA in the Davis County Clipper or other newspaper of general circulation. Budgets continuously available for public inspection at City Hall.
- 5.) Mail notice to utility customers of the outcome of City Council action on the transfer of funds from the Light & Power Fund to the General Fund within 60 days of budget adoption.

Upload adopted budget amounts (including amendments) into financial system for City, MBA, and RDA. Publish notice of final adopted budget availability for City, MBA and RDA in the Davis County Clipper. Budgets available for public inspection at City Hall.

## FY2017-2018 BUDGET SUMMARY

#### **OVERVIEW**

Bountiful City's budget is comprised of 29 departments within 16 funds. General tax supported activities include administration, police, fire, parks and streets. Fee supported activities include recycling, storm water, water, electric power, golf, landfill, sanitation and cemetery. There are also specialized funds to account for activities such as general liability insurance, workers compensation insurance, centralized computer operations and RAP Tax. The summary below and those that follow do not include the Redevelopment Agency which is a separate legal entity. However, the RDA's budgets are included in the final sections of this document for reference.

# **LEGISLATIVE**

### **OVERVIEW**

The Legislative Department is responsible for administering several of the City Council's community programs. This budget includes funding for various community organizations and events, including contributions for the annual Handcart Days celebration, Bountiful City Youth Council, Bountiful/Davis Art Center, Joy Foundation, Bountiful Historical Society, and Bountiful Community Service Council. This budget also includes funds for certain employee programs such as the City Wellness Program and Employee Recognition.

### **GOALS AND PROJECTS**

#### 2016-2017 Remaining projects

Projects for the Fiscal Year 2016-2017 include continuing work on the construction of Creekside Park under development on Mill Street along with funding for existing community programs connected with the Arts, History and City sponsored organizations such as the Bountiful City Youth Council and Bountiful Community Services Council.

#### 2017-2018 Projects

#### **Personnel Services:**

Adjustments were made in the part-time support staffing of the department. Increases between budget years in medical insurance costs were primarily due to anticipated premium increases in line with medical cost inflation and employee group utilization experience.

### **Operations and Maintenance:**

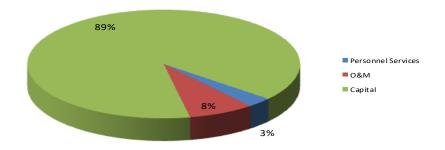

The Election Expense line item increased between years since a municipal election will be held in Fiscal Year 2017-2018. Other adjustments include a reduction in utility costs for the Stoker School property due to plans for demolition of the building and redevelopment of the site for a community plaza. Other changes include a realignment of the budget for the Community Services Council in support of the Concerts in the Park series.

### Capital:

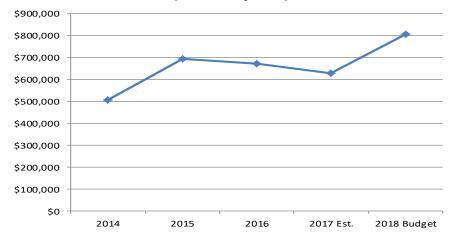

Changes between years in the capital budget stem from a change in plans for the development of the downtown plaza which formerly included construction of a City Hall building where Stoker School is located. The portion of the downtown project dealing with construction of a City Hall was cancelled leaving a downtown plaza as the focus of the development. The budget now includes costs for renovating the existing City Hall.

### **ORGANIZATIONAL CHART**

# LEGAL

### **OVERVIEW**

The City Attorney is responsible for making sure the City is operating in a lawful manner. He is responsible for the management and control of all the legal business of the City and is the legal advisor to the Mayor, the City Council, the City Manager and all of the Department Heads, officers and Boards of the City. When required, the City Attorney provides written or verbal opinions of law upon any subject in which the City is interested. He represents the interest of the City before courts of law and other legal forums. The City Attorney's office is composed of the City Attorney, the City Prosecutor and two Administrative Assistants.

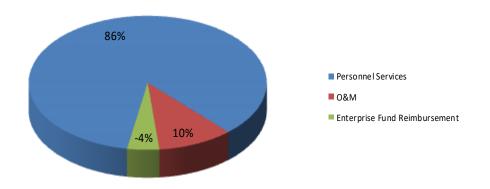

The City Attorney attends all City Council and Planning Commission meetings. He is responsible for maintaining and updating the City Code and the Personnel Policies & Procedures Manual. He prepares or reviews all ordinances, resolutions and contracts. He administers the Liability and the Workers Compensation programs of the City. All claims against the City are handled through him. The City Prosecutor does traffic and misdemeanor law enforcement in court.

### LINE-ITEM HIGHLIGHTS

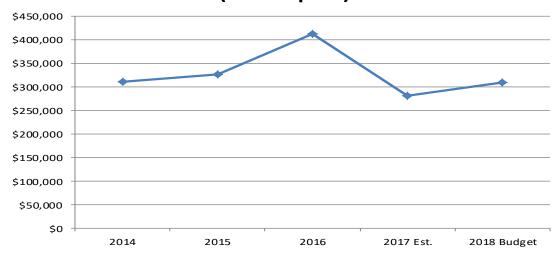

The operating budget for the Legal Department is reduced by an intra-city reimbursement for services provided to the Enterprise Funds of the City. This presentation is made to comply with financial reporting requirements prescribed by the Utah State Auditor's Office and the Governmental Accounting Standards Board (GASB). There is nothing to report within the Legal budget on a capital plan.

# **ORGANIZATIONAL CHART**

# **EXECUTIVE**

### **OVERVIEW**

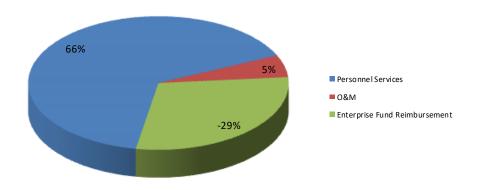

The Executive Department contains the operational plan and budget for the Chief Administrative Officer of the City. The Department is budgeted for the City Manager and one Executive Assistant. The Assistant City Manager, while budgeted within the Finance Department, is also a functional part of the Executive Department for projects and coverage of day-to-day activities as directed. The City Manager is charged by ordinance to implement the policies directed by the City Council through planning, coordinating and directing the management and staff of the City under a collaborative management style. These managers and staff members assist the City Manager by carrying out Council authorized activities within twenty-nine departments or functions that provide essential services for residents and businesses within Bountiful City.

### LINE-ITEM HIGHLIGHTS

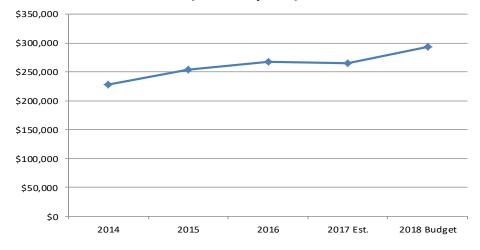

The operating budget for the Executive Department is reduced by an intra-city reimbursement for services provided to the Enterprise Funds of the City. This presentation is made to comply with financial reporting requirements prescribed by the Utah State Auditor's Office and the Governmental Accounting Standards Board (GASB). The budget for the Executive Department for Fiscal Year 2016-2017 had no significant variances to report from budget. The budget for 2017-2018 is slightly increased in the Personnel Services section due to a combination of reduction in part-time salary and anticipated compensation adjustments along with changes in health insurance rates. There is nothing to report within the Executive budget on a capital plan.

# **ORGANIZATIONAL CHART**

# **HUMAN RESOURCES**

### **OVERVIEW**

The Human Resources Department is committed to providing professional-level, customer-service oriented expertise, advice and support to Bountiful City's employees and to the employees of South Davis Recreation District. The management and staff ensure timely and accurate processing and maintenance of employee payroll and benefits along with enforcing uniform policies and procedures to ensure compliance with Federal and State laws.

The Department is committed to actively recruiting qualified and diverse applicants, retaining and engaging employees by offering competitive and comprehensive compensation and benefits, providing ongoing education and learning opportunities, and ensuring a safe and equitable work environment for all employees. Human Resources services include: Recruitment & Testing; Payroll & Personnel Services; Employee Benefits Administration; Employee Relations; Employee Training; Employee Recognition & Well Being; and Worker's Compensation administration. The department also provides Payroll & Personnel Services and Employee Benefits Administration for the South Davis Recreation District.

### **GOALS & PROJECTS**

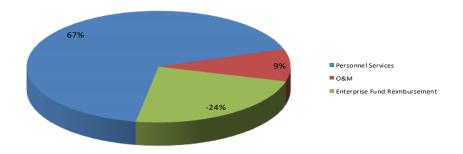

- Enhance Employee Self-Service functionality for employees
- ACH processing of vendor payables
- Provide training opportunities for all employees and Management Team
- Participate in Human Resources and Payroll training
- Procedures manual for Payroll
- Continue unification of Human Resources and Payroll policies and procedures between all departments

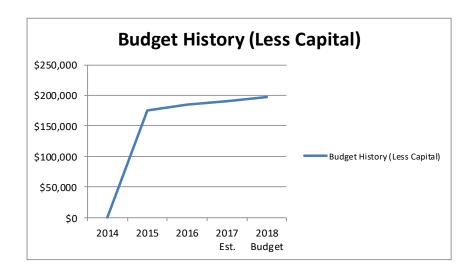

### **LINE-ITEM HIGHLIGHTS**

The operating budget for the Human Resources Department is reduced by an intra-city reimbursement for services provided to the Enterprise Funds of the City. This presentation is made to comply with financial reporting requirements prescribed by the Utah State Auditor's Office and the Governmental Accounting Standards Board (GASB). The budget for 2017-2018 is slightly increased in the Personnel Services section due to anticipated compensation adjustments and changes in health insurance rates. There is nothing to report within the Human Resources budget on a capital plan.

# **ORGANIZATIONAL CHART**

# INFORMATION TECHNOLOGY

### **OVERVIEW**

The mission of the Information Technology Department is to provide all city employees with reliable state-of-the-art tools allowing access to the most current and accurate data available enabling them to make informed decisions which will increase productivity and improve the quality of services provided to citizens.

### **GOALS & PROJECTS**

- Ensure data and network security through:
  - Firewall Protection
  - Virus Protection
  - Email Protection
  - o Intrusion Detection
  - Data Backup & Recovery
- Maintain a high-availability data network
  - Fiber Optics
  - Wireless
  - Telecommunication
  - Cameras
- Maintain telephone communications and equipment
  - o Public Safety Communications
  - Mobile Command Center
  - o Power Department P.O.R.S.C.H.E. System (Power Outage Response)
  - o Power and Water Department SCADA (Supervisory Control and Data Acquisition) network
- Web Development
  - Expand the use of Citizen Self-Service for Utility Billing, Business Licenses, Vendors and Permits & Inspections
  - Enhanced use of Social Media
- Evaluate Emerging Technologies

### **LINE-ITEM HIGHLIGHTS**

#### **Personnel Services**

Payroll expenses have increased slightly due to a merit increase and the increase of medical premiums.

#### **Operations and Maintenance**

Operations and Maintenance Budget remains the same as the previous year.

The operating budget for the Information Technology Department is reduced by an intra-city reimbursement for services provided to the Enterprise Funds of the City. This presentation is made to comply with financial reporting requirements prescribed by the Utah State Auditor's Office and the Governmental Accounting Standards Board (GASB).

#### **Capital Improvements**

### 454136-474500 - Machinery & Equipment

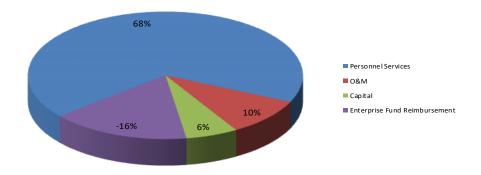

#### Network, UPS and monitoring equipment

The existing UPS (Uninterruptable Power Supply) equipment installed in City Hall is over 10 years old and is obsolete. We continued to have regular maintenance performed on the unit and it is functional. But our vendor has explained that for the past few years replacement parts have not been available. We have been monitoring the status of this equipment for several years and have planned to replace the unit at the time that a new city hall was built – or renovated. We feel we need to move ahead with this replacement during this next budget year.

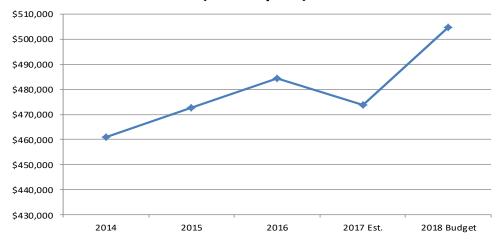

Along with the UPS replacement, we would like to replace server and power monitoring equipment. We have antiquated (by computer terms) sensors and notification equipment. Our old equipment can only notify personnel via telephone. New monitoring and notification equipment can alert staff via text messaging, email or phone call based on many system variables: Server failure, power failure, temperature variance, sound level variance, water detection, etc.

# **ORGANIZATIONAL CHART**

# **FINANCE**

### **OVERVIEW**

The Finance Department primarily serves other departments and elected officials of the City in a support function that helps those departments and leaders make informed decisions and more effectively accomplish their responsibilities. We perform financial and reporting functions for all operations of the City of Bountiful and South Davis Recreation District (SDRD) including: accounts payable, general accounting, safeguarding of assets through accountability, internal and external reporting for departmental and overall City management, annual audits and financial reports, financial analysis, bonding and financial work for adequate oversight as deemed necessary by the governing body and management. The salary and benefits and other expenses relating to the Assistant City Manager are accounted for in the Finance Department budget.

### **GOALS & PROJECTS**

It is the goal of the Department to provide financial and informational services that help management better perform critical functions for citizens, ensure compliance with a myriad of regulations that are constantly changing, and to provide the critical information that helps the City run as cost-effectively and efficiently as possible.

The most prominent current and upcoming projects are as follows:

- Implement and comply with new and developing Federal and State regulations.
- Apply regulations imposed by the Federal and State governments and regulatory authorities such as the Governmental Accounting Standards Board (GASB).
- Keep current on technological advances and evaluate the optimum time to implement changes (such as computer equipment/software, email/social media, and software and other modernized services.)
- Contain costs, maintain or improve existing programs/service levels and develop new services as well as revenues to pay for services as citizen needs and demands change.
- Coordinate/balance responsibilities between Bountiful City and South Davis Recreation District.

### **LINE-ITEM HIGHLIGHTS**

#### **Personnel Services**

#### Acct# 411000-Salaries-Perm Employees, 413010-FICA Taxes, 413040-State Retirement & 401K

The accounts related to payroll and benefits all reflect an increase as a result of merit increases for all three full-time Finance employees.

#### Acct# 413020-Employee Medical Insurance

This account reflects an estimated 5% increase in health insurance premiums.

#### **Operations and Maintenance**

#### Acct# 431100-Legal and Auditing Fees

The City's annual financial statement audit contract was rebid resulting in an overall annual cost savings of \$11,464 due to the Comprehensive Annual Financial Report being prepared in-house and anticipated reduced audit hours. The Finance Department's portion of that decrease is reflected in the Fiscal Year 2017-2018 budget amount.

#### **Enterprise Fund Reimbursement – Administrative Services**

#### Acct# 46200-Admin Services Adjustment

In 2015, the City implemented GASB codification 1800.102, requiring that interfund reimbursements for administrative services charged to Enterprise Funds be recognized as a reduction of expenditures rather than as a charge for service revenue. This account has been set up to offset Finance Department salaries, wages and benefits for time spent on Enterprise Fund operations and reporting.

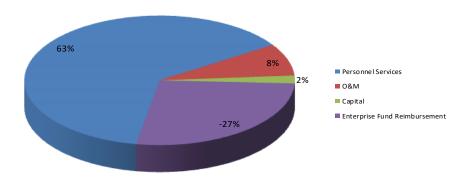

#### <u>Finance – Capital Projects</u>

#### Acct# 431040-Bank & Investment Account Fees

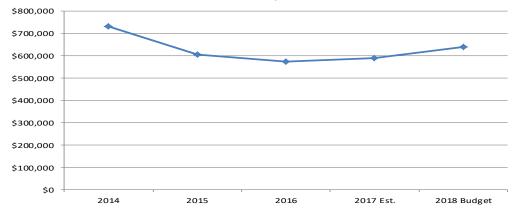

Beginning in fiscal year 2017 the City broke out bank and investment fees that used to be netted against investment and interest earnings revenue when recorded. Going forward the accounting will show all of the bank and investment fees in their own expense account and all of the investment and interest earnings gross in their own revenue account. This account in fund 45 shows the Capital Project fund's portion of the overall bank and investment fees.

### **ORGANIZATIONAL CHART**

# **TREASURY**

### **OVERVIEW**

The Treasury Department serves internal departments as well as citizens and other customers of Bountiful City. This Department also performs cash management support services on contract for the South Davis Recreation District. The Department handles all aspects of customer relations and service offerings related to billing for utility services provided by the Power, Water, Storm Water, Recycling and Sanitation Departments of the City. Approximately 18,000 customers are served through telephone, in person and on-line contacts.

The 18,000 customer accounts are billed in three cycles during the month with due dates of the 10th, 20th and the 30th of each month from electronically collected meter readings gathered by the Water and Power Departments of the City. For efficiency and cost effectiveness, staff utilizes an outside mailing service to assist with inserting and mailing of utility bills monthly. Other departments of the City are also served through processing of their deposits. The Department has regularly received praise in City customer surveys taken by an independent research firm for the City.

In addition to utility customer service, the Department also provides efficient cash and investment management for all City funds (approximately \$89 million in the portfolio). The Treasurer is custodian of all cash and investments, utilizing the services of outside financial and brokerage institutions to invest and account for all funds received on a daily basis. All funds are managed in accordance with the adopted City Investment Policy, the Utah Money Management Act and the Utah Fiscal Procedures Act. The Finance Department conducts periodic internal audits of the treasury and cash management functions to ensure proper internal controls. Likewise, the Treasury Department audits disbursements and countersigns checks issued by the Finance Department to provide firm internal controls.

### **GOALS & PROJECTS**

One of the major efforts of the Treasury Department has been and continues to be improving the efficiency of the technology regarding the utility billing and payment processes. During the last year the department has completely transitioned away from third party web based payments to a Bountiful City website based Customer Self Service. As part of this transition, Customer Service Representatives have assisted many customers in transitioning to Electronic Fund Transfers (EFT/Autopay). The number of customers utilizing EFT/Autopay has nearly doubled since last year. The department is also now utilizing on-site electronic deposit of customer's utility checks and associated payment processing. Bringing these services in house has increased efficiency, reduced incoming phone traffic, and resulted in a cost savings for these services of \$1,500 to \$2,000 per month. The goal of the Department is to continue improvements of all customer service processes within the Department.

The City Treasurer was elected to the Board of Directors of the Utah Association of Public Treasurers during the last year. Additionally, he was credentialed as a Certified Public Funds Investment Manager. In that capacity, the Bountiful City Investment Policy was evaluated and updated to current standards of compliance of the Utah Money Management Act. Bountiful City's Certified Investment Advisor contract was also re-bid with the 5 year contract awarded to Zions Wealth Advisors.

The current staffing pattern of two part-time and four full-time Customer Service Representatives continues to serve the department well by accommodating a balanced workflow process in the Department and work flow coverage. The staffing plan revisions have resulted in an overall lower dollar value budget with better customer service coverage during the entire work day and during peak time periods. It has also eliminated redundant training requirements present in the previous Department structure.

The goals of the Department during the remainder of Fiscal Year 2017 and in Fiscal Year 2018 are focused on continuing to improve customer service through available technologies for utility billing and processing customer payments. The department has set a goal of reducing the number of paper bills that are mailed out each month by transitioning customers to receiving electronic bills by email. Customers who still desire paper bills will still receive them. Reducing the number of customers who receive paper bills by just 10% could save the city over \$11,000 each year.

### LINE-ITEM HIGHLIGHTS

#### **Personnel Services**

#### Acct# 411000, 412000, 413010, 413020, 413040, 491640

The Personnel Services category for the department reflects an overall 4.8% decrease (\$20,137) resulting from staff changes within the Department and new hiring. These changes also reflect the associated State Retirement, FICA, medical insurance premium and workers' compensation premium accounts shown in the budget.

#### **Operations and Maintenance**

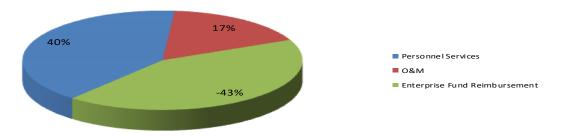

#### Acct# 429200, 429300, 429300

The operation and maintenance category increased overall by 1.2% (\$1,969) due to allocated computer hardware replacement and software costs.

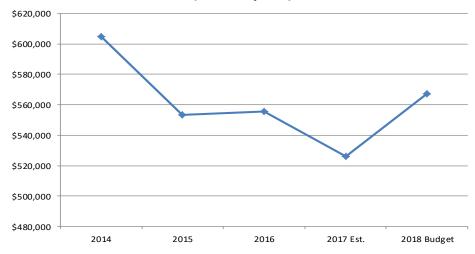

The operating budget for the Treasury Department is reduced by an intra-city reimbursement for services provided to the Enterprise Funds of the City. This presentation is made to comply with financial reporting requirements prescribed by the Utah State Auditor's Office and the Governmental Accounting Standards Board (GASB).

# GOVERNMENT BUILDINGS

## **OVERVIEW**

The Bountiful City Building Maintenance Department is responsible for keeping city-owned buildings in good working order including eight city-owned office buildings, Stoker School, 13 park/trailhead restroom buildings and a number of other buildings and facilities. The Department is staffed with one full time and one seasonal employee.

Accomplishments in 2016 included:

Continued lighting upgrade in buildings through-out city, ongoing
Upgrade men's/women's restrooms at Public Safety building, July 2016
New roof at parks/street shop, August 2016
New pumps and plumbing at Police station water feature, startup in spring 2017, November 2016

## **GOALS & PROJECTS**

The goal of this Department is twofold. First, to provide a safe and comfortable work place for all city employees, thus enabling them to perform their jobs and provide a pleasant experience to all of the Bountiful City residents they serve. Second, to keep the City's properties in good working order by maintaining and repairing systems such as lighting, heating, air conditioning, plumbing, electrical systems, exterior finishes, and roofing in a timely manner.

#### **2017 Projects**

#### **City Hall Building**

Replace failing pilot lights with new energy efficient electronic pilot lights.

## **Public Safety/Courts Building**

Assist in exterior improvements, specifically rebuilding the water feature and pumps. Assist in the replacement of the HVAC compressor. Also, replace and repair crumbling brick in front entry sidewalk.

#### **Public Park Restrooms**

Repaint floors and walls, sheetrock ceilings and replace metal exterior doors at three parks.

# **GOALS & PROJECTS (CONTINUED)**

#### **Streets and Parks Building**

Replace all ceiling tiles throughout reception and office areas.

#### Landfill

Refurbish interior of scale house.

## **LINE-ITEM HIGHLIGHTS**

#### **Personnel Services:**

The \$235 decrease is being requested to cover the costs associated with employee merit raises, taxes, medical insurance, retirement and workers' compensation insurance as per Human Resource estimates.

#### **Operations and Maintenance:**

No requests are being made.

#### **Administrative Services Adjustment:**

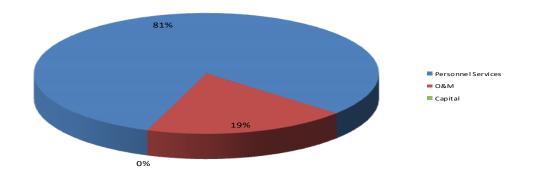

This \$15,111 decrease is adjusted from new estimates for reimbursing the Building Department for services provided to other City Departments as per Finance Department estimates.

#### **Capital Improvements and Equipment:**

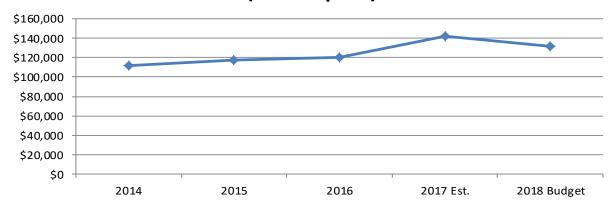

No requests are being made.

# **ORGANIZATIONAL CHART**

# **POLICE**

## **OVERVIEW**

The police department has the responsibility to enforce federal, state and local laws and to provide assistance related to matters of public safety. We accomplish this by providing the following services: patrol officers, detectives, "POP" officers, metro narcotics officer, school resource officers, multi-agency dispatching, records services, evidence custodian and school crossing guards. We collect revenue to cover a portion of these services including; dispatch, school resource officers, metro narcotics officer, DUI enforcement, Second District Court building lease and miscellaneous state and federal grants and reimbursements.

## **GOALS**

- Customer Relations, Customer Relations, Customer Relations
- Upgrade Communications Center
- Restructure Management Duties and Responsibilities
- Participate in a Drone Study with UVU to Develop a Statewide Policy
- Supervisor/Employee Development Training
- Enhance Bountiful City's Emergency Preparedness Program
- Implement Changes Recommended from Comparison Study
- Finish Budget Year within Budget

## **LINE-ITEM HIGHLIGHTS**

#### **Background and Analysis**

The police department has the responsibility to enforce federal, state and local laws and to provide assistance related to matters of public safety. We accomplish this by providing the following services; patrol officers, detectives, "POP" officers, metro narcotics officer, school resource officers, multi-agency dispatching, records services and school crossing guards. We collect revenue to cover a portion of some of these services including; dispatch, school resource officers, metro narcotics officer, DUI enforcement, Second District Court building lease and miscellaneous state and federal grants and reimbursements.

As a general rule, the budget philosophy of the police department is to start with the previous year's adopted budget and request increases only when necessary. As such, the proposed FY2018 budget is essentially unchanged from FY2017, with the exceptions as follows:

#### Acct # 104210-411000, 412000, 413010, 413020, 413040, 491640

These are payroll accounts affected by cost increases due to merits, retirement, FICA, medical insurance premiums and workers comp.

#### Acct # 104210-431600, 451100

These are operations and maintenance account increases due to a 5% building insurance premium increase and a 5% animal control increase.

## Acct #104216-412000, 413010, 491640

These are payroll accounts affected by cost increases due to a \$0.25 raise for the crossing guards.

#### Acct #104217 -411110, 411120, 411130, 413010, 413020, 413030, 413040, 491640

These are school resource officer payroll increases due to merits and medical insurance premiums.

## Acct # 104210-412000

This account was reduced due to the CTC position being moved to the Davis School District.

#### Acct # 104210-415000

This account was reduced due to a smaller amount of officers submitting for continuing education.

# LINE-ITEM HIGHLIGHTS (CONTINUED)

#### Acct # 104215-411100, 413010, 413030, 491640, 423000, 425200, 432000

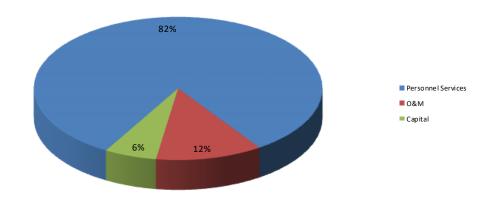

This account was reduced due to a reduction from ten-reserve officers to three. The reduction was for salaries and associated costs and equipment.

#### Acct # 104218-411100

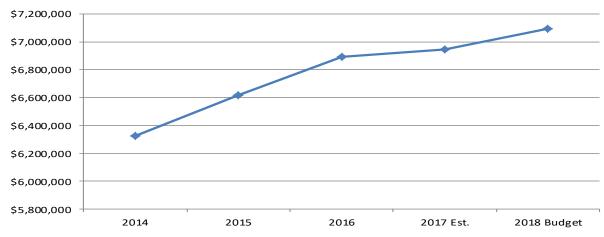

This is revenue funded by the state for alcohol programs. FY2018 was increased by \$1,424 for a total of \$39,024. It shows as a reduction from the previous year due to a \$14,100 carry over.

# **ORGANIZATIONAL CHART**

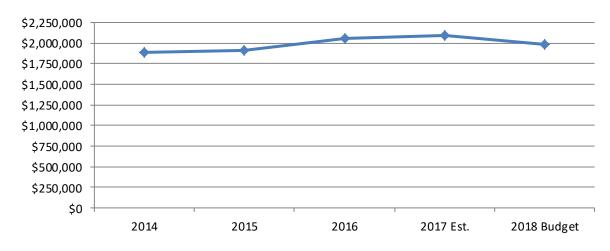

# **FIRE**

## **OVERVIEW**

Bountiful City is a member of the South Davis Metro Fire Agency which serves the cities of Bountiful, West Bountiful, Centerville, North Salt Lake and Woods Cross with a small section of unincorporated Davis County. The Fire Agency is a separate Special Service District with taxing authority which was reorganized from an interlocal agency effective July 1, 2016. The Fire budget represents Bountiful City's proportionate share in the Fire Agency's operating expenses which is calculated based on total property tax assessed valuation within the service area. The City holds one seat on the six member governing body of the Fire Agency. The budget impact to Bountiful City in Fiscal Year 2017-2018 is projected to be a 2% (\$42,000) increase in the assessment received from the Fire Agency.

# **STREETS**

## **OVERVIEW**

The Street Department's responsibility is to establish, organize and accomplish the projects outlined by our City Council and Administration. The Department accomplishes this responsibility by using economical and environmentally proven procedures with a goal to provide the community with maintenance, snow removal and general care of City roads.

In order to provide this level of service, both the Street and Storm Water Departments require the use of the Sanitation and Landfill Department employees to assist with the labor needed to accomplish snow removal and large projects.

## **GOALS & PROJECTS**

- Continue to evaluate and upgrade stop and street signs to meet Federal Highway Administration requirements.
- Evaluate and repair tree root related sidewalk problems.
- Complete scheduled overlay, patching and asphalt treatments.
- Schedule Transportation Funds. Transportation funds can be used for:
  - Class "C" Roads
  - Sidewalks
  - Curb and Gutter
  - Safety Features
  - Traffic Signs
  - Traffic Signals

## **LINE-ITEM HIGHLIGHTS**

The Street Department's operating and capital budget increased and decreased funds are as follows:

#### Acct# 104410-411000 to 413040 Personnel Services

Increased \$44,009 in these series of accounts relate to employee merit increases, part-time salaries and increase of cost of health insurance.

#### Acct# 104410-424000 Office Supplies

Increased \$2,000 due to costs for MUNIS and Software Maintenance

#### Acct# 454410-472100 Buildings

Decreased \$100,000 due to completion of a new roof for the Street Department Building.

#### Acct# 454410-473100 Improvements Other Than Buildings

Increased \$20,000 for Diesel Exhaust Fluid Dispenser, tank and containment system. Diesel Exhaust Fluid is required in all diesel powered equipment used throughout all City departments.

#### Acct# 454410-473300 Roads-Class "C" & Transportation Funds

Increased \$50,000 due to reconditioning concrete, transportation funding projects and our paving crews.

Future road projects are:

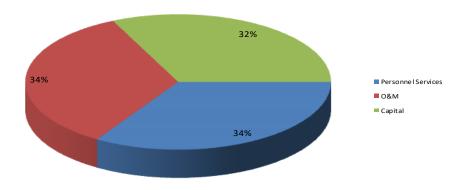

Recondition 400 East - 400 North to 500 South phase 1	\$150,000	
2600 South - Highway 89 to 2200 South	\$244,000	(costs are estimates)
North Canyon Rd - Orchard Dr. to 400 East	\$103,500	

#### Acct# 454410-474500 Machinery & Equipment

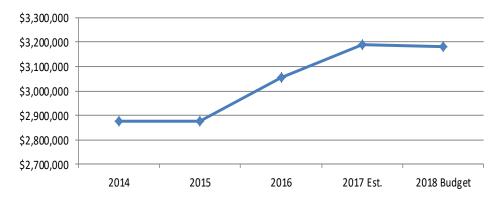

Decreased \$32,000 is determined by the scheduled replacement machinery and equipment program. This year's schedule includes one dump truck with salter and plow \$208,000, a transport truck \$125,000 and a one ton dump work truck \$45,000, and an oil distributor truck \$105,000.

## **ORGANIZATIONAL CHART**

# **ENGINEERING**

## **OVERVIEW**

The Engineering Department serves the Public Works needs of the citizens of Bountiful by providing technical support to meet the needs of the various departments of the City. The staff provides professional engineering, surveying and construction management services for the design and construction of Public Works projects and they oversee many of the technical functions of the City. Some of the Engineering Department functions are:

- Review all Public Works Systems with the City Manager and other Department Heads to plan annually and ten-year project budgets
  which meet the needs of the City. Prepare cost estimates for budgeting activities.
- Review all private construction and land development to ensure compliance with City Codes, Ordinances and Engineering Standards.
- Oversee all environmental regulation compliance and permitting for City-owned properties, projects and interests such as the Bountiful Sanitary Landfill.
- Review all building plans for compliance with Building Codes and City Ordinances; and issue Building Permits, perform inspections for compliance and issue Certificates of Occupancy when the buildings are complete.
- Review all traffic control needs for conformance with the Traffic Control Manual and Traffic Engineering Standards including an annual review of all traffic accidents.
- Perform land surveys as needed by the City and establish survey control for all properties within City limits.
- Review all construction plans by private contractors and Utility Companies wishing to work in City streets and co-ordinate their work, issue Excavation Permits and inspect the work for compliance to City Ordinances and Codes.
- Meet with the City Council and present reports on Engineering and Public Works projects for their consideration and approval and perform any other special engineering studies as may be required by the Council.
- Keep maps and drawings of public utilities, streets, City boundaries and other records current and available for all.

## **GOALS & PROJECTS**

It is the goal of the Bountiful City Engineering Department to follow the "Three P's" while interacting with the public, other City Departments and each other. The "Three P's" are Polite, Professional and Progressive.

The Bountiful City Engineering Department will be working on the following projects during the Fiscal Year 2017-2018 budget year:

- Kingston Property 1.5 million gallon culinary reservoir
- Holbrook Elementary pump house and pumps
- Design and have constructed new water pump lines in 250 North and in 300 North to connect to Kingston reservoir
- Design and start the construction of the 200 North and 300 North storm drains and coordinate other utilities prior to reconstruction
- Inspect and coordinate the first phases of the Keller Property subdivision
- Oversee the design and construction of the Mueller Park Treatment Plant addition and remodel
- Oversee waterline replacement projects which will be increased by several hundred thousand dollars
- Oversee the annual concrete repair projects throughout the City
- Oversee the annual Trip Hazard Elimination project
- Coordinate with the Streets Department in the additional street maintenance work that will be possible due to the Proposition 1 money and the Class C road money increases
- Misc. infrastructure inventories including street signs and corner view obstructions

## **LINE-ITEM HIGHLIGHTS**

#### Acct# 104450 - 411000, 412000 and related account - Personnel Services

Compensation adjustments and health insurance rate increases along with the elimination of our intern.

## Acct# 104450 - 421000 - Books, Subscriptions and Memberships

Increased slightly to cover increases in Professional Society memberships

#### Acct# 104450 - 423000 - Travel and Training

Down slightly because some of our required training only occurs every other year.

#### Acct# 104450 - 448000 - Operating Supplies

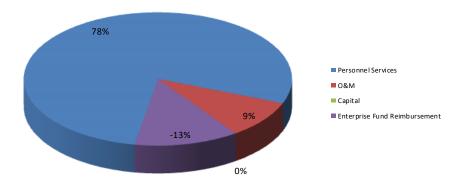

This account is to be used for the bi-annual purchase of updated aerial photo from Davis County, survey data collection software, plan checking management software and small office equipment.

## Acct# 104450 - 453100 - Interest Expense

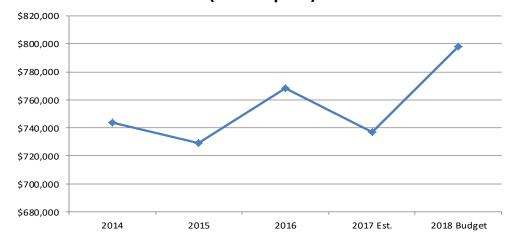

Decreased slightly from previous year due to changes in the volume of work using performance bond money and not as many bonds will be released this coming year. Also, many of the oldest bonds, with the most accumulated interest have been completed.

# **ORGANIZATIONAL CHART**

# **PARKS**

## **OVERVIEW**

Currently, Bountiful City Parks Department has six full time staff and hires 18-20 seasonal staff during the summer months. The Department is responsible for maintaining the City's Parks (110 acres), selected Streetscapes (4.5 acres), Facility Landscapes (16 acres), Trailheads (2; Summerwood/Sessions), Open Space (6 acres), and Detention Basins (1 acre). A total of two greenhouses are maintained to propagate and grow over 53,000 flowers which include 72 different species. Staff members plant and maintain 176 flower beds throughout the City. We assist in the scheduling, planning and operation of 17 City sponsored events including Bountiful Youth Council Easter egg hunt, Halloween Pumpkin Patch Bash and Main Street Dance, Chalk Art, Rotary Car Show, Concerts in the Park, Farmers Market, Bike Races, Handcart Days and fireworks, Summerfest, South American Festival, and Freedom Light Festival. Over 150 other events are hosted in the parks and pavilions including class and family reunions, civic events, religious events, youth group activities, weddings, and birthday parties. Staff members facilitate the use of the park's sport facilities for youth and adult softball leagues, youth baseball leagues, youth soccer games and tournaments, lacrosse leagues, tennis leagues and pickleball tournaments. In the winter months the Department is tasked with snow removal on 15 miles of City sidewalk and 22 acres of parking lot.

#### Some of our major accomplishments in 2016:

Started and completed renovation and grow in of upper soccer field at Foss Lewis, April-September 2016 Completed landscaping at Cheese Park, June 2016 Dredged south shoreline Bountiful Pond, June-July 2016 Replaced landscaping along 1050 South (Water Department), July 2016 Completed Electrical upgrade and improvements at 400 N. Park Stage, August 2016 Creekside Park construction started, August 2016 Approved for and hired new full-time Parks employee, September 2016

## **GOALS & PROJECTS**

A primary goal of the Department is to provide beautiful, safe and well-groomed parks, recreational areas, facilities, landscapes and trails throughout Bountiful. Staff members beautify the grounds at all City buildings and along streets, particularly Main Street. During the winter, the Department keeps assigned parking lots safe and functional and sidewalks free of snow within 24 hours of a storm event.

#### 2017 Projects

#### **Creekside Park**

Staff is excited to complete the construction of Creekside Park located at 600 East Mill Street. Due to unforeseen issues with the General Contractor, construction isn't scheduled for completion and grow-in until late summer or early fall. At that time we will plan a public open house held at the park to celebrate the Community.

#### **Tennis Court Resurfacing**

Two tennis courts are in the operational plan for resurfacing at Firefighter's Park.

#### **Tour of Utah Stage 5**

Staff plans to assist with the return of the Tour of Utah Stage 5 Bike Race to Bountiful City's Main Street in August 2017.

## LINE-ITEM HIGHLIGHTS

#### **Personnel Services:**

The \$25,799 increase includes funds to cover the costs associated with merit raises, seasonal employee pay, taxes, health insurance, retirement and Workers' Compensation as per Human Resources calculations.

#### **Operations and Maintenance:**

## Acct# 454510-424000 - Office Supplies

This \$900 increase is to cover the costs associated with computer and software maintenance as per IT Department estimates.

## **Capital Equipment and Improvements:**

## Acct# 454510-473100 - Improvements other than Buildings

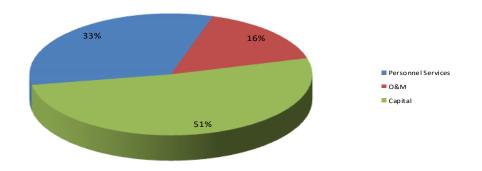

Creekside Park construction started in July of 2016. Of the \$3,175,000 budgeted through Rap Tax funds. \$1,861,968 has been used to pay for the current improvements. Considering unforeseen issues with the general contractor, extended construction time, and unknown costs associated with new bids from general and sub-contractors, it is anticipated that and additional \$1,000,000.00 will be needed to complete the project. Total decrease between budget years is \$2,175,000.

## Acct# 454510-474500 - Machinery and Equipment

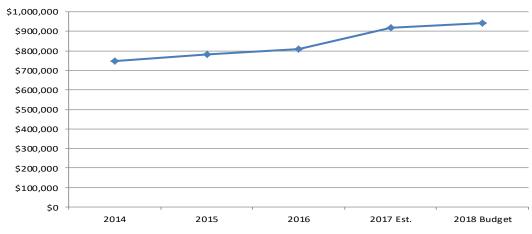

No requests are being made.

### **ORGANIZATIONAL CHART**

## **PLANNING**

### **OVERVIEW**

The Planning & Economic Development Director works with the City Council, City staff, citizens, property owners, businesses and others to create a desirable place to live, work, play and do business. Some of the services include maintaining and implementing the Land Use Ordinance, advising citizens on what uses and activities are lawful on their land, reviewing proposed developments, doing inspections and overseeing business licensing. He also creates short and long term development plans to help preserve and enhance property values and to encourage reinvestment.

The Planning Director handles citizen inquiries about fences, remodels, home additions and land use, and meets with developers on potential uses of commercial and multifamily residences on a daily basis. He prepares the Planning Commission agenda and attends all Administrative Committee, Planning Commission and City Council meetings. He reviews all multifamily and commercial site plans for compliance with ordinance requirements concerning parking, setback, landscaping, etc. The Planner also functions as the Redevelopment Agency Director and administers its business loan program.

### **GOALS & PROJECTS**

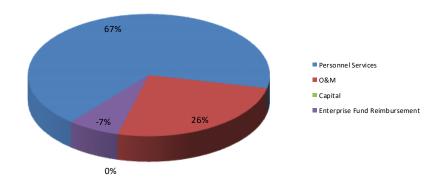

The redevelopment of downtown Bountiful and the former Five-Points Mall site is a major and ongoing concern. A comprehensive review of policies governing the development of downtown is anticipated within the next year. Adoption of future land use plans for downtown and the Val Verda area along with changes to City Code and the adoption of an open space zone are projected projects for the Planning Department.

### LINE ITEM HIGHLIGHTS

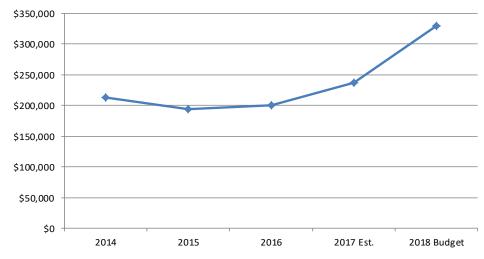

The actual budget for the Planning Department for Fiscal Year 2016-2017 should come in within the approved budget. The budget for Fiscal Year 2017-2018 includes the creation of an additional full-time planner position to address increases in work load. The position will be a combination of existing part-time positions and will focus on plan review and code enforcement. Increases are reflected for health insurance coverage and anticipated compensation adjustments. There is also \$35,000 added for preparation of a Trails Master Plan.

### **ORGANIZATIONAL CHART**

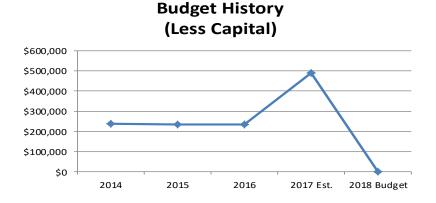

# **DEBT SERVICE FUND**

## **DEBT SERVICE**

### **OVERVIEW**

The Debt Service Fund accounts for resources that will be used to service general long-term debt of the City. This is debt of a general nature rather than debt specifically applicable to Enterprise Funds all of which is accounted for within those funds of the City. The balance of general outstanding debt of the City at the end of Fiscal Year 2015-2016 was \$227,513 which represents the outstanding balance of the Series 2009 Sales Tax Revenue Bonds. These bonds will be paid in full at the conclusion of Fiscal Year 2016-2017. The City has no General Obligation debt. The Light & Power Fund's Electric Revenue Bonds issued on November 10, 2010 in the amount of \$15,280,000 carried an outstanding principal balance of \$12,085,000 as of June 30, 2016. This debt is carried in the Light & Power Fund (Enterprise Fund). No new near-term debt issuance is anticipated.

# SPECIAL REVENUE FUNDS

## MUNICIPAL BUILDING AUTHORITY

### **OVERVIEW**

The Municipal Building Authority Fund accounts for specific resources that are restricted or committed to expenditures for specific purposes other than general debt service or capital projects of the City. This fund is governed by a board comprised of the City Council. The fund had no outstanding debt as of Fiscal Year 2015-2016 but will still receive payments due from the State of Utah for their remaining three year obligation on payment of lease financed debt of the Public Safety Building which houses the State Second District Court.

## RAP TAX

### **OVERVIEW**

The Recreation, Arts and Parks (RAP) Tax (originally approved by voters in 2007) funded construction of the CenterPoint Legacy Theatre in Centerville as a joint project with Centerville City and recreational and cultural facilities and organizations in Bountiful City. In March 2008, Bountiful City entered into an interlocal agreement with the Centerville City Redevelopment Agency for the construction of the CenterPoint Legacy Theatre. Ninety percent of the one-tenth of one percent (0.01%) tax was paid to the Centerville RDA per that agreement. The originally adopted RAP Tax expired on March 31, 2016, but the tax was re-authorized by voters in November 2014, to continue for a 10 year period. The reauthorized funding is slated primarily for projects located within the corporate limits of Bountiful City with the majority of the proceeds earmarked for improvements to the new Creekside Park located on Mill Street in Bountiful City.

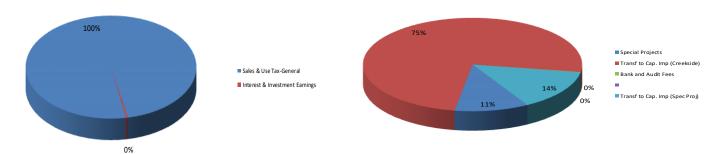

### LINE-ITEM HIGHLIGHTS

Tax revenues of the RAP Tax Fund for Fiscal Year 2016-2017 are projected to exceed the approved budget due to prevailing trends in tax collections. The budget for Fiscal Year 2017-2018 is similarly projected to be higher than the current budget year due to forecasted sales tax trends. Expenditures in the Special Projects line item include budgeted amounts for grants to eligible arts and community groups. Transfers are budgeted to the Capital Improvement Fund to reimburse that Fund for Creekside Park development costs and for other RAP Tax eligible expenditures for parks and trails projects by the City.

## REDEVELOPMENT AGENCY

### **OVERVIEW**

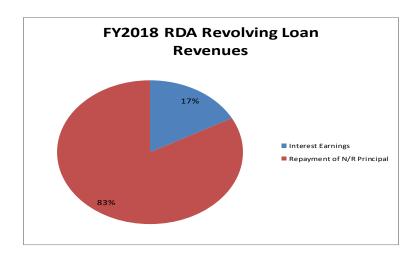

The Redevelopment Agency of Bountiful City is a separate agency authorized under State Law Title 17C known as the Limited Purpose Local Government Entities-Community Development and Renewal Agencies. The purpose of this agency is to facilitate redevelopment efforts in designated areas and to administer projects/programs to assist in economic development, community development and renewing urban areas. The Redevelopment Agency of Bountiful City assists in redevelopment efforts by encouraging private and public investment in previously developed areas that are underutilized or blighted. The Agency also promotes economic development by working with businesses to increase the jobs available in the community and the State as a whole.

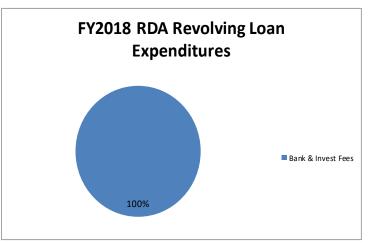

### **GOALS & PROJECTS**

Agency special projects that are budgeted for next year center on planning for, and development of, a downtown plaza for revitalization of the downtown area. Additional planning and redevelopment efforts will also be focused in the complex surrounding the existing City Hall at 790 South 100 East, and on the Renaissance Town Center development at the former Five-Points Mall site. The Redevelopment Agency will also continue to administer the Revolving Loan Program and participate in other projects within the Redevelopment Project Area.

# **ENTERPRISE FUNDS**

## RECYCLING

### **OVERVIEW**

Curbside recycling has been in place since 2008. Ace Disposal has a five year contract with the City which began in December 2013 and will end in December 2018. Ace Disposal picks up recyclables and delivers them to Rocky Mountain Recycle. Bountiful City bills residents for Ace Disposal services and takes requests for delivery or removal of recycling cans and passes these requests on to Ace Disposal for action. The recycling charge to the City per can is \$2.55 which is up from \$2.49 last year. The amount charged to residents is \$2.75 per can this will cover the increased charge from Ace Disposal and associated administrative costs. This rate per can is still a reduced cost from Fiscal Year 2012-2013 when the charge was \$3.25 per can under the former service provider.

### **GOALS & PROJECTS**

The goal of the Recycling Program is to continue with residential curbside recycling in a cost efficient manner for City residents.

### **LINE-ITEM HIGHLIGHTS**

### Acct# 487000-377220 Recycling Charges

Increased \$2,904 in this account is for the additional cans requested.

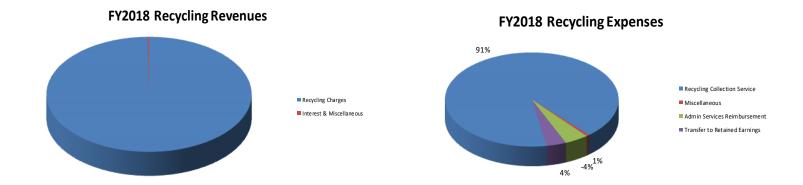

### Acct# 484800-431550 Recycling Collection Service

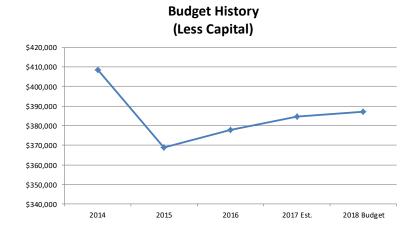

Increased \$2,688 is due to the monthly increase charged by Ace Disposal to the City. The \$2.49 charge per can has now increased to \$2.55 per can. This increase took place in December 2016.

### Acct# 484800-491150 Administrative Services Reimbursement

Increased \$3,509 to reimburse the City for the cost of the services it provides to the Recycling Enterprise Fund.

## **STORM WATER**

### **OVERVIEW**

The Storm Water Department has the responsibility to inspect, clean and monitor the City's streets and storm water systems to comply with the Storm Water Phase II Control Measures. Staff will educate and provide quality service to the community. The Storm Water utility requires a split of personnel and equipment with the Streets and Engineering Departments to accomplish the storm drain projects and repairs. The Department goal is to improve storm water quality.

### **GOALS & PROJECTS**

- 300 North 100 East to 200 East new storm drain line
- 200 North 50 East to 300 East to 100 North new storm drain.
- Corrugated storm drain pipe replacement. These pipe repair/replacements are located by the storm drain video maintenance program.

### **LINE-ITEM HIGHLIGHTS**

### Acct# 497000- 373500 Storm Water Collection Charges

Increased \$225,000 in this account is for a one dollar ERU increase effective July 1, 2017 approved in the FY2017 Budget.

### Acct# 494900- 411000 to 413040 Personnel Services

Increased \$13,035 in these accounts is for employee merit increases and the increased cost of health insurance.

### Acct# 494900- 422000 Public Notices

Increased \$2,500 in this account was due to expenses for inspections, reporting and Storm Water Coalition education programs.

### Acct# 494900- 431040 Bank & Investment Account Fees

Increased \$1,150 in this new account is due to expenses for Investment Account servicing

### LINE-ITEM HIGHLIGHTS (CONTINUED)

### .Acct# 494900- 441250 Storm Drain Maintenance

Increased \$75,000 for the repairs needed to the system found by the video inspections of the lines and inlets.

### Acct# 494900- 441260 Water Way Replacement

Increased \$14,000 for the replacement and improvement of failing concrete water ways.

### Acct# 494900-462400 Contract Equipment

The account was increased \$20,000 for the cleaning and inspection of over 70 miles of drain lines in the City. It has typically taken City staff 15 years to inspect lines but this increased funding will allow for a 10 year inspection cycle.

### Acct# 494900- 491150 Admin Services Reimbursement

Increased \$59,583 to reimburse the City for the cost of the services it provides to the Storm Water Department Enterprise Fund.

### Acct# 494900- 473106 New Storm Drains >400'

Account increased \$150,000 for below surface storm water structures, outlets, inlets and for new developments. This includes storm drain upgrades for 300 North-100 East to 200 East \$200,000 and 200 North-50 East to 300 East to 100 North \$200,000.

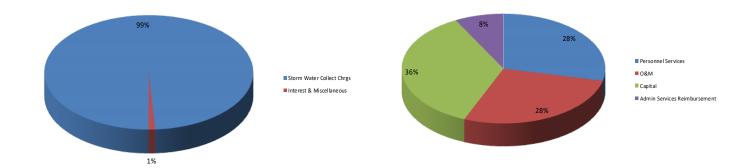

#### Acct# 494900- 474600 Vehicles

A decrease of \$121,000 was made in the vehicle account from last year's budget. This account is for the purchase of a new water truck \$100,000 and one-ton dump bed truck \$39,000 which is part of our scheduled equipment replacement program.

# **ORGANIZATIONAL CHART**

# **WATER**

## **OVERVIEW**

The mission of the Bountiful Water Department is to provide the customers of Bountiful City with reliable, safe, and high quality drinking water at the most economical price possible. Culinary water service is provided to 10,945 homes and businesses and all applicable records are maintained. Department staff members perform the necessary sampling and reporting to comply with all EPA, State and local Health Department regulations. Staff members update and reserve water rights, maintain and operate 8 wells, 12 booster stations (39 pumps and motors), 14 reservoirs, and 1 water treatment plant. Replacement of main lines, service lines and other water system components are also accomplished by Department staff members along with repair of main line and service line leaks. The Department operates and maintains 260 pressure regulating valves (PRVs), 1623 fire hydrants, 4,600 valves and 176 miles of main line. Staff members operate and maintain an automated meter reading system and meters for customer sites. In-service training is extensive given the critical nature of this public health business. All employees are State certified in water distribution level IV and water treatment level IV.

## **GOALS & PROJECTS**

Plan for and construct new water sources and physical facilities to meet anticipated demand.

Perform analysis on all sources yearly to determine if the system is operating at peak efficiency and assess current needs for source upgrades and/or the need for additional source(s).

Assess the need and upgrade transmission lines to help move water to areas with higher demands.

Provide prompt and courteous customer service.

Establish and maintain a rate structure which defrays costs, including those of future replacement, and equitably distributes the costs to customers.

Review plans for, and inspect construction of additions for the water distribution system. Participate in system replacement with in-house staff when possible.

Replace worn out and inadequate system components as required to maintain optimum service. Update a 10-year replacement plan yearly.

Provide timely information to system customers and the general public concerning drinking water issues and educational matters.

#### **Water Main Replacement**

We are continually replacing water mains and services, as outlined to the City Council a few years ago. System replacement has been based on factors which include water quality issues, leak history, pipe size/volume, electrolysis and easements.

#### **Treatment Plant**

We will upgrade our water treatment plant this year using an ultrafiltration membrane technology. An addition to the existing treatment plant building will house the new membrane equipment and the space in the existing building will house the clearwell, chemical injection, air compressors and chemical storage. We have been working on preliminary plans for quite some time and will be ready to begin July 1, 2017 to be completed by April 1, 2018.

#### Millcreek Reservoir

The Millcreek reservoir is aging. The concrete columns which support the roof and the roof itself are spalling and the tank itself has multiple cracks allowing root intrusion. Considering these conditions, a new reservoir will be needed in the same location in the budget year 2027-2028. This project has been put off for a few years to help us more easily deal with more pressing infrastructure issues.

#### **New Reservoirs**

With the land below the B being developed we are looking at a new reservoir. We have included in the 2017-2018 Budget funds to build a 1.5 million gallon reservoir just above 1300 East and north of 400 North (\$900,000).

#### **New Buildings**

We will build two new pump stations. The first will be at the Hannah Holbrook reservoir to pump into the new tank on about 400 North 1300 East (\$275,000). We will also build a new pump station to pump from the new reservoir to our Templeview reservoir. We have included money in the budget for this pump station (\$275,000) that will be paid for by the developer.

#### Completed Water Department Projects in 2016 – 2017

We completed installation of 2,700 feet of 16 inch water line on Bountiful Boulevard from Mueller Park Road to approximately Deer Run Circle to increase capacity to feed the southeast portion of the City (15 services).

Installation of 850 feet of 8 inch water line on 750 North and on 200 East from 650 North to 750 North (10 services)

We completed installation of 850 feet of 8 inch water line on 350 West from Center Street around the corner to 425 West.

We completed installation of 3,800 feet of 8 inch water line from 500 West to Main Street on 400 North with 46 services, hydrants and cross street connections.

We completed installation of 950 feet of 8 inch water line from Center Street to Medical Drive (40 services).

#### Total of 8,200 feet of Main Line and 111 service lines

#### Major Projects for 2017-2018

- 2,100 feet of 8" pipe on 1000 East from 400 North to 900 North with 32 services and 5 new fire hydrants. This project will include a pressure reducing station.
- 1,100 feet of 6" and 8" pipe on a portion of Oakridge Lane and Oakridge Circle with 17 services and 2 fire hydrants. We are having water quality issues on this street with frequent rusty water complaints.
- 2,200 feet of 6" and 8" pipe on 900 South from 200 West to Main Street with 40 services and 7 fire hydrants. We have several leaks each year on this street.

900 feet of 6" pipe on 1400 North from 450 East to 1350 North with 17 services and 1 fire hydrant. We have water quality issues on this street with frequent rusty water complaints.

1100 feet of 10" pipe with 4 services and 1 fire hydrant on 250 North from the new pump station at Holbrook reservoir and 700 feet of 10" main on 400 North 1300 East so we can pump water from Holbrook reservoir to the new reservoir on 1350 East 400 North.

# Bountiful Water Department Statistics January 1, 2016 Thru December 31, 2016

## **LINE-ITEM HIGHLIGHTS**

The operations budget includes very little increase with the exception of costs that are beyond department control. In cases where we need an increase, we have tried to cut a like amount somewhere else. Personnel, Weber Basin O&M, education, certification and testing, system replacement costs, new regulatory sampling, street opening expenses, and equipment replacement tend to be the ones that increase each year. The Budget items that have changed significantly this year are listed here with explanation:

#### Acct# 515100-411000 Salaries Permanent Employees

Up \$78,904 - Includes merit increases and some wage adjustments based on a market survey, as well as medical and other benefit increases. This number can also change significantly based upon the amount of capital work we do with our own forces. Time spent on capital projects is reimbursed from a capital account to the expense account for wages. We are not doing as much pipe replacement with our own forces this year so that would be part of the reason this took a jump.

#### Acct# 515100-423000 Travel and Training

Up \$1,000 – Increased costs to obtain and keep certifications. We have two new men to certify this year. We made up for this increase with cuts to 515100-448000.

#### Acct# 515100-424000 Office Supplies

We have used another account in the past to purchase office supplies but have decided to use this account to help us to track costs. A like amount was cut from 515100-448000 to fund this account.

## Acct# 515100-425000 Equipment Supplies and Maintenance

Up \$6,100 – This is up mostly due to the fact we are doing less capital work with our own forces so the reimbursement from capital funds will not be as much.

## Acct# 515100-428000 Telephone and Radio

Down \$1,300 – With the ability to access mapping, GPS and input information in the Tyler MUNIS system from the field we have upgraded to data phones. We have paid the initial costs in a previous year and we now have only monthly payments.

#### Acct# 515100-431100 Legal and Auditing Fees

Up \$2,454 - We have been paying for these services from another account. We will now use the proper account for this. A like amount was reduced in 515100-431000 professional and technical services.

#### Acct# 515100-431000 Professional and Technical Services

Down \$2,770 because we will no longer pay legal and auditing fees from this account.

#### Acct# 515100-448000 Operating Supplies

Down \$3,500 – We will not need guite as much money for SCADA and chemical injection equipment as last year.

#### Acct# 515100-461300 Street Opening Expense

Up \$6,790 – Backfill materials have increased 5% and we are not doing as much capital work with our own forces in 2017-18.

#### Acct# 515100-461400 Purchase of Water

Up \$12,220 – Weber Basin projects the cost of purchased water to go up 7.5%.

#### 515100-472100 Buildings

Two new pump stations will be constructed. The first will be at the Hannah Holbrook reservoir to pump into the new tank on about 400 North 1300 East (\$275,000). Staff will also build a new pump station to pump from the new reservoir on 1300 East to the new tank to our Templeview reservoir. Funds are in the budget for this pump station (\$275,000) which will be paid by the developer.

#### 515100-472120 Reservoirs

With the land below the B being developed we are looking at a new reservoir. We have included in our Budget Funds to build a 1.5 million gallon tank at just above 1300 East and north of 400 North (\$900,000).

#### 515100-473110 Water Mains

\$1,453,750 - New development and routine pipeline replacement. This is up \$1,123,750 from last year. It includes \$898,500 in new development for infrastructure in and for the new subdivisions on 400 North below Bountiful Blvd. \$555,250 is for routine pipe replacement. We cut this by \$550,000 in 2017 to help pay for a new reservoir we will build in 2017 above 1300 East and north of 400 North.

## 515100-474500 Machinery and Equipment

\$80,000 way down from last year (\$229,000) but we will replace the control panels at our Upper Williams booster station along with upgraded motor protection (\$35,000). We will also be replacing two of the three control panels at our 3100 South booster station with upgraded technology (\$35,000). We will also be purchasing a new air compressor for our shop (\$10,000)

#### 515100-491150 Administrative Services Reimbursement

\$332,661 (up \$67,321). Increased to more closely reflect administrative and labor costs for duties performed by other departments on behalf of the Water Department.

## 515100-474600 Vehicles

We will replace one supervisor pickup truck as scheduled on our 10 year plan. (\$34,000).

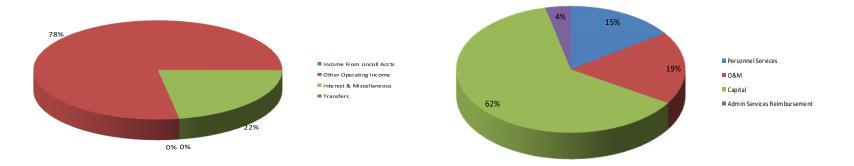

## <u>Fees</u>

There are fee change requests for the 2017-2018 fiscal year budget as noted in the fees and charges schedule.

# **LIGHT & POWER**

# **OVERVIEW**

Bountiful City Light & Power (BCLP) provides electrical power to residential, commercial, and industrial customers in Bountiful, Utah. BCLP is an enterprise fund owned by the City of Bountiful (the City) which means it is operated similar to a business, where the expenses of providing electricity and related services to its customers are recovered primarily through revenues from those customers for the electricity and services they use.

BCLP was created when the City bought the existing Bountiful Light & Power Company, built a power plant, and produced its first electricity on May 22, 1935.

Currently, BCLP supplies power to approximately 15,500 residential customers, 1,400 commercial customers, and one industrial customer.

Throughout the year, BCLP supplies from approximately 20 megawatts (MW, one million watts) to over 80 MW of electrical power to its customers. The load varies from hour to hour and is affected by the time of day, the day of the week, the weather and the season. The record one-hour system peak is 80.886 MW, set on July 1, 2013.

BCLP's largest source of revenue, electric metered sales (EMS, sales of electricity to its customers), changes seasonally with customer usage: the highest peaks occur in the summer, lower peaks occur in the winter, and the lowest points occur in the fall and spring. Air conditioning is the reason for the summer peaks, and heating and lighting are the reason for the winter peaks.

Weather can have the largest single impact on BCLP's ability to stay within its budget:

- Average seasonal temperatures, and the resulting demand for electrical power, are essentially built into BCLP's budget.
- Mild seasonal temperatures and the resulting low demand for power can result in BCLP not meeting its budget as its fixed costs do not decline with a decrease in EMS.
- Extremes in seasonal temperatures (too hot and/or too cold) and the resulting high demand for power can have either:
  - o a positive impact on BCLP's budget if the cost of the extra power that BCLP must supply (from the market or its power plant) is lower than the price that power is sold for; or
  - o a negative impact if the cost of the extra power is higher than the price that power is sold for.

# **OVERVIEW** (CONTINUED)

Historically, BCLP has kept its rates lower than that of Rocky Mountain Power (RMP) and RMP's predecessors. Currently, BCLP's residential customers pay an average of 12.5% lower than they would on RMP; with the proposed increase in the monthly customer charge, BCLP's residential customers would pay an average of 8.4% lower than they would on RMP.

#### BCLP's electrical system includes:

- Six substations in the City and two at its hydroelectric projects.
- 16 miles of 46,000 volt transmission lines in the City.
- 26 miles of transmission line to the City-owned Echo hydroelectric project.
- 97 miles of 7,200 volt overhead distribution system lines in the City.
- 92 miles of 7,200 volt underground distribution system lines in the City.

#### BCLP has the following long-term power resources:

- 16 to 26 MW from the Colorado River Storage Project (CRSP) generated by the Glenn Canyon Dam at Lake Powell. This contract ends in 2024.
- 0 to 30 MW from the coal-fired Intermountain Power Project (IPP) near Delta, Utah. This contract ends in 2027. At that time, IPP will be converted to a natural gas-fired plant, and BCLP's contract will be changed to 0 to 20 MW from 2027 to 2055.
- 5 MW from the coal-fired San Juan Unit No. 4 power plant (San Juan) in New Mexico. This contract ends in 2043.

## BCLP owns the following power resources:

- 32.3 MW (nameplate) from BCLP's natural-gas fired power plant.
- 4.5 MW from the Echo hydroelectric project.
- 1.8 MW from the PineView hydroelectric project.

## **GOALS & PROJECTS**

BCLP's most important goal is the safety of its employees, its customers, and anyone else that interacts with BCLP's electrical system. In addition, BCLP continues to strive to:

- provide reliable electrical service
- be a low cost provider
- provide good customer service

BCLP must supply power to its customers regardless of the price it must pay to do so. Therefore, BCLP strives to buy and/or generate electricity at the most economical prices but it must also protect itself and its customers from excessive exposure to market price increases.

#### **Operating Expenses**

BCLP's total operating expenses for Fiscal Year 2017-2018 are budgeted at \$24,373,738, up \$1,693,439. This includes personnel services and operations and maintenance expenses.

BCLP continues to place great emphasis on maintaining its transmission and distribution substations and systems, metering systems, and power plant. The budget includes the ongoing replacement of transformers, wire, poles, meters, etc., upgrading them when feasible, trimming of trees from the power system, and regular maintenance at the power plant.

## **Capital Expenditures**

BCLP's total capital expenditures for Fiscal Year 2017-2018 are budgeted at \$6,242,000, up \$3,113,000. This includes:

- Land at \$50,000 to purchase land at the NE substation from the Water Department.
- Office and warehouse at \$600,000 includes drainage system work, replacing asphalt, developing the Harrison property, painting the dock, transformer oil containment, replacing the yellow shed, and adding new bays.
- Transmission substation at \$35,000 to install security cameras at the 138 KV substation.
- Distribution substations at \$30,000 for fiber terminations.
- Distribution system at \$200,000 to begin an upgrade of the meter collection system.
- Distribution street lights at \$102,000 to replace 34 steel poles 400 North to Centerville.
- M&E Echo Hydro at \$500,000 to upgrade the controller.
- M&E Vehicles at \$415,000 to replace a digger-derrick truck and a compressor.

- Construction in Progress (CIP) Transmission Substation at \$3,000,000 for engineering and a new transformer for the first half of the upgrade of the 138 KV substation.
- CIP Transmission System Phase 7 at \$500,000 to rebuild the transmission line from the NW Substation to the Rec Center.
- CIP Distribution System at \$50,000 to build an inter-tie connection between Feeder #573 and Feeder #676.
- CIP Distribution System at \$450,000 to upgrade Feeder #575 in conjunction with the SW substation upgrade.
- CIP Distribution System at \$110,000 to rebuild the distribution line at 1209 N. Main St.
- CIP Distribution System at \$200,000 to begin developing the Keller property.

## **LINE-ITEM HIGHLIGHTS**

The following is a description of all changes in BCLP budget line items that are \$10,000 or greater from Fiscal Year 2016-2017 to Fiscal Year 2017-2018.

#### **Operating Revenues:**

Total Operating Revenues are budgeted at \$27,516,954, up \$605,783.

#### Acct # 537030-362000 Rental Income (Poles).

Increased \$11,833 with a proposed increase in the annual pole attachment fee from \$7.00 to \$10.00 per pole.

#### Acct # 537010-372400 Connection Fees.

Increased \$20,000 to bring this line item closer to historical experience.

#### Acct # 538030-372410 Contribution in Aid To Construction.

Increased \$82,500 to include the estimated \$82,500 to be paid by Rainey Homes to develop the Keller property.

#### Acct # 537000-375100 Electric Metered Sales (EMS).

Increased \$340,000: down \$460,000 to bring this line item closer to historical experience; and up \$800,000 with proposed increases in monthly customer charges for all customers, \$400,000 of which is specifically to help fund the upgrade of the 138KV substation.

#### Acct # 537000-375300 Air Products Income.

Increased \$151,450 to more closely match their anticipated usage.

#### **Operating Expense – Personnel Services**

Total Personnel Services expenses are budgeted at \$4,325,000, up \$8,146. All labor and benefits budget amounts for each employee, all subtotals and the total have been matched to Bountiful City's Human Resources data as of May 08, 2017.

#### Total Personnel Services includes:

- Employees at 34 full-time (unchanged) and five permanent part-time (unchanged).
- Merit increases for 13 employees.
- A 0.0% cost of living adjustment (COLA) for all exempt employees, and a 0.0% COLA for all non-exempt employees.
- Increased health insurance rates.
- Total Labor is \$2,868,961, down \$44,064 with a decrease in the average seniority of employees.
- Total Benefits at \$1,456,039, up \$52,210 with increased health insurance rates and the accrual of vacation, sick leave, and comp time.

Note: The process of determining budget amounts for each Personnel Services line item is as follows:

- 1. Match each employee line item details, subtotals, and total to Human Resources data.
- 2. Identify specific budget amounts for line items whenever possible; this is done for each benefits budget line, and the labor budget lines for the power plant, meter reading, administrative, engineering, and power commission.
- 3. Allocate budget amounts for the remaining labor budget lines according to the percentage of their actual results in the most recently completed fiscal year (FY 2015-2016).

#### Operating Expense – Operations & Maintenance

Total Operating Expenses for Operations & Maintenance are budgeted at \$20,048,738, up \$1,685,293.

#### Acct # 535300-431000 Profess & Tech Services

Increased \$25,000 for public relations for solar customers.

#### Acct # 535300-431040 Bank & Investment Acct Fees

New line item budgeted at \$18,000.

#### Acct # 535300-445201 Safety Equipment

Decreased \$14,131 after the purchase of 13 AED defibrillators in FY 2017.

#### Acct # 535300-448615 Plant Building Repairs

Decreased \$30,054 to not change the plant to the new City logo.

#### Acct # 535300-448616 Plant Storage Tank Fees

Decreased \$37,500 after the closure of two diesel tanks in FY 2017.

#### Acct # 535300-448622 Power Purchased from San Juan

Increased \$12,521 with revised maintenance costs from the San Juan plant.

#### Acct # 535300-448626 Power Purchased from UAMPS (Pool, etc.)

Decreased \$127,855 with revised power purchases from the market.

#### Acct # 535300-448627 Echo Hydro

Increased \$82,521 with higher charges from water users, Weber River, and FERC, and higher maintenance needs.

#### Acct # 535300-448628 PineView Hydro

Increased \$55,985 with higher charges from water users, FERC, and wheeling costs.

#### Acct # 535300-448630 Transmission

Increased \$770,000 to replace 39 transmission poles from the SE Sub to the Echo line (using a contractor), and to replace 10 transmission poles on 1800 South. Both projects are funded by use of retained earnings.

#### Acct # 535300-448632 Distribution

Increased \$188,866 with seven maintenance projects to upgrade primary wire.

#### Acct # 535300-448633 Street Lights

Increased \$40,000 to repair underground lines.

#### Acct # 535300-448637 Transformers

Increased \$20,000 for budgeted upgrades and expected usage.

#### Acct # 535300-448639 Substation

Increased \$220,000 to replace four 46 KV breakers in the SE and Central substations (funded by use of retained earnings), and to install a relay in the SE substation.

#### Acct # 535300-448641 Communication Equipment

Decreased \$25,453 with postponement of a digital base station, FCC license, and 28 truck radios until further research can be done.

#### Acct # 535300-448650 Meters

Increased \$20,680 to purchase meters for customer installations.

#### Acct # 535300-466000 Contingency

Increased \$398,804 to balance operating expenses.

#### Acct # 535300-491150 Administrative Services Reimbursement

Increased \$57,534 to reimburse the City for the cost of the services it provides to the Enterprise Funds including the Power Department.

#### **Non-Operating Revenues & Expenses**

Total Non-Operating Revenues and Expenses are budgeted at a net expense of \$777,473, down \$15,657.

#### Acct # 536020-364000 Gain On Fixed Asset Sales

Increased \$19,000 with sale of an old line truck.

#### Acct # 535300-481000 Principal on Bonds

Increased \$10,000 in accordance with the bond payment amortization schedule. Debt outstanding at June 30, 2016 was \$12,085,000.

#### Acct # 535300-482000 Interest on Bonds

Decreased \$21,887 in accordance with the bond payment amortization schedule.

#### **Capital Expenses**

Total Capital Expenses are budgeted at \$6,242,000, up \$3,113,000.

#### Acct # 535300-471100 Land

Increased \$50,000 to purchase land at the NE substation from the Water Department.

#### Acct # 535300-472100 Buildings

Increased \$300,000 with asphalt replacement and drainage system work, development of the Harrison property, paint the dock, transformer oil containment, replace the yellow shed, and add new bays (all funded by use of retained earnings).

#### Acct # 535300-473140 Dist Street Lights

Increased \$102,000 to replace 34 steel poles from 400 North to Centerville (funded by use of retained earnings).

#### Acct # 535300-474505 M&E Plant

Decreased \$500,000 with the installation of the new control package for turbine #1 in FY 2017.

#### Acct # 535300-474515 M&E Echo

Increased \$500,000 to replace the controller.

#### Acct # 535300-474600 M&E Vehicles

Increased \$161,000 to replace #5047 digger-derrick truck and #5915 compressor.

#### Acct # 535300-474710 Construction In Progress (CIP) Transmission Substation

Increased \$1,800,000 for engineering and a new transformer for the first half of the upgrade to the 138 KV substation (funded by use of retained earnings).

#### Acct # 535300-474740 CIP Trans Sys East Loop

Increased \$500,000 for the Phase 7 transmission project from the NW Sub to the Rec Center (funded by use of retained earnings).

#### Acct # 535300-474810 CIP Dist Sys Feeder #573 to #676 Tie

Decreased \$150,000 with redesign of this project (funded by use of retained earnings).

#### Acct # 535300-474820 CIP Dist Sys Feeder #575

Increased \$150,000 to upgrade this feeder (funded by use of retained earnings).

#### Acct # 535300-474840 CIP Dist Sys Keller Property

Increased \$200,000 to extend the distribution system to service this development (funded by use of retained earnings).

## **Operating Transfers In (Out)**

Total Operating Transfers In (Out) budgeted at \$3,876,257 net transfers in (a net income), up \$4,184,999.

#### Acct # 538000-389010 Use Of Retained Earnings

Increased \$6,419,500 to fund:

- \$800,000 to replace 39 transmission poles from the SE Sub to the Echo line (work done by a contractor)
- \$100,000 to replace 10 transmission poles on 1800 South
- \$200,000 to replace four 46 KV breakers in the SE and Central substations
- \$600,000 for the office and warehouse
- \$102,000 to replace 34 steel poles from 400 North to Centerville
- \$500,000 to replace the controller at the Echo hydro
- \$3,000,000 for the 138 KV Transmission Substation
- \$500,000 for the transmission system phase 7 from the NW Sub to the Rec Center
- \$50,000 for the distribution system feeder #573 to #676 inter-tie
- \$450,000 for the distribution system feeder #575 upgrade
- \$117,500 to extend the distribution system to the Keller Property, minus the estimated contribution in aid to construction to be paid by Rainey Homes.

#### Acct # 535300-492000 Transfer to General Fund

Increased \$34,000 with the increase in budgeted EMS.

# RATES, FEES, AND DEPOSITS

For the FY 2017-2018 budget, there are proposed changes (increases or decreases) to rates, resulting in an estimated average increase of in electric metered sales (EMS) of 3.3%. In addition, there are also proposed increases to certain fees. There are no proposed changes to deposits.

For **Standard rates**, the proposed changes include:

- Residential:
  - o monthly customer charge from \$6.00 to \$10.00;
  - o energy charge no change at \$0.0925 per KWH.
- Commercial Small With Demand, Commercial Small With No Demand, Temporary, and Municipal:
  - o monthly customer charge from \$10.00 to \$14.00;
  - o demand charge (Small Commercial With Demand only) from \$8.21 to \$8.70 per KW;
  - o energy charge(s): no changes at \$0.1112 per KWH (and \$0.0624 per all KWH above 1,500 KWH for Small Commercial With Demand).
- Commercial Large:
  - o monthly customer charge from \$54.00 to \$58.00;
  - o demand charge from \$13.13 to \$16.81 per KW;
  - o energy charge from \$0.0473 to \$0.0381 per KWH.

For **Net Metering rates**, the proposed changes include: no new customers accepted after 30 June 2017; all existing customers 'grandfathered' as long as there are no changes or upgrades to their electrical service and / or their power generating system; and rates are subject to change.

- Residential Net Metering:
  - $\circ$  monthly customer charge from \$10.00 to \$14.00;
  - o energy charge or credit no change at \$0.0925 per KWH.
- Commercial Small With No Demand Net Metering, and Commercial Small With Demand Net Metering:
  - monthly customer charge from \$14.00 to \$18.00;
  - demand charge (Small Commercial With Demand Net Metering only) from \$8.21 to \$8.70 per KW;
  - o energy charge(s) no change at \$0.1112 per KWH (and \$0.0624 per all KWH above 1,500 for Small Commercial With Demand NM).
  - o energy credit no change at \$0.0624 per KWH.
- Commercial Large Net Metering:
  - o monthly customer charge from \$54.00 to \$58.00;
  - demand charge from \$13.13 to \$16.81 per KW;
  - o energy charge from \$0.0473 to \$0.0381 per KWH;
  - o energy credit from \$0.0473 to \$0.0381 per KWH.

# RATES, FEES, AND DEPOSITS (CONTINUED)

New Feed-In Tariff rates are proposed for all new power generating systems (photovoltaic or other) accepted after 30 June 2017:

- Residential Feed-In Tariff:
  - o monthly customer charge of \$14.00;
  - o energy charge of \$0.0925 per KWH;
  - o energy credits (see "Energy Credits for all Feed-In Tariff customers" below).
- Commercial Small With No Demand Feed-In Tariff:
  - o monthly customer charge of \$18.00;
  - energy charge of \$0.1112 per KWH;
  - o energy credits (see "Energy Credits for all Feed-In Tariff customers" below).
- Commercial Small With Demand Feed-In Tariff:
  - monthly customer charge of \$18.00;
  - o demand charge of \$8.70 per KW;
  - o energy charge of \$0.1112 per KWH for the first 1,500 KWH; energy charge of \$0.0624 per KWH for all additional KWH;
  - o energy credits (see "Energy Credits for all Feed-In Tariff customers" below).
- Commercial Large Feed-In Tariff:
  - o monthly customer charge of \$54.00;
  - o demand charge of \$16.81 per KW;
  - o energy charge of \$0.0381 per KWH;
  - o energy credits (see "Energy Credits for all Feed-In Tariff customers" below).
- Energy Credits for all Feed-In Tariff customers:
  - o 12am-12pm: \$0.0400 per KWH;
  - o 12pm-4pm: \$0.0600 per KWH;
  - o 4pm-12am: \$0.0925 per KWH.

For **Fees**, the proposed changes include the following items:

- A \$5.00 increase to more closely cover actual costs to:
  - o Connect fee regular hours next day from \$25.00 to \$30.00
  - o Connect fee regular hours same day, collection / disconnect fee, and reconnect fee regular hours from \$35.00 to \$40.00
  - o Connect fee after hours from \$70.00 to \$75.00
  - o Reconnect fee after hours from \$130.00 to \$135.00

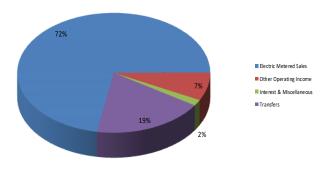

# BCLP'S "ELECTRIC RATE SCHEDULES", AND "ELECTRIC SERVICE POLICIES AND ELECTRIC SERVICE AGREEMENTS"

BCLP's "Electric Rate Schedules" and "Electric Service Policies and Electric Service Agreements" document includes the above proposed changes to its Rates, Fees, and Deposits. It also includes the following maximum allowable power generating system (photovoltaic or other) size limitations:

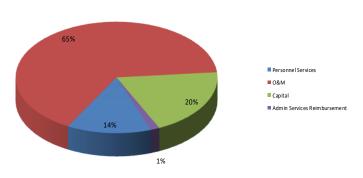

- For Residential single-phase Customers, the maximum power generating system size is 10 KW.
- For Commercial Customers with single-phase service, the maximum power generating system size is 10 KW, or 75% of their peak metered energy demand, whichever is greater.
- For Commercial Customers with three-phase service, the maximum single-phase power generating system size is 5 KW. For those power generating systems larger than 5 KW, a three-phase inverter is required. The maximum power generating system size is 30 KW, or 75% of their peak metered energy demand, whichever is greater.

# **ORGANIZATIONAL CHART**

# **GOLF COURSE**

## **OVERVIEW**

The Bountiful Ridge Golf Course will provide the highest possible level of golf programs and golf facilities at reasonable rates to Bountiful City residents and others. This has been the mission statement since opening in July of 1975. The staff is committed to provide the best possible golf experience at the best rates possible. Bountiful residents, along with area golfers, expect excellent facilities and programs and will pay a fair rate to support them.

Growth in the number of golf facilities has increased the competition for play from the local and area golfers. Since 2000, the over-abundance of golf courses along with a turbulent economy has presented the golf industry with challenging times where rounds of golf have decreased both nationally and locally. We believe it is through our strong customer service and programs, along with a loyal following of core golfers, that our facility has been able to maintain its level of play while many area courses have had a decrease in their amount of activity. Bountiful Ridge continues to maintain the status of being one of the top public golf courses both state-wide and nationally, and remains as one of the few profitable and successful golf courses in Utah.

#### **Budget and Financial Structure**

The Bountiful Ridge Golf Course is an Enterprise Fund within the general Bountiful City Budget. As an Enterprise Fund the Golf Course is budgeted to generate enough operational income (fees) to offset any operational expenses, capital expenses and contributions to the reserve funds.

#### **Programs**

The Bountiful Ridge Golf Course provides a wide variety of golf activities and programs. We provide recreational, club and state level events and programs. We facilitate programs for men, women, juniors and seniors, and a broad based lesson/player development program. The golf facility and its employees have won several prestigious awards and recognitions within the local golf community as well as nationally.

## **Admissions and Fees (Revenues)**

The Golf Course fees are at the low end in comparison to other local golf facilities and extremely low in comparison to other golf facilities throughout the country. A fee comparison survey is completed on an annual basis to facilitate the budgeting process.

# **OVERVIEW** (CONTINUED)

The majority of golf course revenues are generated from green fees (admission fees) and golf cart rental fees. Other revenues include shared profit from golf shop sales, lease of the snack bar, rental equipment and interest on reserve funds. There are also a few sundry accounts to record un-budgeted or infrequent revenue collections.

We budget for approximately 75,000 nine-hole rounds each season. This figure will be higher or lower depending on the weather for that season (fiscal year). Our fiscal year ends in the middle of the golf season on June 30<sup>th</sup>. All budgeted revenues and expenses span parts of two golf seasons. Green fees are the number one revenue source. Golf cart rentals are second. The golf shop sales, snack bar lease and interest income follow as revenue sources.

#### **Expenditures**

Golf Course expenditures are used to provide the programs and the levels of service as outlined in our Golf Course goals. Every care is taken to responsibly use Golf Course funds to best provide services and programs for the citizens. Golf expenditures are in three major areas: salaries, wages, and benefits; operating expenses; capital expenses.

#### **Employees**

The Golf Course currently employs five full time employees including the Golf Course Superintendent, Assistant Superintendent, Golf Course Mechanic, Head Golf Professional and Assistant Golf Professional. The Golf Course employs part-time seasonal employees to fill all other positions.

The maintenance (outside) operation uses approximately 13,000 seasonal employee hours for course maintenance. The total number of maintenance employees at peak season is approximately 20. These workers maintain all of the outside facilities including fairways, greens, perimeter areas, water system and outside buildings.

The golf shop (inside) operation uses approximately 10,000 seasonal employee hours for operational and program duties. The total number of golf shop staff at peak season is approximately 20. These workers provide service as apprentice professionals, starters, golf course player assistants and cart service employees.

#### **Operational Expenses**

Operational expenses include all of the items and materials required to operate the golf facility at an efficient level during the budget year. Many of the expense accounts are self-explanatory. These expense accounts contain the annual costs for all supplies including office supplies,

# **OVERVIEW** (CONTINUED)

maintenance supplies and special departmental supplies. All fuels, oils, equipment maintenance and parts and all services are included in operational expenses. Other operational accounts include accounts related to employee training and education, employee and facility organizational memberships and subscriptions and telephone and utility costs. The golf shop's inventory and cost of goods for resale are purchased from these operational accounts.

#### **Capital Expenses**

Capital expenditures include major facility and equipment improvements or purchases. We have a program to replace old golf carts and maintenance equipment on a regular basis. We also budget for golf course/facility renovations from these accounts. A portion of Golf Course revenues are set aside in reserve accounts to offset the replacement of capital items.

## **GOALS & PROJECTS**

As golf professionals and course superintendents it was agreed upon by all that the keys to success for the 2017-2018 season would be outstanding course conditions, outstanding customer service, and constant communication between professional and superintendent staffs.

#### **Golf Professionals/Clubhouse Staff**

#### Goals

- Provide the highest possible level of golf programs and golf facilities to Bountiful City residents and others
- Secure a sponsor for each of our 2017 Men's Association tournaments
- Work toward growing rounds/revenue from 2016 by increasing afternoon play through family and junior programs
- Weekly meetings/communication with superintendents and daily communication as needed
- Work toward increasing men's, women's and senior association weekly participation
- Explore options for developing new "Partners in Success" event
- Continue with remodel of clubhouse
- Increase customer data base/marketing through our POS system
- Increase social media presence to Bountiful Ridge patrons
- Solidify the use and functionality of "Bountiful Ridge" phone App

#### **Projects**

- Golf Professionals will continue with aggressive marketing in attracting and retaining group and corporate golf events and outings
- Continue with the implementation of changes to men's association twilight/tournament formats and payouts
- We will be reaching out to area businesses offering Men's Association sponsorship opportunities
- Conduct survey of Men's Association to gain the feedback needed to help increase membership and tournament participation
- Coordinate and promote summer Bountiful Ridge Block Party in conjunction with Clubs for Kids activity
- Continue with rotation/purchasing of golf carts and will research best options for our facility
- Maintain an aggressive marketing plan through our pro shop POS system
- Golf Professionals will continue with the training/education of clubhouse staff members in providing the highest level of customer service to our patrons
- Continue in the promoting and building of strong programs including local men's and women's golf associations, and a strong junior golf program
- Golf Professionals will continue to be actively involved in the PGA organization and remain proactive in attending PGA education and training seminars
- Research/implement programs and opportunities to increase afternoon play
- Explore feasibility of fee increase starting 2018 season

#### **Superintendents/Maintenance Staff**

#### Goals

- Increase green speed. This will be accomplished through lower mowing heights, increased rolling, and consistent irrigation
- Continue to improve on our preventative maintenance schedule for the irrigation system and pumphouse. Activate each station after charging the pumps and log necessary repairs for future reference
- Vent greens monthly with solid tines or blades to increase gaseous exchange and root density. Follow with light topdressing
- Improve hiring practices by working closely with work force services to fill the needed positions quickly and keep a consistent crew on throughout the year

# GOALS & PROJECTS (CONTINUED)

#### **Projects**

- Continue capping 1-9 bunkers with new sand
- Continue to identify tees that need leveling and renovation (continue on par 3s)
- Core aerate fairways
- Improve poa annua control on greens with new, more aggressive practices. Additional growth regulator application in summer
- Renovate restrooms (new paint, flooring and fixtures)
- Move core aeration of greens to an earlier date (July 17,18) to speed up the healing process and accommodate fall and spring golfers

# **LINE-ITEM HIGHLIGHTS**

## **OPERATING REVENUES**

#### Acct# 557020-347100 Admissions & Green Fees

• The amount budgeted reflects a proposed increase of \$1.00 per 9 holes beginning January 1, 2018.

#### Acct# 557030-362300 Rent of Golf Carts

• Budgeted a decrease of \$5,000 due to recent track record of golf cart rentals and no increase of golf cart fees for fiscal year.

## **OPERATING EXPENSES**

# Acct# 555500-411000 Salaries-Perm Employees

• Budgeted an increase of \$11,796 due to eligible merit raise increases and anticipated increase to Professional's pro shop commission.

## Acct# 555500-413020 Employee Medical Insurance

• Budgeted an increase of \$7,598 due to increased medical insurance costs.

# Acct# 555500-425100 Special Equip Maintenance

• Budgeted an increase of \$4,000 for the upgrade of fuel injected carts into this year's rotation and purchase of designated tournament cart.

# LINE-ITEM HIGHLIGHTS (CONTINUED)

#### Acct# 555500-426000 Bldg & Grnd Suppl & Maint.

• Budgeted a decrease of \$3,000 for the reallocation of funds to Acct. #555500-448220 "Pro Shop Misc. Supplies" fund.

#### Acct# 555500-428000 Telephone expense

• Budgeted an increase of \$600 due to projected increase of telephone expense

#### Acct# 555500-429300 Computer Hardware

• Budgeted a decrease of \$310 due to internet costs being reallocated to "Telephone expense" acct.

#### Acct# 555500-431000 Profess & Tech Services

Budgeted an increase of \$3,600 due to renegotiation of contract with Fore Up POS software. These funds will now pay for the POS system, website, and phone app, eliminating any future trade tee times.

#### Acct# 555500-431040 Bank & Investment Account Fees

• This is a new account to our budget. The funds of \$2,400 is our portion of the fees charged by the bank allocated to all departments.

#### Acct# 555500-431100 Legal and Auditing Fees

• Budgeted a decrease of \$755 due decrease auditing costs city wide.

## Acct# 555500-448220 Pro Shop Misc. Supplies

• Budgeted an increase of \$5,000 due to the reallocation of funds from Acct# 55550-42600 Bldg & Grnd Suppl & Maint. This reallocation of funds will help to better monitor costs of supplies, repairs, and maintenance to the clubhouse area.

#### Acct# 555500-491150 Admin Services Reimbursement

• This transfer is made for the purpose of reimbursing the General Fund of the city for services provided to the Enterprise Funds. Those services include such things as payroll/employee benefits, accounting, budgeting, legal, insurance, billing/customer service and other professional services provided by department staff members of the General Fund. The transfer amounts were recently restudied and revised to ensure their accuracy and adequacy for cost recovery in services provided. These transfer amounts will be periodically restudied and revised for this purpose in future years.

#### NONOPERATING REVENUES

## Acct# 556010-361000 Interest Earnings

• Budgeted a decrease of \$3,000 due to analysis of rate projection along with gains from investible balances.

# LINE-ITEM HIGHLIGHTS (CONTINUED)

# **CAPITAL PROJECTS**

# Acct# 555500-472100 Buildings

• Budgeted a decrease of \$150,000 due to no anticipated building projects this fiscal year.

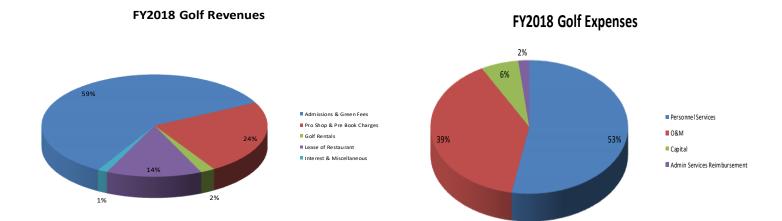

# Acct# 555500-473100 Improvements Other than Buildings

• Budgeted an increase of \$40,000. Funds to be used for the overlay of the golf course parking lot.

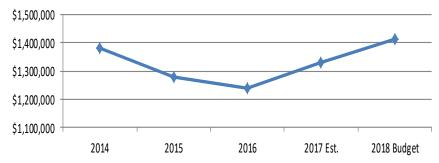

# Acct# 555500-474500 Machinery & Equipment

• Budgeted a decrease of \$5,000 due to decreased costs of equipment to be purchased.

# **ORGANIZATIONAL CHART**

# **LANDFILL**

# **OVERVIEW**

The Bountiful City Landfill provides City residents with quality service and competitive pricing. The staff seeks to keep the landfill organized, clean and structured to fulfill the needs and requirements necessary for City residents. Staff strives to improve dumping areas by type and vehicle size for a safe and convenient dumping operation. The daily priority is to cover landfill cells and maintain the all-weather roads.

# **GOALS & PROJECTS**

Trees and green waste are diverted from the landfill to extend the life of the landfill and to be used as compost. Staff members divert recyclables such as salvageable metals, aluminum, urethane, white goods, electronic components and Freon extracted from white goods dropped off at the site.

# **LINE-ITEM HIGHLIGHTS**

Acct# 577000- 377100 Commercial Collection

Increased \$215,000 in this account is due to a rate increase from \$25/ton to \$30/ton (last rate change was in 2007) and a charge of \$2/ton on clean fill will be implemented.

## Acct# 577000- 377300 Gate Receipts

Increased \$123,000 in this account is due to a rate increase from \$3.00 a load to \$5.00 a load. Last rate change was 1994.

#### Acct# 575700- 411000 to 413040 Personnel Services

Increased \$110,843 in these accounts are for employee merit increases, part-time salaries, increased cost of health insurance and 1 new full time employee for a total of 4 full time employees. This also reflects a reduction in part-time employees.

## Acct# 575700- 425000 Equipment Supplies and Maintenance

Decreased \$24,000 in this account is due to completion of the compactor wheels and cleats with an offset increase for a compactor engine rebuild of \$20,000.

# LINE-ITEM HIGHLIGHTS (CONTINUED)

#### Acct# 575700- 431040 Bank & investment Account Fees

Increased \$8,000 in this new account is due to expenses for Investment Account servicing.

#### Acct# 575700- 431300 Environmental Monitoring

Decreased \$2,000 in this account is that the landfill is under the higher tier tonnage threshold for landfill permitting fees.

#### Acct# 575700- 448000 Operating Supplies

Increased \$2,000 in this account is for the extraction and disposal of Freon from refrigerators.

## Acct# 575700- 455000 Closure/Post-Closure Exp

Decreased \$5,000 in order to meet targeted account funding levels set by landfill regulations.

#### Acct# 575700- 462400 Contract Equipment

Increased \$40,000 due to the increasing amount of green waste received for grinding with our green waste recycling and compost program.

#### Acct# 575700- 491150 Admin Services Reimbursement

Decreased \$13,554 in the reimbursement to the City for the cost of services it provides to the Landfill Department Enterprise fund.

## Acct# 576000- 369030 Repayment of N/R (Principal)

Increased \$228,555 this is for the repayment of an inter-departmental loan (Principal).

## Acct# 576000- 369040 Interest Earnings N/R

Increased \$61,786 this is for the repayment of an inter-departmental loan (Interest).

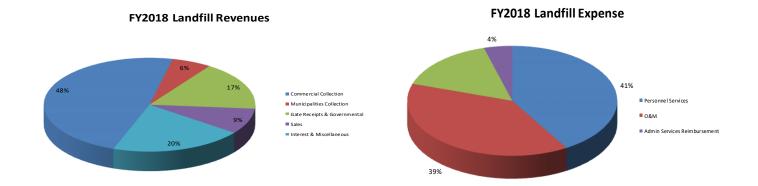

## Acct# 575700- 474500 Machinery & Equipment

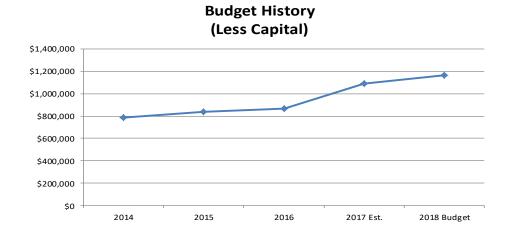

Increased \$115,000 for the purchase of a replacement water truck for dust control and compost management \$200,000.

## Acct# 575700- 473100 Improvements Other Than Buildings

Increased \$28,000 for new pavement in the Scale House and Recycling areas of the Landfill.

# **ORGANIZATIONAL CHART**

# **SANITATION**

# **OVERVIEW**

The Sanitation Department performs the collection of municipal waste in Bountiful City in a timely and professional manner. The Department purpose is to be neat, clean and to operate in an organized and safe environment. Staff will maintain the inventory of waste containers to ensure serviceability for customers and will maintain Department equipment in a safe and professional manner.

# **GOALS & PROJECTS**

The Department goal is to provide weekly waste collection service in a timely and professional manner. In addition, the Department provides a spring and fall curbside debris cleanup each year along with a household hazardous waste event after fall cleanup which is held at the Sanitation Department facility.

# **LINE-ITEM HIGHLIGHTS**

The Sanitation Department's proposed budget highlights are as follows:

## Acct# 587000- 377000 Refuse Collection Charges

Increased \$1800 in revenue is from new homes and second cans.

#### Acct# 585800- 427000 Utilities

Increased \$1,000 in this account was due to rising cost and usage.

#### Acct# 585800- 431040 Bank & Investment Account Fees

Increased \$1,800 in this new account is due to expenses for Investment Account servicing.

#### **Acct# 585800- 4484800 Operating Supplies**

Increased \$5,000 in this account is the cost of our Household Hazardous Waste collection program which continues to increase.

# LINE-ITEM HIGHLIGHTS (CONTINUED)

## Acct# 585800- 491150 Admin Services Reimbursement

Increased \$20,940 to reimburse the City for the cost of services it provides to the Sanitation Department Enterprise Fund.

## Acct# 585800-474600 Vehicles

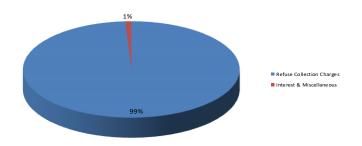

Increase \$180,000 for the purchase a new side load sanitation truck this year in the amount of \$275,000.

## Acct# 588000- 389100 Use of Replacement Reserve

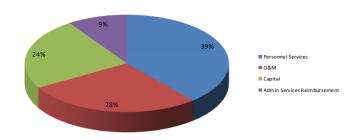

Increase \$132,952 to cover the cost of the replacement sanitation truck. This is part of our scheduled equipment replacement program.

# **ORGANIZATIONAL CHART**

# **CEMETERY**

# **OVERVIEW**

The staff at the Bountiful City Cemetery consists of three full time employees, one regular part time employee and two or three seasonal employees. The Department's responsibility is to maintain and care for the grounds of the cemetery, sell burial spaces, maintain records on burial spaces and perform grave openings/closings for funeral services.

Some of our major accomplishments of 2016:

Treated two roads (Spruce and Cottonwood)

Completed expansion of Plat Q and extension of Spruce Street to Main Street, August 2016

Purchased new property (8 acres) for future Cemetery, October 2016

338 Burials at the Cemetery (Previous year – 393)

# **GOALS & PROJECTS**

Our goal is to provide a peaceful, well-maintained and dignified environment for families and friends to hold funeral services, visit their deceased loved ones and pay tribute to our beloved Veterans.

## 2017 Projects

#### **Road Resurface**

Plans are set to resurface Aspen Street. (This is the second to the last street in the cemetery to be resurfaced).

# LINE-ITEM HIGHLIGHTS

## **Operating Revenue:**

#### Acct #597000-348300 - Grave Opening Fees

Staff will be increasing grave opening fees starting July 1, 2017. This represents a \$45.00 increase per plot sale and will become part of the reimbursement to the Perpetual Care Fund. The total transfer from the sale of plots to the Perpetual Care Fund will increase from the current \$100.00 per plot sale to \$145.00 per plot sale. These changes result in a budgeted revenue increase of \$186,250.

## Acct #597050-348100 - Sale of Cemetery Lots

Staff is conservatively estimating the sale of burial plots to be 425 for FY2018. This better represents what burial plot sales have been the past 3 years. In 2014, 553 plots were purchased (Opened Plat N & O) In 2015, 467 plots were purchased. In 2016, 474 plots were purchased. The expansion of Plat Q in the Cemetery was completed in the fall of 2016. We anticipate a late summer or early fall opening of Plat O for plot sales. History shows that the opening of a new Plot increases sales by as much as 55-60% as was the case in 2014 compared to 2013 (346) plot sales. All projections resulting in a budgeted increase of \$23,000.

#### **Personnel Services:**

The \$12,426 increase includes funds to cover the costs associated with merit raises, taxes, health insurance, retirement and Workers' Compensation as per Human Resources calculations.

## **Operations and Maintenance:**

## Acct #595900-441500 – Employee Education Reimbursement

This \$2,400 increase is requested to reimburse Daxon Gines for the partial cost of college tuition. Daxon is registering to attend college in the fall semester 2017.

## Acct #595900-425000 - Equipment Supplies and Maintenance

This \$700 increase is to cover the costs associated with a computer, hardware, and software replacement or maintenance as per IT department estimates.

# LINE-ITEM HIGHLIGHTS (CONTINUED

#### Acct #595900- 491150 - Admin Services Reimbursement

Budgeting an increase of \$23,902, this transfer is made for the purpose of reimbursing the General Fund of the City for services provided to the Enterprise Funds. Those services include such things as payroll/employee benefits, accounting, budgeting, legal, and insurance, billing/customer service and other professional services provided by department staff members of the General Fund. The transfer amounts were recently restudied and revised to ensure their accuracy and adequacy for cost recovery in services provided. These amounts will be periodically restudied and revised for this purpose in future years.

## **Capital Equipment and Improvements:**

## Acct #595900-474500 - Improvements other than Buildings

We are requesting \$10,000 to cover the costs associated with overlaying Aspen Street and \$16,000 to continue our fence replacement project. This is a \$24,000 decrease from FY2016-2017.

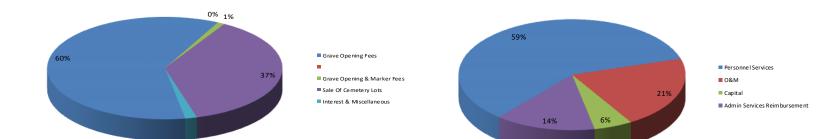

# Acct # 595900-474500 - Machinery and Equipment

No equipment requests are being made which results in a decrease between budget years of \$40,000.

# **ORGANIZATIONAL CHART**

# Internal Service Funds

# **COMPUTER REPLACEMENT**

# **OVERVIEW**

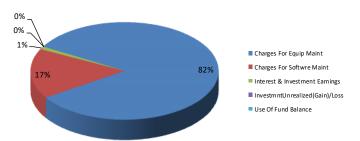

The Information Technology Department is responsible for administering the Computer Replacement Fund which is operated day-to-day as an Internal Service Fund but, for CAFR reporting purposes, the fund is combined with the General Fund based on its relative materiality. Each department of the City is assessed an annual fee based on the costs for acquiring, maintaining and replacing a majority of the hardware and software used by City employees.

# LINE-ITEM HIGHLIGHTS

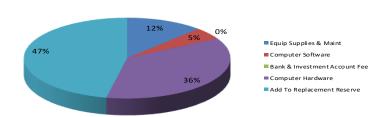

The expenditures for the Computer Replacement Fund for Fiscal Year 2016-2017 should come in within the approved budget. The budget for Fiscal Year 2017-2018 is nearly the same as the prior year with modest changes to reflect the variation in cost of computer hardware and software. In Fiscal Year 2017-2018 the Computer Replacement Fund budget has planned capital purchases totaling \$22,000 which is \$750 more than the Fiscal Year 2016-2017 budget.

# LIABILITY INSURANCE

# **OVERVIEW**

The City Attorney is responsible for administering the Liability Fund and personally handles all claims and lawsuits against the City, consulting with outside counsel as necessary. It is never known what or when incidents, accidents or events will occur so claims and payouts vary widely from year to year. The City is self-insured up to \$350,000 and has commercial liability insurance from \$350,000 to \$10,000,000.

# **LINE-ITEM HIGHLIGHTS**

The expenditures for the Liability Insurance Fund for Fiscal Year 2016-2017 should come in within the approved budget. The budget for Fiscal Year 2017-2018 is nearly the same as the prior year. There is nothing to report within the Liability budget on a capital plan.

# WORKER'S COMPENSATION FUND

#### **OVERVIEW**

The City Attorney oversees the Workers Compensation Fund. As required by State law, claims are handled by a third party administrator, which is now Tristar Risk Management. It is never known what or when incidents, accidents or events will occur so on the job injury claims and resulting treatments vary widely from year to year. The City is self-insured up to \$350,000 and has commercial insurance above that amount.

#### **LINE-ITEM HIGHLIGHTS**

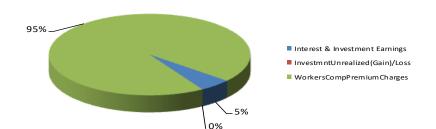

The expenditures for the Liability Insurance Fund for Fiscal Year 2016-2017 should come in within the approved budget. The budget for Fiscal Year 2017-2018 is nearly the same as the prior year. Salaries reflect an increase for compensation adjustments and health insurance rates. There is nothing to report within the Workers Compensation budget on a capital plan.

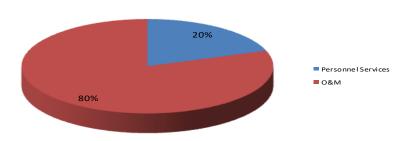

#### **BUDGET GRAPHS**

FY2018 Worker's Compensation Insurance

Appeal of an administrative land-use determination	Base fee	\$250.00	For items decided by the Planning Director
••	Base fee	\$250.00	Half the actual cost of the Administrave Law
Any and all other land-use decision appeals	base ree		Judge (or other appeal authority) plus the actual cost of public notice; minimum of \$250.
Any and all other land-use decision appeals  Zoning Determination	Base fee	\$50.00	

#### Notes:

All business, home occupation, amusement device and beer/liquor licenses expire December 31st of each year and are to be renewed January 1st. A 25% penalty is charged against any license which has not been renewed by February 15th. A 50% penalty is charged against any license which has not been renewed by April 1st. A 100% penalty is charged against any license which has not been renewed by June 30th. Seasonal uses

#### **STORM WATER**

Description of Fee or Charge	Unit	Fee/Charge	Comments
Storm Water Fee	ERU	\$7.00	3,828 square feet of impervious surface
			equals one Equivalent Residential Unit (ERU)
Monthly finance charge on past due balances		1.50%	18% annual rate; \$10.00 minimum charge at 30 days or more past due
Storm Water Impact Fee - Bountiful Code Section 6.14.102(a)			
Single Family Residential	Acre	\$2,100.00	
Multi-Family Residential	Acre	\$2,350.00	
Commercial / Retail	Acre	\$3,500.00	

#### Notes:

#### Single Family -

- 1. Single family on single or more lots = 1 ERU
- 2. Single family on single or more lots with

detached non-habitable buildings = 1 ERU

3. Single family on single lot with detached habitable building = 2 ERU or equal to total number of habitable residences.

#### <u>Duplex -</u>

- 1. Duplex = 1.5 ERU
- 2. Three Units = 2.5 ERU
- 3. Four Units = 3.0 ERU

#### Single Unit - Plex on development site with more than 4 total units -

1. Based in measurement of impervious surface and calculation of ERU.

#### Commercial -

- 1. Single development site on independent parcel measure impervious impervious surface and calculation ERU.
- 2. Single development site on multiple contiguous parcels single owner:
  - > Measure impervious surface and calculate
  - > Bill owner
- 3. Single development site multiple contiguous parcels multiple owners:
  - > Calculate 1 total ERU
  - > Division by parcel at owners request
  - > Bill majority property owner
- 4. Multi development sites on single parcel single owner:
  - > Measure separate development sites and calculate ERUs on each site
  - > Bill by address
- 5. Separate development sites contiguous with parcel boundary

40 Plan assumes an annual inflation adjustment (as determined by each submitting department)								40

# LONG-TERM CAPITAL FUND DEPARTMENT SUMMARIES

#### LONG-TERM CAPITAL FUND - LEGISLATIVE

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
<b>Department</b>	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4 Legislative											4
5	City Hall Remodel	Buildings	6,500,000							6,500,000	5
6	Joint Project - Landscape 500 South/I-15	Improvents Other Than Buildings	25,000							25,000	6
7										0	7
3										0	8
Total Legislative			6,525,000	0	0	0	0	0	0	6,525,000	9

#### **Buildings**

This category contains funding for renovation of the existing City Hall which is scheduled to begin sometime during Fiscal Year 2017-2018. There is no projected increase in operating costs for this capital project but there could be decreased costs from improvements in Building products and technology innovations since the building was originally constructed in 1977.

#### **Improvements Other Than Buildings**

This category contains funding for a project at the West entrance of the City in cooperation with an adjoining City for landscaping. No significant operating cost increases are anticipated from this project due to its size and proximity to other areas serviced by City crews.

#### **LONG-TERM CAPITAL FUND - INFORMATION SYSTEMS**

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
3 Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4 Information Technology											4
5	MUNIS software - Business Licensing + Work Orders	Machinery & Equipment								0	5
6	Network, UPS and monitoring equipment	Machinery & Equipment	40,000				40,000			80,000	6
7	Server and Storage upgrade	Machinery & Equipment						175,000		175,000	7
8	Virtual Desktop Interface: Server and Licensing	Machinery & Equipment			45,000					45,000	8
9										0	9
10 Total Information Technology			40,000	0	45,000	0	40,000	175,000	0	300,000	10

#### **Machinery and Equipment**

This category contains funding for several projects related to the City's information technology infrastructure. Included are upgrades to network uninterruptible power systems and related monitoring equipment (\$80,000 over two budget periods); a total of \$175,000 between budget years 2023 and 2027 for upgrades to servers and storage and \$45,000 in costs to implement a virtual desktop interface solution. It is anticipated that the projected operating budget impacts from these upgrades can be absorbed within the currently approved budget.

## **LONG-TERM CAPITAL FUND - FINANCE**

1				Fiscal Year							Total	1
2				Ending June 30,							All	2
3	Department Name	Project Description	<b>Budget Category</b>	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4	Finance											4
5		Copier replacement	Machinery & Equipment	0	0	0	0	0	21,500	0	21,500	5
6		Folder/inserter replacement	Machinery & Equipment	0	0	0	22,000	0	0	0	22,000	6
7	Total Finance			0	0	0	22,000	0	21,500	0	43,500	7

## **Machinery and Equipment**

This category contains funding for replacement of existing office related equipment including a high volume copier and a folder/inserter.

Total capital budget impact is \$43,500 over two future budget periods. There are no increased operating cost impacts from these projects.

## **LONG-TERM CAPITAL FUND - GOVERNMENT BUILDINGS**

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
3 Department Name	Project Description	<b>Budget Category</b>	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4 Government Buildings											4
5	Truck with Utility Bed	Machinery & Equipment						40,000	40,000	80,000	5
6										0	6
7 Total Government Buildings			0	0	0	0	0	40,000	40,000	80,000	7

## **Machinery and Equipment**

This category funds a pickup truck with utility bed at two future periods for the building maintenance supervisor and crew use. Since these are replacement items the operating budget impact should be contained within current levels.

## LONG-TERM CAPITAL FUND - POLICE DEPARTMENT

			Fiscal Year							Total	1
2			Ending June 30,							All	1

#### **Police Vehicles**

The department currently replaces six vehicles per-year based on criteria of at least five-years of service and approximately 100,000 miles or a history of maintenance issues.

### Motorcycles

The fleet currently contains two BMW motorcycles. Based on past mileage and repairs, replacement of these motorcycles will be needed in 2027.

#### **SWAT Vehicle Conversion**

Funds will be required to update and maintain electronic equipment, computers and generator, etc.

#### **Dispatch Consoles**

Current consoles were recently replaced in the Public Safety Building. We anticipate they will need to be replaced in FY2032.

#### **Radios Portable and Mobile**

Portable radios were recently replaced since they were purchased just before the 2002 Olympics. The department has experienced difficulty in replacing broken components and the Federal Government (FCC) is requiring all public safety radios be digitally compliant within the next three years. The FY2018 budget includes replacing half of the mobile (car) radios and replacing the other half in FY2019. We anticipate the portable radios will need to be replaced in FY2025.

#### **Dispatch Console Radio Replacement**

Along with replacing the officer's radios, there is a need to replace existing dispatch radios. The parts needed to repair the radios are not currently being manufactured and if needed, staff is dependent upon finding used parts to keep the radios operating. The radios also fall under the FCC mandate to be digitally compatible within the next three-years.

#### **Eventide Phone and Radio Recorder**

Our Eventide System records all radio and phone traffic that originates through dispatch. This is a vital piece of equipment in regards to playing back critical information that is needed in the field; it also allows staff to handle quality assurance, complaints and/or lawsuits. This equipment is outdated and is scheduled to be replaced in FY2018.

#### **Telephone Equipment**

The dispatch phone system was replaced in FY2013. The phone system will be upgraded in FY2018 and we anticipate the phone system will need to be replaced in FY2024.

#### Cooling Tower (Air Conditioning System) and HVAC

Approximately five years ago, a portion of the building's air conditioning coolant system was replaced due to rust and leaking issues. Additional pieces of equipment will need to be replaced within the next five-to-ten-years. We anticipate the chiller will need to be replaced for approximately \$115,000 within the next five-to-eight-years, the air handlers are scheduled to be replaced in FY2026 for \$65,000 and the cooling tower system, which was installed in FY2007, is scheduled to be replaced in FY2023 for \$60,000.

#### **Boiler (Heating System)**

The current boiler system was installed when the building was built in 1997. The department spent \$12,000 in FY2015 for a new cone that could extend the component's useful life up-to-three-years. This smaller cone should also reduce some of the utility costs. We anticipate a full-boiler rebuild will cost \$60,000 as early as FY2019.

#### **Building Water Heater**

The current water heater was replaced in 2014. We anticipate the water heater will need to be replaced in FY2024.

## **Vehicle Camera Replacement**

The current vehicle camera system was purchased in 2011. The department has not been able to obtain parts for repairs due to the cameras being past end-of-life. Some vehicle cameras have been replaced through grant funding, but the rest of the cameras will need to be replaced in FY2018–FY2019. We anticipate replacing cameras again in FY2026.

#### **Body Camera Storage System**

Recently the department purchased a large amount of digital memory capacity to store vehicle and body camera videos. We believe that the storage capacity will be sufficient for the next five years. We anticipate needing additional storage in FY2021 for approximately \$25,000.

#### **PRO QA**

PRO QA is a computerized program that is used by dispatchers during medical calls to determine which type of response is needed for responding medical units. This program will ultimately replace the current priority dispatch EMD cards. As a dispatcher answers a 911 call, the program will let the dispatcher know what questions to ask based upon certain answers given. This program is considered to be industry-standard software. We are requesting \$54,000 to purchase the software in FY2018.

#### **Public Safety Building and Security**

The security camera system and door-locking devices for building security were recently replaced. Due to technology changes, we anticipate replacing some of the equipment in the future for approximately \$35,000.

#### **Facility Interior and Exterior Painting**

Over the past two-years we have re-painted the Public Safety Building. In order to keep the current facility presentable, it's anticipated that future funding for touch-up and replacement will be needed.

#### **Building Carpet**

Over the past two-years we have re-carpeted the Public Safety Building. In order to keep the current facility presentable, it's anticipated that future funding for replacement will be needed.

### **Building Stucco**

Over the past-year, the building has been updated with new stucco. In order to keep the current facility presentable, it's anticipated that future funding for touch-up and replacement will be needed.

#### **UPS Communications Backup System**

The UPS system provides backup power for the dispatch communications equipment in the event of a power outage. The current UPS system was replaced in 2015 but will likely need to be replaced in approximately ten-years.

#### **Bountiful Gun Range**

Operating a gun-range requires systems to be replaced as they wear-out over time. The department has been very fortunate to be able to cover the majority of costs, in the \$300,000–\$400,000 range, through donations, partnerships and grants. Administration is committed in continuing these partnerships when possible. However, there are budgeted funds in the capital plan to repair the building structure, cement and bullet traps in FY2020, if needed.

#### **Building Entrance Water Feature**

Over the past-year, the water feature in front of the building was repaired. We anticipate needing additional funds to maintain the water feature within the next few-years.

#### **Building Roof**

In FY2015, the building was updated with a new roof. We anticipate that future funding will be needed in FY2031 to replace the roof after its run its life-cycle

## **Work Station Replacement**

The majority of workstations were purchased when the building was built 19-years ago. Currently there are several damaged and broken panels, cabinets and accessories that are in need of replacement. With the re-painting and re-carpeting of the building, the workstations really show their damage. Replacement of the workstations is budgeted in FY2019 and 2020.

## **LONG-TERM CAPITAL FUND - STREETS**

1				Fiscal Year							Total	1
2				Ending June 30,							All	2

#### **Trucks, Machinery and Equipment**

Dump trucks and snow plow equipment are replaced every 10 to 12 years. This year, one truck with snow plowing equipment and an oil distributor truck is scheduled for replacement. There is also scheduled replacement of a 23 year old transport tractor. This transport tractor moves the equipment to the streets to be repaired or paved. One ton trucks, loaders and backhoes are replaced every 10 years. This year one truck is scheduled to be replaced. Future equipment purchases are in line with the replacement time table which includes trailers, compressors, pavers, compaction rollers, crack sealers, asphalt saws and tackers.

#### **Buildings**

The Storage Building and Car Wash Building are scheduled to be replaced Fiscal Year 2019-2020. The building is over 50 years old and in need of many repairs.

#### **Road Materials - Overlay**

This category is for paving and milling streets. Staff surveys the streets each year to determine immediate and long range road maintenance projects.

#### **Road Class C**

This category covers large reconstruction projects. Reconditioning is scheduled for 400 East from 400 North to 500 South over Fiscal Years 2018-2020, than moving to Orchard Drive from 500 South to 2200 South Fiscal Years 2021-2023.

Reconstruction of 300 North from Main Street to 400 East FY2019, 200 North from Main Street to 400 East FY2020, 1000 North from 500 West to 200 West FY 2021, 100 North from Main Street to 400 East and 200 South 1225 East Circle FY 2022. Pave Street Department yard FY2022

#### **Transportation Funding**

This category covers Proposition One transportation funding projects. This year's road paving projects are 2600 South from Highway 89 to 2200 South, North Canyon Road from Orchard Drive to 400 East. Future road projects are 1800 South from Orchard Drive to Bountiful Boulevard, Main Street from 1800 South to 2600 South. This fund is also used for road treatments.

#### **Traffic Signals and Camera**

New traffic signals are planned to be installed at the intersections of 1500 South and Orchard Drive in Fiscal Year 2020-2021 and Davis Blvd and 1800 South in Fiscal Year 2022-2023.

## **LONG-TERM CAPITAL FUND - ENGINEERING**

1				Fiscal Year							Total	1
2				Ending June 30,							All	2
3	<b>Department Name</b>	Project Description	<b>Budget Category</b>	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3

5		GPS Survey Equipment Replacement	Machinery & Equipment						25,000		25,000	5
6		Replace Chevrolet 1/2 Ton Pickup	Machinery & Equipment						35,000		35,000	6
7		Replace Jeep Cherokee	Machinery & Equipment		25,000						25,000	7
8		Replace Ford 1/2 Ton Pickup	Machinery & Equipment						33,000		33,000	8
9												9
10	Total Engineering			0	25,000	0	0	0	93,000	0	118,000	10

### **Machinery and Equipment**

This category funds several vehicle replacements from Fiscal Year 2018-2019 through Fiscal Year 2026-2027. Since these projects are replacements for equipment upon which operating costs are paid now, it is anticipated that future operating costs will be within the same budgeted range with no adverse impacts.

## **LONG-TERM CAPITAL FUND - PARKS**

1				Fiscal Year							Total	1
2				Ending June 30,							All	2
3	Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3

26											0	26
27	Total Parks			1,000,000	270,000	287,000	275,000	300,000	295,000	910,000	3,337,000	27

#### **Small Mower**

There are currently four small riding mowers in the fleet and management replaces the oldest mowers first. Mowers are in operation during the full work day throughout the summer and are the main pieces of equipment used in daily maintenance operations. Mowers are replaced based on at least four years of service, highest service hours or history of maintenance issues. Operating cost impact is deemed negligible.

#### Pick-up Truck

Pick-up trucks used on a daily basis to perform maintenance operations the parks department is tasked to complete. The Department currently runs four crews of five employees each, one full time park manager and four seasonal employees). Each crew is assigned two trucks for use to complete their daily work and tasks. It is necessary to have trucks that are safe, able to handle the crew size, tools and equipment and extensive use. Work trucks are replaced based on at least five years of service, high mileage or age of truck and/or a history of maintenance issues. Operating cost impact is deemed negligible.

#### One ton truck with plow and salter

The vehicle scheduled for replacement is the oldest one-ton vehicle in a fleet of three. These trucks are heavily used throughout the year and are the primary vehicle used for hauling soils, rock, plant materials, sod, playground mulch, trash and heavier equipment. They are also used heavily in the winter for snow removal assignments. Operating cost impact is deemed negligible.

#### **Sweeper**

This vehicle is to replace the current sweeper which is used to pick up leaves, tree debris, turf cores from aerating and other general park maintenance tasks. With the current equipment maintenance program management estimates replacing the current equipment in 2020. Operating cost impact is deemed negligible.

#### **Mini Track Hoe**

Currently the Parks Department has no construction equipment to complete park improvement projects. Equipment has to be scheduled and borrowed from other departments. The purchase of this track hoe would allow staff to schedule and complete work more efficiently without disruption to other department's work schedules. There are several projects that need to be completed with others anticipated (Creekside Park, retaining wall rebuild, golf course pond dredging and reconstruction, tree planting, assisting at the cemetery when graves need to be opened/closed in tight or restrictive areas, etc.). Operating cost impact is deemed negligible.

#### Large gang mower

The current mower is 13 years old and in need of replacement. With the current maintenance program it is estimated that the current equipment will be viable for an additional four years replacing this mower in 2020. Operating cost impact is deemed negligible.

#### **Creekside Park**

This project is currently underway and funded through the reauthorized RAP tax. Construction start is scheduled for July of 2016 with an anticipated construction completion in October/November and an anticipated Grand Opening to the public in May 2017. This delayed opening will allow for a "grow in" period for plant materials and turf. In the 2016-2017 budget year a fifth full crew was added to care for the new park area and some additional sites which resulted in an operating cost increase of \$105,000.

#### **Dog Park Improvements**

There is a growing need in Bountiful for a facility for citizens and their canine pets. It is anticipated that necessary components for a Dog Park be installed in the near future. Operating cost increases should be manageable within current budget authorization.

#### **Playgrounds (Multiple Locations)**

Bountiful City's playgrounds range in age from two to 22 years old. The newest playground was installed in 2014 in Bountiful City Park (400 North Park). The oldest playground was installed in 1994 in Eggett Park. It is important that the City take a proactive approach in reducing the risk of injury to citizens by starting a schedule for replacing the aging and outdated playground equipment in place. Operating cost impact is deemed negligible.

#### **Brickyard Park Pavilion**

Management has been aggressively updating and improving the parks throughout Bountiful City. A new pavilion to replace the old existing one will help bring more people to Brickyard. The existing pavilion could be repurposed for use at Bountiful Pond. Operating cost increases should be manageable within current budget authorization.

#### **Greenhouse Panels**

It is recommended by industry standards and best management practices to replace greenhouse panels every 15 to 20 years. Currently the panels on the greenhouses are about 29 years old. Operating costs should remain stable or decrease slightly due to improvements in construction methods and technology available since the greenhouse was built 29 years ago.

#### **Viewmont Tennis Courts**

There are four tennis courts at Viewmont High School. The two west courts are the property of Bountiful City. The two east courts are Davis School District property. Currently, the Parks Department maintains all four courts through an inter-local use agreement. All four courts were reconditioned and resurfaced in 2014 in an attempt to extend the use of the courts for five to six years. It is anticipated that the courts will need to be demolished and rebuilt due to age, concrete cracking and separation and drainage and slope issues. Operating cost increases should be manageable within current budget authorization.

#### Twin Hollows Park (Cheese Park) Pickleball Courts

Two tennis courts were reconditioned and resurfaced for Pickleball Courts in the Fall of 2014. This was followed by the addition of new energy efficient LED lights, additional concrete, irrigation and landscaping. These improvements have extended the playability and life of the courts for an additional three to four years. The existing concrete is a standard 4" thick over a 4" base of gravel. Large cracks are beginning to develop and slope and drainage are becoming an issue which raises safety concerns and liability for the City. It is anticipated that the existing courts will need to be demolished and replaced with a new post tension surface, in the near future, to accommodate this growing and popular sport. Operating cost increases should be manageable within current budget authorization.

## **LONG-TERM CAPITAL FUND - STORM WATER**

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
3 Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3

20										0	20
21 Total Storm Water			539,000	681,000	445,000	591,000	726,000	2,732,000	0	5,714,000	21

### **Machinery and Equipment**

Street sweepers are replaced every six to eight years. Leafer trucks and Flusher Vacuum trucks are replaced every 15 to 20 years. FY 2018 purchases include a one ton truck and a water tank truck. Future plans Leafers in FY2019 and FY2020, one ton truck FY2020, and Sweepers in FY2021 and FY 2022. Operating cost impact is deemed negligible since all purchases are replacements.

#### **New Storm Drains**

This funding is for storm water structures, outlets and inlets for new developments and aging pipe replacements. This year, 300 North from 100 East to 200 East and 200 North from 50 East to 300 East storm drain pipe is to be installed before next year's road reconstruction. FY 2019 Ridge Point Drive extend drain to spring. Future projects include aging corrugated pipe repair and replacement and addressing of other storm drain projects determined from the maintenance program. Operating cost impact is deemed negligible.

## **LONG-TERM CAPITAL FUND - WATER**

			Fiscal Year							Total	- [
2			Ending June 30,							All

#### **Treatment Facilities**

<u>Fiscal Year 2017-2018</u>: Costs for an upgrade of the City's water treatment plant to a newer technology. The current plant was designed to last 25 years and was placed in service in 1986. The upgrade in technology will help meet current State and EPA standards (\$2,800,000). The process was begun in 2016 when a consulting engineer was hired to begin design work in preparation for a July 1, 2017 project start. Operating costs should not exceed current levels and may be lower with this newer technology in place.

#### **Reservoirs**

<u>Fiscal Year 2017-2018:</u> Building a 1.5 million gallon reservoir above 1300 East Just north of 400 North to help supply water to new subdivisions and also to help with supply on the north end of town (\$900,000). Operating expenses are projected to remain within current levels with this new additional reservoir.

<u>Fiscal Year 2024-2025</u>: Will replace our Millcreek reservoir in 2025. Problems with concrete spalling and root intrusion. (\$1,700,000). Replacement of existing reservoir should have no effect on operating costs.

<u>Fiscal Year 2026-2027</u>: Will replace our Barton Creek reservoir in 2027. Problems with concrete spalling and root intrusion. (\$1,250,000). Replacement of existing reservoir should have no effect on operating costs.

#### **Buildings**

<u>Fiscal Year 2017-2018</u>: We will build two pump stations to supply water to the new subdivisions below the B. One at our Hannah Holbrook reservoir to lift water to the new reservoir just above 1300 East and 400 North, and one to lift water to our Templeview reservoir (\$550,000). Operating cost impacts will be evaluated and estimates refined over the next few years from these additions but are not anticipated to exceed currently budgeted costs.

<u>Fiscal Year 2024-2025</u>: We will replace the existing pump station at the Millcreek reservoir to increase operational efficiency and to be able to supply more water to the south end of town. (\$275,000). Replacement pump station operating costs should remain within current budget levels.

#### **Improvements Other Than Buildings**

<u>Fiscal Year 2019-2020</u>: Improve landscaping at Ashdown reservoir. There have been a lot of citizen complaints and is a fire hazard. (\$30,000) We also need to do some drainage work on our road to Stoneridge so the road doesn't keep washing out. (\$25,000). Operating cost impacts are anticipated to be negligible.

<u>Fiscal Year 2023-2024</u>: Need to replace the drain system in the area of 75 North from 900 east to 1000 East to keep water out of homes in the area. Severe root intrusion in the existing drain system. (\$120,000). Operating cost impacts are anticipated to be negligible.

#### **System Machinery and Equipment**

<u>Fiscal Year 2017-2018</u>: We will replace the air compressor in our headquarters building (\$10,000) and replace control panels in 3100 South pump station (\$35,000) and in our Upper Williams pump station (\$35,000) for a total of \$80,000. Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2018-2019</u>: Will upgrade control equipment at some of our booster facilities based upon analysis at all sites. (\$60,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2019-2020</u>: Will purchase an emergency generator to place at one of our production facilities. (\$70,000) We will also upgrade the controls at one of our booster facilities based upon analysis of efficiency at all sites. (\$65,000) We will also begin to transition to another operating system for our SCADA. We will upgrade to a newer and more up to date technology by replacing .65% of our equipment this year. (\$150,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2020-2021</u>: We will upgrade one of the booster pumps at our 3100 South booster station. (\$84,000) We will also upgrade equipment at one of our booster facilities based upon analysis of the efficiency at all sites. (\$65,000) We will continue with our upgrade to a newer and more up to date technology by replacing .35% of our equipment this year. (\$100,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2021-2022</u>: Will upgrade equipment at one of our booster facilities based upon analysis of the efficiency at all sites. (\$65,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2022-2023</u>: Will upgrade equipment at one of our booster facilities in 2023 based upon analysis of the efficiency at all sites. (\$65,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2023-2024</u>: Will upgrade equipment at one of our booster facilities in 2023 based upon analysis of the efficiency at all sites. (\$65,000). Replacement of units should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2024-2025</u>: Will upgrade one of our booster facilities in based upon analysis of the efficiency at all sites. (\$65,000). Will purchase an emergency generator to place at our 3100 South booster station. (\$75,000). Operating cost impacts are anticipated to be within the current budgeted capacity.

<u>Fiscal Year 2025-2026:</u> Will upgrade one of our booster facilities in based upon analysis of the efficiency at all sites. (\$65,000). Replacement of facilities should result in operating costs remaining within current budget levels or slightly lower.

<u>Fiscal Year 2026-2027:</u> Will upgrade equipment at one of our booster facilities in based upon analysis of the efficiency at all sites. (\$65,000). Replacement of facilities should result in operating costs remaining within current budget levels or slightly lower.

#### **Vehicles and Operations Equipment**

Fiscal Year 2017-2018: Will replace one supervisor pickup truck (\$34,000)

<u>Fiscal Year 2018-2019</u>: Will replace two staff pickup trucks, (\$72,000) a cab and chassis, bed and accessories to replace our plow truck, (\$60,000) and a new dump truck. (\$145,000). All replacement of existing equipment.

Fiscal Year 2019-2020: Replacing a backhoe (\$120,000)

<u>Fiscal Year 2020-2021</u>: Replacing two staff pickup trucks and one of the crew trucks in with a utility bed. (\$80,000) We will also need to replace our Jackhammer compressor that will be 20 years old. (\$35,000) We will also replace our pavement saw (\$35,000)

Fiscal Year 2021-2022: Replacing two supervisor pickup trucks (\$80,000) and one of the crew trucks in with a utility bed. (\$80,000)

<u>Fiscal Year 2022-2023</u>: Will replace one supervisor pickup truck. (\$40,000) and our pavement saw (\$34,000) Replacement of existing equipment.

<u>Fiscal Year 2023-2024</u>: Will replace two supervisor pickup trucks. (\$80,000) and two staff pickup trucks (\$80,000) Replacement of existing equipment.

<u>Fiscal Year 2025-2026</u>: Will replace our mini excavator (\$75,000) Replacement of existing Equipment. Will replace two supervisor pickup trucks (\$80,000) and the Vactor truck (\$70,000) Replacement of existing equipment.

<u>Fiscal Year 2026-2027</u>: Will replace one supervisor pickup truck. (\$40,000) We will also replace a backhoe (\$130,000) Replacement of existing equipment.

#### **Distribution Piping and Appurtances**

The annual pipe replacement based upon a 10 year replacement plan and road maintenance schedule. Also includes money for new development for new subdivisions below the "B" area in Fiscal Year 2017-2018 (\$1,453,750)

#### Wells

<u>Fiscal Year 2020-2021</u>: We will need to do some upgrades to our Calder well # 2. Video of the well that we have shared with several well experts has determined that we need to put a sleeve down the well to avoid a collapse. The current casing is degrading and we estimate the next time we will have to pull the pump will be in about 2021. (\$250,000)

#### Land

Fiscal Year 2023-2024: Obtain a site for a new reservoir above Sunset Hollow as part of the North Canyon system.

### LONG-TERM CAPITAL FUND - LIGHT & POWER

#### **Capital Expenditures Fiscal Year 2017-2018**

BCLP's total capital expenditures for Fiscal Year 2017-2018 are budgeted at \$6,242,000, up \$3,113,000. This includes:

- Land at \$50,000 to purchase land at the NE substation from the Water Department.
- Office and warehouse at \$600,000 includes drainage system work, replacing asphalt, developing the Harrison property, painting the dock, transformer oil containment, replacing the yellow shed, and adding new bays.
- Transmission substation at \$35,000 to install security cameras at the 138 KV substation.
- Distribution substations at \$30,000 for fiber terminations.
- Distribution system at \$200,000 to begin an upgrade of the meter collection system.
- Distribution street lights at \$102,000 to replace 34 steel poles 400 North to Centerville.
- M&E Echo Hydro at \$500,000 to upgrade the controller.
- M&E Vehicles at \$415,000 to replace a digger-derrick truck and a compressor.
- Construction in Progress (CIP) Transmission Substation at \$3,000,000 for engineering and a new transformer for the first half of the upgrade of the 138 KV substation.
- CIP Transmission System at \$500,000 to rebuild the transmission line from the NW Substation to the Rec Center.
- CIP Distribution System at \$50,000 to build an inter-tie connection between Feeder #573 and Feeder #676.
- CIP Distribution System at \$450,000 to upgrade Feeder #575 in conjunction with the SW substation upgrade.
- CIP Distribution System at \$110,000 to rebuild the distribution line at 1209 N. Main St.
- CIP Distribution System at \$200,000 to begin developing the Keller property.

#### 10 Year Capital Plan For Fiscal Years 2018-2019 Through 2026-2027

BCLP's 10 year capital plan for fiscal years 2018-2019 through 2026-2027 totals \$54,808,000. This includes the following capital projects and their current approximate costs and timings (note: these costs and timings are subject to change; and their priority is not reflected by the sequence in which they are listed below):

- 138 KV Substation. \$6,035,000 to rebuild the entire substation, replacing both transformers with their bays, switches, and secondary equipment, to replace the control building, and to install security cameras. Planned for FY 2018 and FY 2019.
- NW Substation. \$4,310,000 to upgrade the substation and feeders. Planned for FY 2018, and FY 2020 through FY 2022.
- NE Substation. \$4,400,000 to upgrade the substation and feeders. Planned for FY 2018, FY 2020, and FY 2023 through FY 2024.
- SW Substation. \$2,000,000 to upgrade all 6 substation feeders. Planned for FY 2018 through FY 2022.
- Central Substation. \$2,800,000 to upgrade 5 substation feeders. Planned for FY 2019 through FY 2026.

## LONG-TERM CAPITAL FUND - LIGHT & POWER (CONTINUED)

- Transmission System. \$7,940,000 to upgrade wire, poles, and equipment around the transmission loop in (at least) 11 separate work phases. Planned for FY 2018 through FY 2027.
- Distribution System. \$2,957,000 to install an AMI / metering / disconnect system, to complete several system interconnections, and other miscellaneous projects. Planned for each year of FY 2018 through FY 2027.
- Power Plant. Currently, there are no planned expenditures in the next 10 years.
- SCADA. Currently, there are no planned expenditures in the next 10 years.
- Echo Hydro. \$600,000 for Program Logic Controller (PLC) work and cathodic protection. Planned for FY 2018 and FY 2021.
- PineView Hydro. \$500,000 for PLC work. Planned for FY 2019.
- Office & Warehouse. \$20,600,000 total, including: \$600,000 for asphalt and drainage system work, transformer oil containment, replacing the yellow shed, painting the dock, and developing the Harrison property in FY 2018; \$5,000,000 for land acquisitions and \$15,000,000 for a new building, both planned for (approximately) in FY 2026.
- Land. \$50,000 to purchase land at the NE substation from the Water Department. Planned for FY 2018.
- Vehicles. \$2,616,000 to replace vehicles and equipment. Planned for each year of FY 2018 through FY 2027.

### **Buildings**

This category contains budgeted expenses for remodeling of the clubhouse; restaurant and restrooms along with the maintenance shed. No additional annual operating cost impacts are anticipated.

### **Improvements Other Than Buildings**

This category includes projects over two budget periods for replacing the course irrigation system and overlaying the parking lot. Annual operating costs should not go up as a result of these projects.

## LONG-TERM CAPITAL FUND — GOLF (CONTINUED)

#### **Office Furniture and Equipment**

The clubhouse point of sale system is scheduled for replacement between Fiscal Year 2022-2023 and 2026-2027. Operating costs should remain within the current budget.

#### **Machinery and Equipment**

A variety of course turf maintenance equipment is programmed for replacement from Fiscal Year 2017-2018 through Fiscal Year 2026-2027. Included for replacement are mowers, aerators and licensed motor vehicles. Since these pieces are replacements these should not be any increased operating costs to be programmed.

## LONG-TERM CAPITAL FUND - LANDFILL

1				Fiscal Year							Total	1
2				Ending June 30,							All	2
3	Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4	Landfill											4
5		Trucks, Machinery, Equip.	Machinery & Equipment	200,000	0	500,000	48,000	200,000	1,968,000	0	2,916,000	5
6		Paving of Recycle & Scalehouse area	Improvements Other Than Buildings	28,000							28,000	6
7	Total Landfill			228,000	0	500,000	48,000	200,000	1,968,000	0	2,944,000	7

## **Machinery and Equipment**

FY 2018 Replace Water truck used for dust control and compost management.

Future replacements: FY 2020 Large Loader, FY 2021 Service Truck, FY2022 Loader, FY 2023 Compactor.

## **Improvements Other Than Buildings**

FY 2018 Repave from the gate to the Scale house and the recycle area.

## LONG-TERM CAPITAL FUND - SANITATION

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
3 Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4 Sanitation											4
5	Garbage Trucks, Rear Loaders & Pick-up	Machinery & Equipment	\$275,000	\$75,000	\$308,000	\$0	\$333,000	\$938,000		1,929,000	5
6 Total Sanitation			275,000	75,000	308,000	0	333,000	938,000	0	1,929,000	6

#### **Machinery and Equipment**

The scheduled replacement program replaces one of five curbside Sanitation trucks every six years.

FY 2018 is the next scheduled replacement truck. The truck being replaced becomes one of three spare trucks which will be used for another four years. Future replacements are scheduled in FY 2020, FY 2022 and FY 2024.

## **Rear Load Garbage Trucks**

These trucks are used for the City's Spring and Fall clean-up event, along with fallen trees and debris clean-up during windstorms. FY 2019 is the next scheduled replacement for the rear loaders. Future replacement FY 2023.

### **Pick-Up Truck**

A pick-up truck is replaced about every 13 years. This truck is used for delivery and repair of garbage cans.

FY 2029 is the next scheduled replacement for this Pick-Up Truck.

## LONG-TERM CAPITAL FUND - CEMETERY

1			Fiscal Year							Total	1
2			Ending June 30,							All	2
3 Department Name	Project Description	Budget Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years	3
4 Cemetery											4
5	Dump Truck	Machinery and Equipment						55,000		55,000	5
6	Pick up Truck with Plow	Machinery and Equipment						35,000		35,000	6
7	Grasshopper Mower	Machinery and Equipment		16,000		16,000		35,000		67,000	7

12										0	12
13 Total Cemetery			26,000	36,000	16,000	141,000	34,000	228,000	0	481,000	13

#### **Machinery and Equipment**

## **Dump Truck and Pickup Truck with Plow**

Currently the Cemetery has one one-ton truck which is used for soil and material handling, snowplowing and general maintenance tasks at the Cemetery. It is anticipated this truck will need to be replaced in the next five to six years. Additionally, the Cemetery has one half-ton truck used for employee transportation, snow plowing and general cemetery maintenance operations. It is requested that this truck be replaced in this budget year. Operating budget impact is expected to be zero since these are replacement items.

#### **Grasshopper Mower**

These are the main pieces of equipment the Cemetery uses for its maintenance operations. The Cemetery currently has three mowers in its equipment inventory, two that are used regularly and one that is held in reserve or used for parts as needed. The equipment maintenance program in place now calls for replacement of the oldest mower with a new mower every two to three years. Operating budget impact is expected to be zero since these are replacement items.

#### **Utility Cart**

The utility carts are used daily for hauling soils, sod and debris. In addition, they are used for general maintenance and small equipment transport. The last utility carts purchased were about 10 years ago and the carts are quickly becoming unreliable. The plan is to replace the oldest cart next year and the other in three years. Operating budget impact is expected to be zero since these are replacement items.

#### **Improvements Other Than Buildings**

#### **Vinyl Fence**

The long range plan of the Cemetery is to start replacing the old sections of differing types of fence a little at a time. There are 4,172 lineal feet of fence surrounding the Cemetery which needs to be replaced. Replacement of fencing will help bring uniformity and a much needed degree of privacy to certain areas of the Cemetery. Operating budget impact is expected to be zero since these are replacement items.

#### **Overlay Roads**

The request in this budget is for a overlay treatment of the last two roads in the oldest section of the Cemetery. This will complete the overlay projects for the Cemetery. Operating budget impact is expected to be zero since these are replacement items.

#### Landscaping

The Cemetery currently has enough land and burial plot inventory for the next 12 to 14 years. With limited land available in Bountiful, plans need to be in place to fund and purchase land to extend the services provided to Bountiful City residents beyond 14 years out and well into the future.

## LONG-TERM CAPITAL FUND – COMPUTER REPLACEMENT

1			Fiscal Year							Total
2		Budget	Ending June 30,							All
3 Department	Project Description	Category	2018	2019	2020	2021	2022	2023-2027	Future	Fiscal Years
4 Computer Replacemen	nt									
5	Computer Replacement and Maintenance	Hardware & Software	\$22,000	\$35,000	\$35,000	\$35,000	\$35,000	\$175,000		\$337,000
6 Total Computer Replace	cement		22,000	35,000	35,000	35,000	35,000	175,000	0	337,000

#### **Hardware and Software**

This budget category covers replacement of computer hardware and software for all departments of the City. Operating costs are projected to be covered within the existing budget.

## **BUDGET RESOURCES**

### ORGANIZATION AT-A-GLANCE

The City of Bountiful was incorporated under the laws of the Territory of Utah in 1892 and operates under a manager form of government providing services as authorized by its charter. The City covers a 14 square mile area in South Davis County and is governed by a City Council elected at large and comprised of a mayor and five council members. The mayor and two council members are elected for a four year term and the other three council members are elected two years later for a four year term. The City Manager is appointed and by the City Council and is under contract as the Chief Administrative Official of the City. All Department Heads and staff report to the City Manager. The current population of the City is 43,784 and the City organization delivers services with the assistance of approximately 212 full-time equivalent positions with a budget in Fiscal Year 2017-2018 of \$75,251,116.

## **GOALS, STRATEGIES, CONCERNS AND ISSUES**

The principal concerns and issues of the City (as identified by the City's elected officials) are outlined in the City Council Policy Priorities section of the budget document. This succinct, unified vision summarizes goals under three broad tiers (or levels) with Council desired strategies or objectives designed to meet those goal areas over time.

## **SHORT-TERM FACTORS**

Short-Term factors utilized in budget development included the following:

- Merit salary increases allowed for eligible employees.
- Market adjustments for Police and Water employees.
- Cost of Living Allowances 0%.
- Fund a health insurance increase of 5%.
- No new positions funded unless approved in support of a Council desired policy priority.
- Budget must be balanced with respect to ongoing revenues versus ongoing expenditures/expenses and one-time revenues and/or transfers from fund balance/retained earnings versus one-time expenditures/transfers to fund balance/retained earnings.
- Operation and Maintenance expense category increases only as required by contract or agreement.
- Capital expenses must be supported by the approved long-term capital plan.

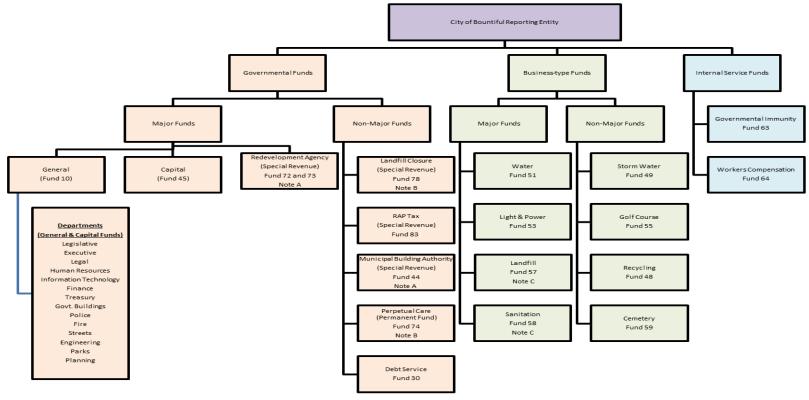

### SERVICE LEVEL CHANGES SUMMARY

- Additional part-time position for Legislative Department for administrative support and public information. (\$16,840)
   Additional 1 FTE in the Planning Department to focus on plan review and code enforcement (\$63,699). Positions funded through reductions in part-time hours from Executive, Engineering and Planning Departments.
- Addition of 3 repaving projects from availability of newly instituted 0.25% Local Option Transportation Tax (part of a \$650,000 budget from available revenue)
- Changes in Fees for Service:
  - Recycling Fund Increase from \$2.49 to \$2.75 per can to match increase from contracted recycling company.
  - <u>Storm Water Fund</u> Moving from \$6.00 per Equivalent Residential Unit (ERU) to \$7.00 per ERU. To address capital replacement and ongoing maintenance needs.
  - <u>Water Fund</u> Adjusted rate structure to comply with State mandated block rates and to address capital replacement and ongoing maintenance needs (\$1,000,000 in additional revenue).
  - <u>Power Fund</u> Increases in various fees (pole attachments; monthly customer charges; electric metered sales increase of 1.7% and connection/disconnection fee increases). All fees are designed to keep pace with increasing costs and capital replacement.
  - Golf Fund Increase of \$1.00 to \$2.00 per round and various fee increases for equipment rentals effective January 1, 2018.
  - <u>Landfill Fund</u> Increase of \$5.00 per ton for commercial collections with a \$2.00 increase in gate receipt fees.
  - <u>Cemetery Fund</u> Increases in fees for grave openings with adjustments in both single and double-depth internments.

## FUNDS, REPORTING RELATIONSHIPS AND BASIS OF BUDGETING/ACCOUNTING)

The City maintains the following funds and departments under its reporting entity. Each fund is identified by type and flagged as a budgeted or unbudgeted fund. Governmental funds are budgeted and reported annually in the CAFR under the modified accrual basis. Business-type (Proprietary) funds are budgeted annually on a cash basis but reported annually in the CAFR on an accrual basis of accounting.

## City of Bountiful - Funds & Departments

#### Notes

- A Separate legal entity / component unit.
- B Non-budgeted fund.
- C Combined for CAFR purposes.

#### LONG-TERM FINANCIAL POLICIES

Fiscal operations of Bountiful City, and its component units, are governed by long-standing administrative policies. These "Financial Goals Policies and Procedures" were adopted by the Mayor and City Council on June 24, 1981 and then reaffirmed again on April 4, 1990. Additionally, the Mayor and Council adopted Resolution 82-11 dated September 22, 1982 which established reserve funds in each of the City's major Enterprise Funds. Reserves are allowed by Utah State law in the General Fund (up to 25% of fund balance) and the Capital Fund (to a level deemed necessary by the elected body for planned projects). Each of the aforementioned administrative policies is summarized below:

#### **Basic Goals of City Government**

The following concepts represent four desirable basic goals that support the operating policies of the city. These goals are intended to be constant from one administration to another.

Local government exists only to serve the needs of its citizens. The basic policies should be of a continuing character and based on sound long-range planning.

- 1. Local government should be responsive and accountable to the needs of the citizens and community.
- 2. Economy and efficiency in government are attainable goals in delivering the basic services that local government must provide.
- 3. Each generation of taxpayers should pay its own fair share of the long-range cost of local government.

#### **Revenues and Taxation**

- 1. The burden of financing city government should, with reasonable deviations, be financed under the principle of "benefits received". Basic services rendered to the general public, such as police and fire protection, streets and parks, should be financed from revenues imposed on the broad general public, as through property taxes and sales taxes. Special services rendered to special groups of citizens (whether individual or business groups) should be financed by special fees or assessments.
- 2. A city should seek to maintain a stable tax rate for taxes imposed on the broad general public. Growth in population and new businesses should produce revenue increases approximately equal to the added cost of existing services required therefor.
- 3. Where a new service is commenced that serves only a substantial segment of the broad general public and an increase in total revenue proves justified as a result, equity is served if a revenue source is selected that is closely related to such new service, i.e., a source selected on the basis of "benefits received".

#### **Budgeting and Operations**

- 1. All budgets should be balanced each year, in accordance with the requirements of Utah law. To assure this result, expenditures should be kept within appropriations, and revenues should be estimated conservatively so as to avoid unexpected deficits.
- 2. Long-range budget planning is both desirable and essential for avoiding deficits. Budgets in operating funds should be prepared on a three-year basis to assure that critical problems can be foreseen and solutions planned before emergencies arise.

- 3. A reasonable surplus for restricted use, as provided by law, should be permitted to accumulate in the City's general fund as follows:
  - a. To provide sufficient working capital to avoid borrowing on tax anticipation notes.
  - b. As a cushion or reserve if ever needed to absorb emergencies, such as fire, flood, earthquake or
  - c. Unanticipated deficits, resulting only from actual revenues falling materially below estimated revenues in a given budget year.
- 4. Planning of annual operating budgets should be continually refined by seeking constantly to relate budget appropriations more closely to actual economic "need"; the need should be determined on the basis of work to be accomplished and services to be performed in the community. Budget appropriations should be established on a conservative basis. The budget is an important means of setting policy.
- 5. City should open budgets during the fiscal year in rare circumstances. Budgeting for contingencies in each fund is a means to safeguard against the need for frequent budget reopening.
- 6. Once budgets are adopted by the Council, the administration and control of the budgets should be delegated to the City Manager with monthly reporting of budget to actual to keep the departments and Council informed of trends and any problems. Staying within the adopted budget is the responsibility of each department head with accountability to the City Manager and Council.

#### Multi-Year / Long-Term Capital Planning

- 1. Planning for capital improvement needs and means of financing should be on a long-term basis of 10 years or greater.
- 2. As a general rule, capital requirements should be financed as follows:
  - a. Governmental Funds Financing from current appropriations and capital reserves. Major capital improvements which cannot be delayed until funds are accumulated should be financed with general obligation debt.
  - b. Proprietary Funds Capital acquisitions and improvements to be financed through accumulated net income. For major capital improvements that cannot be deferred until funds are accumulated should be financed either through mid-term borrowing, interfund borrowing or long-term borrowing through issuance of revenue or general obligation bonds.

#### **Cash Management and Investments**

The City of Bountiful, Municipal Building Authority and Bountiful Redevelopment Agency (City) seek to invest public funds in securities and deposits that provide a high degree of safety and liquidity along with a competitive yield based on prevailing market conditions while meeting the daily cash flow demand of the city. All investments and deposits are placed subject to applicable City ordinances and State laws pertaining to investment of public funds in the State of Utah, specifically the Utah Money Management Act (the Act) and the Rules of the State Money Management Council (the Rules), which provisions are hereby incorporated as part of this policy.

This investment policy covers investment of all financial assets reported in the Comprehensive Annual Financial Report (CAFR) for the City of Bountiful (City). Investments are covered under a "prudent investor" rule with objectives in order of safety of principal, liquidity and then yield. The policy details day-to-day management practices, delegation of authority, authorized financial institutions and dealers, authorized

investment types (as allowed by the Utah Money Management Act) and diversification. Also referenced are internal controls in place, key operating procedures and practices, performance standards and reporting requirements (monthly and semi-annually).

#### **Debt Management**

Public borrowing by issuance of general obligation bonds to finance acquisition or major capital improvements, presently needed but not obtainable from current budgets of the governmental funds, is justifiable and in the public interest.

Borrowing on tax anticipation notes to finance current operating expenses of the governmental funds is neither desirable nor defensible in terms of sound public financing policy. The City encourages accumulation of surplus within governmental funds as a source of working capital in lieu of borrowing on tax anticipation notes.

To reduce the long-range cost of city government and the annual financial burden of interest on bonded indebtedness, it should be the policy of the city to retire all bond issues as rapidly as possible consistent with the investment and taxation policies of the City.

#### **Fund Balance and Reserves**

Per Utah State Code Section 10-6-116 (2) "The accumulation of a fund balance in the city general fund may not exceed 25% of the total revenue of the city general fund for the current fiscal period." Further, in Utah State Code Section 10-6-116 (4) "Any fund balance in excess of 5% of the total revenues of the city general fund may be utilized for budget purposes. As to Capital Improvement Funds, Utah State Code Section 10-6-116 (5)(a)(b) state that "Within a capital improvements fund, the governing body may, in any budget period, appropriate from estimated revenue or fund balance to a reserve for capital improvements for the purpose of financing future specific capital improvements, under a formal long-range capital plan adopted by the governing body. The reserves described in Subsection (5)(a) may accumulate from fiscal period to fiscal period until the accumulated total is sufficient to permit economical expenditure for the specified purposes."

As to Proprietary (Enterprise) Funds, the City adopted Resolution 82-11 dated September 22, 1982 setting up reserve funds. Of the currently open Enterprise Funds of the City, reserves are authorized as follows:

- 1. Water Fund A water reserve for replacement fund is hereby established and ten percent (10%) of the gross revenues from retail water sales, plus any remaining balance in the operating contingency account from the fiscal year, shall be set aside in such reserve fund until the fund has reached an amount equal to the accumulated depreciation of the water system.
- 2. Sanitation Fund A sanitation reserve for replacement fund is hereby established and any existing unappropriated fund balance in the sanitation fund from each fiscal year shall be set aside in such reserve for replacement fund until the amount in the fund is equal to the replacement cost of the refuse collection equipment utilized by the City.

- 3. Cemetery Fund A reserve for replacement fund is hereby established for the cemetery fund and \$10,000 shall annually be set aside in such fund until the unappropriated fund balance reaches an amount equal to the replacement value of the equipment utilized by the cemetery operation.
- 4. Golf Course Fund A golf course reserve for replacement fund is hereby established and ten percent (10%) of the greens fees and cart rentals shall be set aside into such fund until the unappropriated fund balance reaches an amount equal to the replacement cost of all fixed assets of the golf course, with the exception of land and permanent structures.

#### **Risk Management**

The City covers the risks of doing business with a system of self-insurance with commercial excess insurance, as follows:

- 1. For general liability risk the City is self-insured up to \$350,000, with commercial excess insurance from \$350,000 to \$10,000,000. To cover the self-insured portion of the risk, there is established a Risk Management Fund (an internal service fund). This covers municipal liability exposure including general liability, auto, public officials' errors and omissions and law enforcement.
- 2. The City has an all-risk property insurance policy with a total insured value of \$165,701,303 that includes various category limits, some of which are as follows:
  - a. Buildings and contents limit of \$111,928,023 with a \$10,000 deductible per category,
  - b. Equipment/electronic data processing limit of \$21,342,320 with a \$10,000 deductible,
  - c. Property in open limit of \$27,743,760 with a \$10,000 deductible,
  - d. Mobile equipment/contractors equipment limit of \$865,010 with a \$10,000 deductible,
  - e. Earthquake coverage of \$10,000,000 with a 2% minimum/\$100,000 deductible,
  - f. Flood coverage of \$10,000,000 for facilities that are located outside the standard report zone with a \$100,000 deductible, and
  - g. Generators/transformers limit of \$50,000,000 with a \$50,000 deductible.
  - h. The City is self-insured for property loss above the limits and below the retentions/deductibles. The operating departments of the General Fund or proprietary funds assume the financial responsibility for risk retained by the City for property damage.
- 3. The Treasurer is covered under a \$1,500,000 bond with a \$15,000 deductible.
- 4. The City also has public employee dishonesty insurance (an employee blanket bond and commercial crime) with a \$500,000 limit per occurrence and a \$5,000 deductible.
- 5. For workers compensation coverage the City is self-insured up to \$450,000, with commercial excess insurance up to statutory limits plus a \$1,000,000 limit on employer's liability. To cover the self-insured portion there is established a Workers Compensation Fund (an internal service fund).

### PROJECTED CHANGES IN FUND BALANCES (APPROPRIATED GOVERNMENTAL FUNDS)

#### **Major Changes**

#### Redevelopment Agency

The Redevelopment Agency fund balance is projected to decline by 48.8% due to development costs of a downtown plaza along with related studies. Projects will extend into Fiscal Year 2018-2019.

#### **Municipal Building Authority**

All debt of the Municipal Building Authority has been paid in full but there will be a three year stream of deferred lease payments coming from the State of Utah Court System due to a previously arranged gap financing package between the Municipal Building Authority and the State Courts System. These funds will flow into fund balance.

#### **MAJOR REVENUE SOURCES**

Bountiful City relies on a variety of revenue sources to fund operations of the City organization. The major revenue sources for the budgeted fiscal year are identified below listed by fund type:

#### **Governmental Funds**

#### General Sales & Use Tax: \$7,600,000

This revenue source is predominantly comprised of the 1% local option sales and use tax authorized in State Law for cities and charged on retail sales of goods and services. The sales tax is collected and distributed monthly by the Utah State Tax Commission based 50% on the point-of-sale and 50% on the population percentage of Bountiful versus the State of Utah. Other sales taxes included are a 0.1% Recreation Arts and Parks (RAP) tax and a share of the 1% local option sales tax from a shared tax area with neighboring West Bountiful City.

#### Property Tax (General Property Taxes; Fees in Lieu of Property Tax; Tax Increment): \$2,570,000

This revenue is comprised of General Property taxes based on assessed value for real and personal property in Bountiful City assessed, collected and distributed by the State Tax Commission and Davis County for Bountiful City.

#### **Utility Franchise and Related Taxes:**

\$3,190,000

Utility Franchise tax includes taxes assessed, collected and distributed to the City by energy, telecommunications and cable companies operating within Bountiful City. The amount shown includes energy sales and use tax for electricity and natural gas sales at the rate of 6%. Also included are franchise fees on cable television at the rate of 5% and a 3.5% tax on telecommunications.

#### Intergovernmental (Class C Road Funds & County Highway/Transit Tax)

\$2,030,000

Class C Road Funds represent 30% of statewide fuel taxes and fees levied on consumers and distributed to cities on a formula which is 50% based on the proportional road miles in the city versus the state and 50% based on the proportional population of the city versus the state. The County Highway/Transit Tax is an additional 0.25% tax rate added to consumer purchases that is adopted at the County level and collected and distributed to counties, cities and transportation districts on a monthly basis for use on roads and transportation.

#### Contribution from the Light & Power Fund

\$2,450,000

The Light & Power Fund of the City makes a monthly transfer to the General Fund of the City based on 10% of metered electric sales. These transferred funds are used each year to help cover the costs of important city services like police, street maintenance and snow removal, fire and emergency medical services, parks, and similar City services. The utility transfer helps keep property taxes in Bountiful low. Viewed in another way, these transfers are a "dividend" to Bountiful taxpayers as the result of the taxpayers' original investment in the City's power infrastructure. If City utility services were provided by private utility customers, these dividends would instead be paid to investor-owners; because Bountiful taxpayers are the investor-owners, these dividends are used to offset what otherwise would be a significant increase in property tax rates. The transfers also provide a means for reimbursement of the General Fund for services provided to non-property tax paying groups such as non-profit organizations, churches, and governmental entities.

#### **Business-type (Proprietary) Funds**

#### **Electric Metered Sales and Related**

\$26.750.000

Sales of electricity to customers changes seasonally with customer usage. The highest peaks occur in the summer with lower peaks occurring in the winter. The lowest points occur in the fall and spring of each year. Air conditioning is the primary reason for the summer peaks, with heating and lighting as the chief reason for the winter peaks.

Sale of Water \$5,000,000

Sales of water to customers changes seasonally with customer usage. The highest usage occurs in the summer when irrigation needs are elevated due to rising temperatures. Bountiful City draws much of its culinary water from deep wells throughout the City. Irrigation water is provided by a local special district for lower elevations of the City and the City residents utilize culinary water from Bountiful City for irrigation purposes above Davis Boulevard (an elevation of approximately 4,700 feet).

#### **Refuse Collection Fees & Landfill Charges**

\$2,486,472

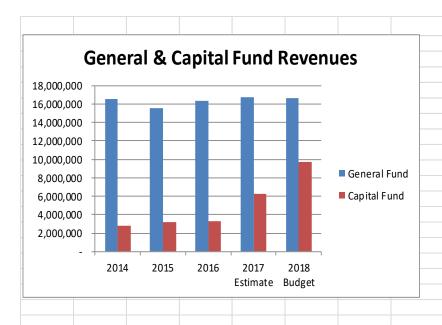

Fees for automated residential curbside collections along with commercial collections deposited at the City landfill. Additional specialty fees are included for sales of compost, wood chips and other miscellaneous revenue sources at the landfill.

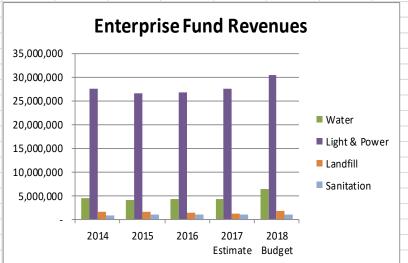

Golf Course Fees \$1,500,000

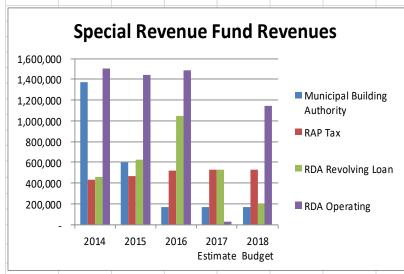

This revenue source represents the total of greens fees, cart rentals and pro shop sales from patrons visiting Bountiful Ridge Golf Course. Course revenues are seasonal in nature being affected by the onset of winter weather conditions and the timing of the arrival of spring since the course is located at an elevation of 5,281 feet along the Wasatch Front mountain range.

## **Transfer from Light & Power to General Fund**

## Transfer of funds from the Light & Power Fund to the General Fund:

- Based on 10% of metered sales.
- Funds essential services like Police, Fire, street maintenance and snowplowing.
- Allows non-property tax payers receiving services to help fund services provided to them.
- Keeps property taxes in Bountiful low. For existing services, property tax (and tax rate) would need to be more than doubled if the Light & Power transfer was not in effect.
- Represents just 7.8% of the total budgeted expenses of the Light & Power Fund in Fiscal Year 2017-2018.
- Should be viewed as a dividend back to the taxpayers for investments made in the Light & Power Fund.

## **Transfer from Light & Power to General Fund**

#### **GLOSSARY**

Accrual - The basis of accounting under which revenues are recorded when earned and expenditures are recorded as soon as they result in liabilities for benefits received, notwithstanding that the receipt of cash or the payment of cash may take place, in whole or in part, in another accounting period.

Appropriation - Resources that are set apart by official action for a particular use or purpose.

Appropriated Budget - The expenditure authority created by the appropriation bills or ordinances that are signed into law and related estimated revenues. The appropriated budget includes all reserves, transfers, allocations, supplemental appropriations, and other legally authorized legislative and executive changes.

Assessed value - The value to which the property tax rate is applied in order to determine the tax liability of the property.

Bonded Debt - Debt issued by a government agency that guarantees payment of the original investment plus interest by a specified future date.

Budget officer - City Manager.

Budgetary Control - When an annual appropriated budget is adopted by the legislative body and subsequently signed into law, it carries with it maximum expenditure authorizations that cannot be exceeded legally.

CAFR - Comprehensive Annual Financial Report.

Capital investment - The amount of funds allocated to the acquisition, construction, and/or major repair of infrastructure, equipment, and buildings.

Capital / Capital Outlay - Major equipment and facilities that have a useful life of more than one year and a cost in excess of \$20,000.
