

Bi-Monthly Newsletter

Issue No. 10 | November 2023

Bountiful City Water Department - l to r - installing water lines, flushing fire hydrants and repairing a leak!

Bountiful City Hall • 795 South Main Street • 801.298.6140

info@bountiful.gov • www.bountifulutah.gov • Monday-Thursday 7:00 a.m. to 6:00 p.m.

Winter Parking Ordinance in Effect!

As of November 1, 2023, overnight parking on Bountiful City streets is prohibited between the hours of 2:00 a.m. and 6:00 a.m. so our awesome snow plow drivers can safely and efficiently clean our streets! This ordinance is in effect through March 31, 2024.

Also, please do not shovel or blow the snow from your property into plowed streets - it is unlawful*, not safe and defeats the work of the plow drivers! For more information, visit our website!

*Bountiful City Code 6-2-116

Annual Christmas Concert - December 19

Join us for a magical night of Christmas music with The Gibbons Family and Friends!

Mark your calendars and get your tickets now! The concert will be at Woods Cross High School on Tuesday, December 19 at 7:00 p.m.

Proceeds from this concert benefit the popular summer "Music in the Park" free concert series.

For more information visit our website or scan the QR code below.

Flood Hazard Information

The US Congress has mandated all federally insured lenders to require flood insurance on properties that are located in "Special Flood Hazard Areas" which are those areas determined to have a 1% or greater chance of flooding in any given year. The Federal Emergency Management Agency (FEMA) issues maps known as Flood Insurance Rate Maps (FIRM), to help determine the flood risks for real property. FIRMs can be viewed online using FEMA's Map Service Center:

<https://msc.fema.gov/portal/search>.

For questions about flood zones, flood-related hazards, historic flood information and other flood-related questions, please contact the Bountiful City Engineering Department at 801.298.6125.

Clean Streets = Clean Waterways

Keeping our streets clear of gravel, leaf piles, fallen branches and other debris

helps to keep them safe for drivers, our storm drains clear and ultimately keeps trash and debris out of our public waters. Clogged storm drains can cause inconvenient and costly flooding incidents as well.

To discover what you can do to help keep Bountiful a delightful, secure and eco-friendly place, please visit our website (Departments > Storm Water) or scan the QR code above. Thank you for being part of the solution!

Scan the QR code on the first page to get your tickets!

*always confirm meeting and event dates and times on the City website or the website indicated.

Visit our website for meeting schedules and information. Public meeting agendas are available the Thursday before the scheduled meeting.

Leaf Pick-up

As an extra service, Bountiful City workers will pick up leaves from your yard that are left on your curb - not on the street or in the gutter. It is best to bag the leaves if possible. This service is provided as long as the crews - who also maintain our roads, plow the snow and pick up the regular garbage and recycling - are available. If yours do not get picked up, it's best to bag them to put in your garbage bin so they don't get stuck at the bottom!
