

# 400 North

## IMPROVED

Bountiful

### **Final Construction Update** **July 7, 2017**

#### **Project Update:**

All lanes are open. On Sunday, July 9, crews completed final striping and crosswalk installation throughout the corridor. Expect intermittent lane closures during this work and obey flagger instruction.

This will complete the project.

*All work activities are subject to change due to weather, material or equipment delays.*
